

NOMINEE FOR PUBLICITY/MARKETING DIRECTOR

CHRIS JARVIS

645 Robinglen Court, Colorado Spring, CO 80906

T: (719)445-0648 • E: doccgjarvis@gmail.com

About My Qualifications:

Chief Medical Officer for the Soldiers of Fort Carson since September 2011. I have been an active CSAHA member, and youth and disabled sled hockey coach and Primary Care Sports Medicine Consultant in CSAHA since September 2011.

Degrees Held: Medical Doctorate, Uniformed Services University, Bethesda, MD

Masters in Healthcare Administration, University of North Carolina, Chapel Hill, NC

Bachelors of Science, United States Military Academy, West Point, NY

Certification: Level III USA Hockey Coach

PLATFORM STATEMENT

I am honored to run for the position of CSAHA Publicity/Marketing Director. For three years I have desired a position on the CSAHA Board of Directors but have held back as I knew I would be deploying with the 4th Infantry Division in support of combat operations in Afghanistan during the 1013-2014 hockey season. I now seek this position as I am keen to help shape the future of youth and disabled sled hockey in Colorado Springs through service as the Publicity/Marketing Director.

As the father of three sons currently participating at three different levels within CSAHA, I have a vested interest in helping provide a quality program for my sons and the youth of this association. I have coached youth and disabled hockey for children ranging in age from 3-17 years-old for over 10 years. I hope to help CSAHA grow this program and continue to be a Model USA Hockey Association.

I have extensive experience leading Army organizations and ensuring the healthcare of the same over my seventeen years of service. This, coupled with my business education, establish my credentials for leading organizations to successfully accomplish their mission.

I look forward to helping the Board of Directors lead CSAHA.
