

ACKNOWLEDGEMENT OF USA HOCKEY & CAROLINA AMATEUR HOCKEY ASSN POLICIES

USA Hockey has adopted several Policies that are set forth each year in the USA Hockey Annual Guide. The Carolina Amateur Hockey Association (CAHA) has adopted the USA Hockey Policies as set forth in the Annual Guide and those Policies are incorporated by reference in the CAHA Bylaws. These policies include, but are not limited to, Conflict of Interest, Confidentiality, Safesport, Locker Room, and Zero Tolerance. Each member of the CAHA Board of Directors, any Officer of the Corporation and anyone holding a position appointed by the CAHA Board of Directors acknowledge that they are aware of the USA Hockey Policies and agree to abide by those policies in performing their duties and responsibilities with CAHA.

With regard to any actual or potential conflict of interest each member of the CAHA Board of Directors, any Officer and anyone holding a position appointed by the CAHA Board of Directors agrees to disclose any actual or potential conflict of interest, as defined in the USA Hockey Conflict of Interest Policy and the CAHA Conflict of Interest Policy, and to refrain from voting on a matter before the Board of Directors involving a conflict of interest. Examples may include working for a rink or hockey association, holding an investment or ownership in a hockey-related enterprise, being a coach, volunteer, or team manager for a hockey association, and more.

In the space below please disclose any activities, interests, investments, relationships, or involvements that you think would be relevant to full disclosure of any actual, apparent or possible conflict of interest. If none, indicate none.
