Discipline Committee Report
June, 2013

Many thanks to the members of the Discipline Committee, members of the Board of Directors and others who have volunteered their time to sit on discipline panels and to resolve discipline appeals. Your efforts are truly appreciated.

The Discipline Committee is need of additional members / volunteers as it seems that the same few people bear the brunt of the workload. There have been delays in discipline proceedings resulting from an inability to produce volunteers.

As in past years, the Discipline Committee has processed a great number of discipline matters at the local, district and state level.

Members of the Discipline Committee continue to be available for any and all inquires regarding, and assistance with, any and all discipline matters. The process works far smoother when assistance is sought prior to any discipline proceedings taking place.

AREAS OF CONCERN:

Match Penalties: (1) Not all referee incident reports are being timely forwarded to the Discipline Chair as is required. (2) Discipline hearings are either not being held for some match penalties or the results of the discipline hearings are not being forwarded to the Discipline Chair as is required. **Hearings MUST be held for all match penalties. There is not an automatic thirty (30) day suspension for a match penalty.** If a hearing is not requested, the player / coach is allowed to return to his/her team after sitting out thirty (30) days. In those instances where a hearing is not requested, **a hearing must still be held**.

Physical Assaults: There continues to be an increase in the number of physical assaults involving adults. During this past season, a number of summary suspensions were imposed for physical assaults involving adults. In some instances this behavior is not brought to the attention of the Discipline Committee in a timely manner, if at all.

Club Team Discipline: The Discipline Committee did not receive more than one or two reports of any discipline action being taken for any match penalties involving club teams.

Summary Suspensions: Through out the year there were a number of summary suspensions improperly issued by associations, although less than in the previous year. Summary suspensions should only be issued by the Chair of the Discipline Committee. There are a number of reasons for this. If you have questions about this, please speak to the Discipline Chair, Jeff Brown (jbrown@mahockey.org).

Discipline Procedure: Every year, a few local programs improperly impose discipline and subsequently report that they had no idea that MassHockey has a Discipline Committee and/or rules governing the discipline process. In other instances, associations are given the wrong advice by well meaning members. The Discipline Committee continues to ask that any issues relating to discipline be referred to the Committee as soon after the issue is identified. We are here to assist with the process.

That is all!

Massachusetts Hockey
Disabled Section Committee Report
2012 / 2013

Committee Members: Rick Fask Chairperson
Judy Fask, Dr David Crandell, Dr Alan Ashare, Kip St Germaine, Jeff Brown, Judy Sheldon, Nick McCummings, John Quill, Wes Tuttle, Bob Jacques

Our disabled hockey section continues its efforts to grow the sport.

Dr. Crandell continued his efforts with our Veterans in Massachusetts;
Bringing Sled and Standing Amputee Hockey as a part of their rehab in physical therapy.
Working with the DCR and Facility Mgt Corp to set up weekly programs in the greater Boston area,
We held four Sled Clinics at the Roche Arena and one Sled and Standing Amputee clinic in Charlestown, sponsored by Spaulding Rehabilitation Hospital.

DEAFinitely Hockey did not have any skaters this year as the veteran kids moved on to able body teams. Rick, Mike and Lauren Fask, travelled to Philadelphia, PA to help out with the deaf /hard of hearing games during the USA Hockey Disabled Festival. Like every year, Mass Hockey lends the festival the Visual Light System to aid in the games being played.

Standing Amputee: The US National team, which had five (5) Massachusetts Players, traveled to Philadelphia, PA attending the National Disabled Festival in April.

Sled Hockey: Our three sled teams, playing out of Amelia Park in Westfield, continue to grow with support from Mass Hockey. Also, our NHL affiliated Sled Team in Massachusetts, supported by the Boston Bruins organization and backing from Spaulding Rehab Hospital, Boston, played in the third annual NHL SLED CLASSIC in Buffalo, NY

Special Hockey: The Boston Bear Cubs / Massachusetts Special Hockey hosted a BOSTON BRUINS ALUMNI FUNDRAISER GAME in March 2013. The game was well attended and raised much needed funds for their program. Mass Hockey provided volunteer support and a few skaters as the Bruins won the game, of course.

