Scott is working on putting camps together for the summer. It should be the same as last year. He also wants to put together a 10,000 made shoots club for next summer. Players that accomplish the 10,000 made shoots from start of summer to beginning of Traveling season will receive a T-Shirt. If a player completes 20,000 made shoots they will receive a T-shirt plus \$10 Cherry Berry gift certificate. 30,000 made shoots will get a T-Shirt plus \$20 J & J gift certificate.

- Nichole Bjerke 1st motion to approve 10,000 made shoot awards.
- Nichole Wishert 2<sup>nd</sup>
- Motion approved

Scott gave an update of the season and discussed the varsity players that are playing spring basketball.

### **Old Business:**

1. Spring basketball for all grades is going well. There are 2 varsity level teams playing spring basketball. On these 2 varsity teams the parents will need to put in volunteer hours and the players will need to work the clocks for the Spring Tournament.
2. The spring MYAS tournament is April 26<sup>th</sup> and 27<sup>th</sup>. We hope to have 70-80 teams. If we get 70 plus teams we decided that the High school Softball would run the middle school gyms and concessions. We decided that we would pay Brad Zrust and the softball to run the middle school for spring tournament in the amount of \$2000 (which is the same as last year)
3. Nichole Wishert discussed the possible option of having the Scholarship foundation run the MSF tournament with us. It would allow us to have more teams and to also have the help of the foundation members, since most board members and parents are with their players at girls state MYAS. We would need to look at the ability to not have Jr. Bison basketball in the morning of MSF tournament too. We will discuss this in the future.

4. This year's election will be Sunday May 18<sup>th</sup> 6-7:30pm @Huikko's. There are 3 positions open. We will send out mass email around end of March to let parents know about the election. Pete will put in the paper information about election the beginning of May and then also May 15<sup>th</sup>.
5. Tom presented handbook and we discussed some changes. Tom will finish handbook and get the 2014-2015 handbook completed.

## **New Business:**

No new Business
