You placed in the top three of the respective style and you are now a national qualifier. You have until 11:59 pm on Sunday May 6<sup>th</sup> 2018 to secure your spot at the weight you qualified at by making a deposit of \$500.00. If your deposit is not made by the date and time advised your qualifying spot will be relinquished.

Instructions to make deposit:

1. Go to [www.oklahomausawrestling.com](http://www.oklahomausawrestling.com)
2. Click on registration tab.
3. Follow directions to make Fargo deposit.

Any questions email Matt Stevens – [m.stevens@oklahomausawrestling.com](mailto:m.stevens@oklahomausawrestling.com)

Wrestlers: If you plan on making your deposit and want to wrestle in Fargo, you have to compete in either the state championships – Cushing, Ok May 12<sup>th</sup> or Southern Plains – Dodge City, KS June 2<sup>rd</sup> (see schedule on schedule tab on [oklahomausawrestling.com](http://oklahomausawrestling.com). Failure to compete in one of these events will forfeit your qualifying spot. (Once qualified you can go whatever weight you want at either of these events. Just attendance is required.)

Southern Plains – This tournament allows the top 4 places at each weight to pick what weight they want to go. If you want to change your weight from the National Team Qualifier you must go to Southern Plains and place in top 4. This will exclude from the state list and now makes you a regional qualifier. We encourage you to attend Southern Plains.

Thanks for your participation,
