

2024 22nd Annual Spring 3 v 3 League

Do you want to improve your skating? How about learning to skate with the puck on your stick faster and more often? Do you want to have more open ice to practice being creative? Working on passing and moving the puck? How about playing with your friends in the fastest league there is? Well, if you answered YES to these questions – this league is for you! Come be a part of the fastest growing team concept in the country: 3-ON-3 Hockey! 3-ON-3 combines both the fun of a Spring League while enhancing a player's individual skill. You've seen the studies where in a typical game kids handle the puck for 5-10 seconds. In a 50-minute 3-ON-3 game, kids get far more opportunities to handle, shoot and pass the puck. Goaltenders are increasingly challenged because it's such a wide-open game.

Only COMPLETE teams are accepted!!!

A typical team roster is 1 goalie and 9 skaters but you can roster more or fewer players.

League starts April 14th, 2024 and continues thru June 23rd, 2024.