Our goals for the future are expanding the opportunities in Massachusetts for Disabled Hockey. We will continue to work on the growth and programming of disabled hockey events across the state. Our efforts will focus on the Veteran Sled and Standing Amputee programming and working with Dr Crandell and the victims of the Boston Marathon bombing. Massachusetts (NESC) is the site for the USA Hockey 10th Anniversary National Disabled Festival. We will be working with USA Hockey on this significant event.

In closing, I would like to thank the committee, the many volunteers and the community leaders who made an impact on our disabled hockey players in Massachusetts this past year.

State Tournament Committee Report

Committee Members: Walter G. Lloyd, Felix Costanza, Ray Shea, Pat Bohan, Mark Boldrighini, Mike Bonish, Dennis Doherty, Jim Drew, Bruce Finethy, James Hardy, Jack Morris, Scott Newcombe, Judy Sheldon, Al Smith, Joan Smith, Allen Wright, Barbara Wright,Ron Cincotta, Paul Donohoe, Mark Lissner, Pat McCarthy

The members of the committee meet four times during the past season. At the year end meeting the committee elected to reduce the size of the Tier III tournaments to 12 teams each. The seeding of 10, 12 & 16 team tournaments was set, tournaments less then 10 teams will be seeded after all Playdown App's are received.

I would like to thank all of the committee members along with all of the District Registrars that help make this year as smooth as possible. I would like to give a special thank you to Pat Bohan, Tommy McGarth & Scott Newcombe. If it was not for their hard work not only in getting Ice for the November National Bound Tournaments but also over seeing those tournaments.

I also have to thank all of the Host's, with out their hard work and support there would be no tournaments. Keep up the good work.

Members: Sarah Beguelin, Mark Boldrighini, Mike Bonish, Charlie Bradbury, Ellie Cheever, Eric Davis, Jim Dee, Don Derosia, Scott Fusco, Peter Giuliano, Joe Higgins, Brendon Leyne, Michelle Lissner, Corey MacPherson, Jack Morris, Dave Moses, Jay O'Neil, Mindy O'Neil, Steve Palmacci, Steve Rizzo, Anthony Selvitella, Tom Troiano, Stephanie Wood

The Player Development Committee met three times (October, November and January). We spent the vast majority of our time planning the Festival Tryouts and the Festival Weekend for both boys and girls.

The National Development Camp (NDC) Tryouts began with the MH Festival Tryouts for the boys. After all Festival Tryouts, the top players were selected to the Festival Weekend (Boys – Top 40 Forwards, 20 Defensemen & 8 Goalies per age group). The girls had open registration into Festival Weekend. All the NDC selections were made from the Festival Weekend. The eligible age groups for NCD are 1996, 1997 & 1998 for boys and 1996, 1997, 1998 & 1999 for girls.

The PD Committee scheduled four boys Festival Tryouts throughout the state (Bedford, Marlboro, Rockland and Springfield). The following are the total number of players who attended tryouts this year.

Boys Festival Tryouts	
1996	127
1997	160
1998	177
Total	464

The Festival Weekend was a fabulous event. Both the boys and girls Festival were held during the weekend of April 12th-April 14th. The boys and girls had a goalie session on April 6th, one skills session, two games and then the field was cut in half for an All-Star game.

At the conclusion of the Festival Weekend, the NDC selections were made. The following players were selected:

The committee conversed on the pros and cons of this year's tryout process. Next year, we will continue with four boys open festival tryouts and change the girls to match the format of the boys open tryouts. Each boy's age group will have four festival teams and the girls will have four teams at the younger two ages and only three teams at the older age groups. The older age groups will open to four teams if needed. A staff meeting will be conducted before the start of the event to help the festival run smoother.

