

THE ADIRONDACK RUNNERS
2012 MILEAGE HIGH CLUB
Jacket Request

Since the beginning of the Mileage High group in 1998, there have been a number of people who went the 5000 mile distance to earn a club-sponsored jacket. Many of you have reached significant milestones since that time and might be looking to get a new jacket, one with more miles on it, so to speak.

We are organizing a one-time buy of updated jackets for those people who are interested. The jackets are offered *below cost* to past or current Mileage High participants who have a current membership with the Adirondack Runner's Club and will be embroidered on the left chest with the club logo (your name underneath) and on the Right Shoulder with the # of miles you've logged through our program in increments of 5000. The jackets are a black soft shell with silver embroidery. The club will cover cost of jacket over \$50, set-up and shipping fees.

This opportunity is offered to anyone who has participated in Mileage High since 1998. Contiguous participation is not mandatory but miles printed on the jacket need to match the max miles you've logged through our program between 1998 and present.
