Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Notes to Financial Statements

Note 1 – Organization and nature of activities

The Amateur Hockey Association Illinois, Inc. (AHAI), incorporated on December 15, 1975, is a not-for-profit corporation organized under the laws of the State of Illinois, and has been classified by the U.S. Internal Revenue Service as a 501(c)(3) not-for-profit organization. Its main purpose is to encourage and improve the standards and conduct of amateur ice hockey in the state of Illinois. In addition to its other programs, AHAI has formed a committee to oversee the assignment of officials to games for its various members. Revenues are derived principally from AHAI's programs.

Note 2 – Summary of significant accounting policies

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions.

Financial statement presentation

The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Organization is required to present a statement of cash flows.

Cash

Cash consists of checking, saving and money market accounts. For the purpose of the statement of cash flows, the Organization considers all highly liquid instruments purchased with a maturity of three months or less to be cash.

Grants receivable

Grants receivable are expected to be collected within one year and are recorded at net realizable value.

Notes to Financial Statements

Note 2 – Summary of significant accounting policies, cont'd

Equipment, leasehold improvements and software

Equipment, leasehold improvement and software are recorded at cost. Depreciation is recorded using the straight-line method over the estimated useful lives, as follows:

	<u>Years</u>
Leasehold improvements	Life of Lease
Equipment	5
Software	3

Deferred revenue

Deferred revenue represents cash collected for membership registrations and other services that have not been earned at May 31, 2014.

Contributions

All contributions received are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. When a temporary restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

The Organization reports gifts of land, buildings, and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Conditional grants for which the conditions have not been met and unearned grant receipts are reported as liabilities until the conditions have been met or the revenues have been earned.

Note 2 – Summary of significant accounting policies, cont'd

Contributed services

The Organization receives donated services from several organizations and many individuals who volunteer their time and facilities and perform a variety of tasks that assist the Organization. The value of the contributed time by volunteers and other contributed resources is not reflected in these financial statements, since they do not meet the recognition criteria under SFAS No. 116.

Income taxes

The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and accordingly, has made no provision for federal income taxes in the accompanying financial statements. There was no unrelated business income for the year ended May 31, 2014.

The Organization adopted the accounting for uncertainty in income tax guidance, which clarifies the accounting and recognition for tax positions taken on its income tax returns. In evaluating the Organization's tax provisions and accruals, the Organization believes that its estimates are appropriate and the Organization has no material unrecognized income tax positions. The Organization's tax filings are subject to audit by various taxing authorities. At May 31, 2014 the Organization is no longer subject to examination by federal and state taxing authorities for periods ending before 2010.

Functional allocation of expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the schedule of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited according to their natural expenditure classification.

Supporting services are those services related to operating and managing AHAI and its programs on a day-to-day basis. Supporting services have been sub-classified as follows:

Management and general – includes all activities related to AHAI's internal management and accounting for program services.

Fundraising includes all activities related to the selling of merchandise and other similar projects related to the procurement of funds for AHAI's programs.

AMATEUR HOCKEY ASSOCIATION ILLINOIS, INC.

Note 2 – Summary of significant accounting policies, cont'd

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Date of management's review

In preparing the financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through September 5, 2014, the date that the financial statements were available to be issued.

Note 3 – Restrictions on net assets

Substantially all of the restrictions on net assets at the end of May 31, 2014 are related to restricted donations received for the Organization's special programs or services. These temporarily restricted assets are released from restriction by incurring expenses satisfying the restricted purpose or by occurrence of other events specified by the donor. At May 31, 2014 the Organization had no permanently restricted net assets.

Note 4 – Equipment, leasehold improvements and software

The following is a summary of equipment, leasehold improvements and software as of May 31, 2014:

Equipment	\$	177,946
Leasehold improvements		41,520

Notes to Financial Statements

Note 5 – Support

The Organization's support is provided by registration fees, participation fees, grants and other donations from individuals and businesses in the community.

Note 6 - Lease

AHAI leases office and meeting space, as well as ice time, from an ice skating facility. The lease is a non-cancelable operating lease expiring on February 28, 2015. Under the terms of the lease, as long as AHAI rents 300 hours of ice time from the facility for each twelve-month period ending on May 31, it will not be charged rent for office and meeting space. If AHAI does not rent 300 hours of ice time, it will be required to pay the lessor \$24,000 for that year for the office and meeting space. For the year ending May 31, 2014, the minimum ice usage rental time was met; accordingly, no rental expense for office and meeting space was incurred. Future ice usage time is expected to be similar.

Note 7 – Concentration of credit risk

Financial instruments that potentially subject the Organization to concentrations of credit risk consist primarily of cash and money market accounts in financial institutions, which from time to time exceed the Federal Depository Insurance Corporation limits. At May 31, 2014, the Organization had deposits in excess of federally insured limits of approximately \$739,000.
