

Inputting Scores and Stats

IMPORTANT - to make changes and administer pages in the website, you must LOG IN to the page and HAVE APPROPRIATE PERMISSIONS.

QUICKSCORE (QS) - How to put in a game score if you didn't iScore or upload your iScore:

1. Navigate to your team page
2. Navigate to GAME SCHEDULE
3. Click the EDIT/USER switch
4. Click QS for the appropriate game (last column)
5. Mark GAME STATUS as Final, input scores, and click SAVE.

UPDATE STATS - How to input crucial stats (hits, runs, home runs) if you didn't iScore or upload your iScore:

1. Navigate to your team page
2. Navigate to GAME SCHEDULE
3. Click the EDIT/USER switch
4. Click FINAL (assuming score has already been input)
5. Click EDIT STATS
6. Input the appropriate stats for the corresponding player
7. Click SAVE STATS at the bottom of the page
