2014-2015**

***“Just Like Insurance, the First Save Is The Biggest One”***

The Ontario Minor Hockey Association / Insurance Brokers of Ontario Goalie Assist Program, is an effort to support children who have dreams of becoming a hockey goaltender.

Working in conjunction with local minor hockey associations across Ontario, this program will provide sets of new hockey goaltending equipment to loan to 5-7 year old players interested in trying the position. Each set of equipment will be retained by the local minor hockey associations at the conclusion of the hockey season to loan to new children. In addition, the Insurance Brokers of Ontario will provide minor hockey associations with goaltending resources to aid coaches.
