

April 25, 2014

To Whom It May Concern:

I would like to formally submit my application for the position of Vice President of Hockey Operations/Secretary, for the Colorado Springs Amateur Hockey Association. I have been involved in CSAHA since 2006, when my oldest son began playing in the association. I have volunteered in the association at the 8 and under level, as well as holding the position of Manager of both of my children's teams at both the Squirt and Pee wee levels. I was Co-Director of The Colorado Cup 2012-13, and have volunteered for Rink Manager and Rink Director Positions in multiple Association tournaments. I have a familiarity with the association and its workings, as well as good rapport with numerous members, and feel that I have the skills to perform this position. Thank you for your consideration of my application.

Sincerely,

Rachel Boxer
