- 1924 A postponed meet is to be rescheduled for play on the earliest possible date available to both teams (usually within one week of the postponed meet). All postponed meets should be made up prior to the Conference Tournament whenever possible.

- 1925 Each dual meet will consist of four singles and three doubles matches using a total of ten different players per team. Seniors will be allowed to play at the JV level.
- 1926 The **HOST** school of the dual and the HOST GMC TOURNAMENT MANAGER are responsible for contacting local media following the match or tournament.
