

NEW! Glenview Generals

Mites Travel Hockey

Glenview is proud to welcome the Glenview Generals to the world of mite travel hockey.

The Glenview Generals in their inaugural season will field three mite travel teams. The teams will be on the ice an average of 4 times a week including skills, practices and games. The Generals will skate out of the Glenview Ice Center, the North Shore Ice Arena and the Buffalo Grove Twin Rink Pavilion. The Generals organization is dedicated to develop the mite hockey player to the best of his/her abilities on and off the ice. It is a program for the serious hockey player willing to work hard. The Generals will play in the newly formed Chicago United Hockey League against teams from the surrounding suburbs. The team also plan on playing in local and out of town tournaments against teams from other states. It is the best program for the driven hockey player.