In addition to the Festival Tryouts, the committee conducted tryouts for the Mass Hockey John Cunniff Development Camp. The eligible birth years are 1997, 1998, 1999 and 2000 for boys and girls. For ages eligible for both NDC and Cunniff camp, the evaluations were conducted at the Festival Weekend. The 1999's and 2000's were offered three tryout dates (Marlboro, Bedford and Kingston) for boys and two tryout dates were offered for the 2000 girls (both at Marlboro). The following are the attendees:

Boys Tryouts			Girls Tryouts	
1999	116		2000	88
2000	97			
Total	213		Total	88

The committee is running six John Cunniff Development Camps this year. They are as follows:

Birth Years	Type	Dates	Location	# of Players
1997 & 1998	Boys – Overnight Upper Camp	June 22-25, 2013	Cushing Academy	48 – Forwards 24 – Defense 12 – Goalies 84 - Total
1999 & 2000	Boys – Overnight Lower Camp	June 26-29, 2013	Cushing Academy	72 – Forwards 36 – Defense 18 – Goalies 126 - Total
1997 & 1998	Girls – Overnight Upper Camp	June 30-July 3, 2013	Cushing Academy	24 – Forwards 12 – Defense 6 – Goalies 42 - Total
1999 & 2000	Girls – Overnight Lower Camp	June 30-July 3, 2013	Cushing Academy	48 – Forwards 24 – Defense 12 – Goalies 84 - Total
2000 & 2001	Boys – Day	July 15-19, 2013	Bedford	24 – Forwards 16 – Defense 6 – Goalies

				46 - Total
2000 & 2001	Girls – Day	July 15-19, 2013	Bedford	24 – Forwards 16 – Defense 6 – Goalies 46 - Total

The John Cunniff Day camp is an open enrollment camp. The camp is being modeled after the American Development Model. Each of the five camps has the goals of not only preparing the players for the NDC's but to also develop each and every player who attends. The coaching staff consists of all college coaches and the team counselors are all current college players. Each camp consists of three on ice sessions per day, professionally run dry land training, dry land stations/games, video sessions, CPR training, sport psychology lecture, a college talk, testing and player evaluations.

The vision of the Player Development Committee is to continue to provide a fair evaluation process for all players and to provide the best in-district development camps possible.

Thank you!

Welcome to another year gone and a step in a new direction with the ADM. This year was a year with bumps in the road and obstacles that needed to be addressed. We were able to update the the language on player movement , purchase a new trailer for player development, clean out our storage unit and transfer all our equipment ,used for camps ,so that we can have everything on hand when the camps are in full swing.

We began this year with negotiations with Becker arena products from Minnesota. In doing so we were able to ,with the assistance of Kevin Kavanaugh, secure not only a set of rink dividers to travel the state and give demos with all organizations who showed interest, but also secured advertisement with them which was a step in the right direction. We were able to take our new trailer and travel the state and reach out to 24 different venues thru out the state and display how the rink dividers can change a game and win over some people who were on the fence. Many organizations welcomed us with open arms with pizza parties, wings, lunch, dinner and warm thoughts and numerous questions. The most memorable was when my son Jake and I were able to spend the weekend in Hyde Park with the infamous ARTIE BROWN!!!!!!!! What a character and a big character with a big bark and the bite of a toothless bear. He is one of many great people I have met thru my travels and show what the meaning volunteer stands for! At the tail end of the season Ma. Hockey was able to put in place a program that would give all organizations a chance to purchase these dividers, at a reduced cost with Ma Hockey under writing a portion of these. We were able to help approx.25 programs!!!!! Un fortunately due to a Blizzard we had to cancel the Red White and blue. Next year we have new plans for this and will keep everyone posted.

In Feb. the week of the 25th we were able, with assistance of USA hockey, to get the ADM coordinators from USA to do numerous town hall meetings and canvas the areas of concerns in regards to the ADM. This was successful and a special thanks to Mike Dargin and the Boston Bruins for their generous donations of tickets, Sticks, pucks, and banners. We do and will understand the pockets of resistance in the state as many parents have differences in opinions and are all entitled to that, as we are not trying to reinvent the wheel only make it roll a bit easier in the development of our youth and build a solid foundation for these young boys and girls to succeed in the game.

