**Division Structure:**

**1. D1**

Addison Ice adult D1 league is comparable to a high end B League. A lot of our competitors have played college, Jr., and high end youth AAA/AA hockey. It is our most competitive league and has a typically high pace at all times.

**2. D2**

Addison Ice D2 league is comparable to a B2 league. You will still get a lot of high end college, Jr., AAA/AA players but the pace is just a little bit below our D1 league.

**3. D3**

Addison Ice D3 league is comparable to a C league. Good fast pace with a lot of players coming from a hockey background of ACHA DII, High School, and AA.

**4. D4**

Addison Ice D4 league is comparable to a C2 league. This is our good paced recreational league with players that have some hockey experience at many different levels. It's a great league to get started in if you don't have an idea of where you should fit in with the other three divisions we have here.
