

ATTENTION SKATERS:

During this competition you will be judged based on the following standards:

- Ability to successfully complete a trick (landed)
- Difficulty of a trick
- Smoothness and style of your trick
- Implementation of the course elements

Judges will utilize scoring sheets and their scores will reflect these factors.

For the **PARK JAM CONTEST**, you will receive a total score based on your individual run and the Park Jam. The judges scores will be tallied together for an average score and the skater with the highest average will win their event.

For the **BEST TRICK CONTEST**, your single highest rated trick will be your score from each judge. The judges scores will be tallied together for an average score and the skater with the highest average will win their event.

Please ask support staff if you have any further questions.

Thank you.