With the season winding down and the demonstrations of the dividers ending, I brought the trailer back to my garage with the help of a very close friend Paul "the old man" Franceschina we put together a removable shelf system in the trailer and moved everything for the upcoming camps and the "camp" traveling road show began! This year has been truly productive and we are looking forward to the new season and the challenges it brings forth.

In closing I wish everyone a safe and happy summer! Look forward to another successful year and see everyone in the fall!!!

Best wishes, Safe Travels, and good health!

Respectfully Don Derosia ADM chairperson

MASSACHUSETTS HIGH SCHOOL HOCKEY COMMITTEE REPORT 2012-2013

Massachusetts High School Hockey came to a conclusion on Sunday, March 17, 2013 with a full day of Championship Games at the TD Garden in Boston.

The Boy's Results: Division IA – Malden Catholic 3 Austin Prep 2 *(3 peat for M.C.)*
Division I – Burlington 4 Marshfield 2 *(Repeat for Burlington)*
Division II – Wilmington 4 Franklin 0 *(Repeat for Wilmington)*
Division III – Westfield 4 Swampscott 1
Division IIIA – Agawam 3 Grafton 1

The Girl's Results: Division I – St Mary's/Lynn 2 Arlington Catholic 1
Division II – Duxbury 1 Falmouth 0 *(Repeat for Duxbury)*

Over 28,000 people attended the Championship Games

For further information on Massachusetts High School Hockey check out this web site www.masshshockey.com

The New England Prep School Tournament was completed on March 3, 2013 in Salem N.H. with the following results:

Boy's: Stuart/Corkery Division *(Open Division)* – Salisbury 4 Kent 1
Martin/Earl Division *(Large Division)* – Cushing 1 Avon 0
Piatelli/Simmons Division *(Small Division)* – Brooks 4 Kents Hill 1

Girl's: Division I – Nobles 4 Choate 0 *(Repeat for Nobles)*
Division II – Gunnery 4 Millbrook 2

For further information on New England Prep School Hockey check out this web site www.nepsac.org

Massachusetts High School Hockey Coaches Association member Paul Spear has been working with me to continue to open up communication between his group and Mass Hockey. He will be meeting with Mass Hockey Executive Director, Kevin Kavanaugh and myself, shortly on ways that both groups can help each other. Junior Hockey continues to be a problem for the high schools.

Also the Massachusetts Coaches Association is continuing to bring 2 All Star teams to Minnesota for two tournaments (Bauer/Nike), one in November & one in April. This has been a very positive move for the Mass High School Players. We are working to prevent scheduling conflicts between Mass Hockey events and these two tournaments.

Unfortunately due to the MIAA rules and spring sports it does not appear that Massachusetts will be able to participate in the USA Hockey National Championship in the near future. As I have told our group in the past Massachusetts High School Hockey is a Federation Program. The good news is that the coaches group continues discussing the possibility.

Long Range Planning Committee

Chair: Tom Troiano

Members: Keri Allan, John Bloomer, Chip Bradbury, Curt Everett, Christopher Gong, Dan Haggerty, Mark Lissner, Chris Mayer, Patrick McCarthy, Stephen Palmacci, John Slafkosky, Greg Sophis and John Tobin

The major activities of the Long Range Planning Committee (LRPC) for the 2012-2013 hockey season centered on the topics of – (1) Is the rule for out of town players working and (2) should Mass Hockey change its organization structure as we move forward.

The LRPC held several meetings during the 2012-2013 hockey season. There were 5 committee meetings and a "Town Hall" meeting on February 18th in Waltham. The Town Hall meeting was organized to discuss two topics with all Mass Hockey stakeholders: (1) what are the Goals and Objectives of Mass Hockey and (2) does the Organizational Structure need to change?

