1. Head to head competition
2. Fewest games lost
3. Fewest points scored against
4. Coin toss if tie still exist

Morning Pool Placing:

If more than two teams are tied for the championship of their pool, once the tie breaker eliminates all but two teams, the final tie breaker between the two teams will be head to head competition. The third team will take 3rd in the pool.

Team Placement:

Placing in the two pools will be as such. We will acknowledge a 5th place team in the consolation (Lakes) pool for the purposes of that team receiving two all-tournament medals. The other three teams will receive one all-tournament medal. The individual schools can determine who that athlete(s) is(are). We will acknowledge 1st-3rd place in the championship (Antioch) pool for the purposes of awarding plaques. All-Tournament medals will go as such: 1st (4), 2nd (3), 3rd (2), 4th (2). All members of the team championship team will be awarded shirts.

1. Best Over-All Record in the Team Placement Pool

2. If a tie remains between two 2-0 teams, the team that won in the morning match, will receive the higher place. Of the two 0-2 teams the team that won in the morning will receive the higher place.
3. If you have 3 or 4 teams tied at 1-1. Use the tie breaker beginning at #2, until you get to two teams. The team that defeated the other during the tournament will get the higher placing. *If you had 4 teams tied at 1-1 of the other two teams, the team that defeated the other will receive the higher place.*

Warm-Ups: 2-6-6 for the first match of the day. 3-3 or less as agreed by coaches prior to following matches.

Tournament Note: Based off of comments from the coaches last year, we will have the four schools eat lunch where they play their first round matches in the morning. The lunch will need to be a little more basic this year (ie pizza or Subway type sandwiches), but no one will walk away hungry. After that point the teams will go to the schools where they will play their last two games. This should allow us to finish the tournament a little earlier this year.
