Welcome to the 3rd Annual Minnesota Heat Border Battle! We are excited to run this event and host your teams! We have elite level teams representing Wisconsin, Iowa, Nebraska, South Dakota and Minnesota.

# Tournament Map

Minnesota Heat is in its 9th year of existence as one of the largest youth basketball program in the country. In 2013, the program had 80 boys and girls spring/summer teams in grades 4-11. The Meg Vang Memorial Tournament, which takes place the first weekend of May, is one of the largest youth spring/summer tournaments in the Midwest with over 200 teams participating last year. We look forward to further improve and make the Border Battle one of the premier events in the basketball calendar.

In the following pages, please see information on the teams participating, map of the area along with information on 2014 spring Heat events.

Again, thank you for your support of our tournament. We understand the time, travel, and cost to participate. We look forward to hosting you again and expanding this event in years to come!
