

Instructions for Administering ImpACT Baseline Tests

- Go to www.IndianaSportsConcussionNetwork.com
 - Make sure that your pop-up blocker is turned off or the proper screens may not load.
- Follow the link “**ImpACT baseline log-in**” on the right side of the page.
- Under the log-in header, click “**LOG-IN HERE**” to redirect to the login page.
- On the new page, enter your organization’s code in the box that is located in the box above. Click “**Submit**”.
- You will be re-directed to the ImpACT Test Online page. From the drop-down menu, choose “**Hamilton**” (be sure to choose the correct organization). Click “**Launch Baseline Test**”.
- A new window will be opened in the entire screen.
 - Enter the ISCN password: **790A952562** (This password changes each spring)
 - Click “**English**” or other appropriate first language.
 - Leave the default “English” units on the next screen; just click “**Next.**”
 - CORRECT INFORMATION IS KEY!! Choose **Indiana Fire Juniors** from the drop down menu of “School/Organization.” If the correct team is not listed, check that the correct county has been chosen and displayed in the “Clinic Name” box above. **Enter the date of birth.** Click “**Next.**”
 - Test taker enters **Name**. Choose **Height** and enter **Weight**. Click appropriate **gender** and **handedness**.
 - Choose **native country** from drop-down list. **Choose language**; choose second language if applicable. Click “**Next.**”
 - Complete “**Sport and Health History**”. Be sure to read each demographic question and answer appropriately.
 - Complete “**Current Symptoms and Conditions**”, focusing on “**currently experiencing**” symptoms.
 - At the completion of the symptom section: **Remind test takers to read all instructions very carefully TWICE. If directions are not followed, the test will have to be retaken. Focus on own test, not others’ near them. Answer as quickly yet accurately as possible. Every mouse movement and time interval is tracked.**
 - Click “**Next**” to begin test.
