

# 2014-15 IRVINE WOODBIDGE WARRIORS

## From Your Coach

Welcome to the WARRIORS-We're excited about building a great High School ICE Hockey program at Woodbridge.

Our inaugural team in the Junior Varsity division was competitive and a great success. The feedback for our school, parents and league was extremely positive and very exciting for the future of Warrior High School Hockey. My personal goal is to develop great people through hockey and build a team that reflects pride, sportsmanship and integrity. **Our plan is to field Varsity and Jr Varsity squads for the upcoming season.**

I was fortunate to have coached the first team in the ADHSHL when the Ducks launched the Anaheim Ducks High School Hockey League on July 1, 2008 with JSerra Catholic High School (San Juan Capistrano) as its charter member. Santa Margarita Catholic High (Santa Margarita) was added in 2009 and joined by Servite High (Anaheim), Damien High (La Verne) and Lutheran High School of Orange County (Orange) in 2010-11. The ADHSHL increased to 11 teams in 2011-12 with the inclusion of Bishop Amat/Upland Christian Academy, Edison High School (Huntington Beach) and Long Beach Prep. The 2012-13 season added Corona del Mar, Corona-Norco, Huntington Beach and Los Alamitos, while 2013-14 saw Bellarmine Prep College, San Diego Unified, Villa Park High, Woodbridge High and Capistrano Unified join the league. As the ADHSHL continues to grow I plan to bring my experiences to develop Woodbridge into a long lasting hockey club.

Some of the best hockey alumni in California have played in the Anaheim Ducks High School Hockey League. Several of those players have moved on to play college & junior hockey. With the league growing and becoming a power house in California the opportunities for our players to play at the next level is the best it's been in history.

To prepare for upcoming tryouts we plan to have spring teams, clinics, and summer training camps available for all players interested in our club. If you attend Woodbridge High School or another high school in the Irvine Unified School District, or live in the surrounding district that does not offer a high school ice hockey club please contact us for more information.

Go Warriors!
