

Dinnaken Properties

The following should be completed at move-out to avoid cleaning charges:

- Vacuum entire apartment including under furniture
- Wipe all baseboards/heat registers/light switch plates/windowsills
- Clean inside (including drawers), outside and top (when accessible) of dishwasher, refrigerator, freezer, and microwave
- Clean range top, inside of oven, lift up and clean under stove top, drip pans, drawers, boiler pans, racks. Run oven self-clean and remove ash (see website for instructions)
- Pull stove and refrigerator out from wall –wipe down sides of appliances. **Leave appliances pulled out. DO NOT UNPLUG appliances.**
- Thoroughly wash sinks, countertops, cabinets(inside/outside), shower, tub, hard surface floors, mirror, fan cover, and kitchen/bathroom baseboards, walls
- Thoroughly wash toilet (inside bowl, top & bottom of seat, stool, floor around stool, and tank)
- Dust furniture and wipe out dresser drawers, desk and closet
