If you cannot work your scheduled shift, it will be your responsibility to find someone to switch with you. Please use the Player Contact List I emailed and handed out with everybody's email addresses and phone numbers to do this. If games are added or changed, an amended list will go out. Please be at the arena and ready to begin your shift at least 15 minutes before the game starts. If you are scheduled for stats please find me to get the stat book. Let me know if you have any questions or concerns. Thank You!
