Secretary's Report

- Motion to approve minutes for March 2014

President's Report

Continuing to talk about the co-op with CI. It's been tough to schedule meetings because of work schedules. Tom shared registration numbers, projections for the coming year and win/loss records for both CI and NB. A big concern for NB is that if we enter into a co-op that the skaters are leveled correctly.

Members raised concerns that previous co-ops had resulted in poor leveling (skaters playing up to A level just to have a team at that level).

Members asked how the board would operate in a co-op situation. NB and CI would retain their own boards, but each board would appoint a number of members to a joint co-op board. Fundraising and dues would stay with each association.

Coaching options would be to encourage an even split of NB/CI coaches. This would be included as a point in the co-op agreement.