On October 23rd 2012 Tom Troiano kicked off the committee meeting by mentioning that he spoke with Keri Allan and Keri had some concerns about how the new three out of town player rule was working across the state. Tom said that Keri had specific concerns about whether districts losing players should have any vote in the roster exemption process. Currently we allow representatives from the district losing players to attend the meeting for roster exemption votes but they have no vote at the meeting. Steve Palmacci mentioned the issue in District 7 where children from open towns (towns not covered by any association) are leaving to play outside District 7. District 7 wants these players to remain in the District. Tom Troiano asked if we could encourage associations to "pick up" these open towns. It was the consensus of the group that this would be extremely difficult. The LRPC members in attendance agreed that it was not practical to give votes in roster exemption meetings to association representatives from the district where the players were leaving.

The LRPC discussed Club Representation and Mass Hockey's organizational structure. In order to intelligently discuss any potential changes to organizational structure the LRPC determined that a good set of goals and objectives should be crafted. The LRCP's initial set of goals and objectives is:

1. Democratic Representation for Town Programs on the Mass Hockey Board of Directors
    a. Perhaps Districts should be more similar in size (number of players)
    b. Should the number of District Directors be based on size (number of players)? If we agree that there will be 50 District Directors should a District with 20% of the players in Massachusetts get 10 Directors?
2. Club Representation on Board
    a. Clubs must be better represented on Board
    b. Need to determine how to best fit Clubs into structure – should we have a new district for all Clubs or should the clubs be part of existing or new Districts.
    c. Need to review section on Clubs in Mass Hockey Guide

3. Excellence in State Tournaments

   a. Improve quality of State Tournaments

   b. Make sure the Districts are designed so that fairness is improved (District don't have an advantage or disadvantage in path to State Tournament)

   c. Develop a standard for how play downs are run

   d. Communication platform

4. Provide Associations with Tools to Succeed

   a. Association Agreement (like Affiliate Agreement)

   b. Description of a non viable program

   c. Non viable programs will lose status if not viable in 24 or 36 months.

   d. Better tools to help with mergers

   e. Communication platform

5. ADM Compliance

   a. Provide better information to Associations on ADM compliance

   b. Should rules be modified?

   c. Should we be asking USA Hockey for exceptions?

The Town Hall meeting on February 18th was not well attended; however, there was clear consensus that the LRCP should examine potential alternatives to the organization structure. Four options have been proposed and they are currently being evaluated by the LRPC.

1. No changes to existing 10 "Town" Districts and Club District. Club District to elect 5 Directors. This is the status quo option.
2. Add Club Programs to existing 10 Districts based on their location with no regard to how big or small resulting Districts become. Largest District gets 5 Directors. All other Districts get weighted number of Directors. If largest District has 5,000 players then a District with 3,000 players gets 3 Directors.
3. Add Club Programs to existing 10 Districts based on their location but realign Districts so that all new Districts are within approximately 1,000 players. For example, all new Districts would have between 3,500 and 4,500 players. All Districts get 5 Directors.
4. Realign existing Districts (without Club Teams) to 8 new Districts so that all new 8 Districts are within 1,000 players. Add two new Club Districts (East and West). All Districts (including Club) get 5 Directors.

Cheever Grant Committee Report
Grant Year Ending
2013-2014

This years Cheever Grant committee members included:
Ellie Cheever (Chair), Charlie Bobbish, Karen Bobbish, Stephen Palmacci, Teri Palmacci, Keri-Ann Allan, Kevin Kavanagh, Greg Sophis, John Tobin, Carol Champagne, Bob Sweeney (Boston Bruins), Buddy LaFleur, Kathy LaFleur, Dave Moses, Mindy O'Neil, Jay O'Neil, Pat McCarthy, Doug Haskins, Deb Elek, Michelle Lissner, and Mike Dargin (Boston Bruins)

Each year the Cheever Grow Hockey Committee has a primary goal of placing funds into the hands of youth hockey organizations across Massachusetts wishing to try or implement new programs focused on program growth. *This year* we created a new multi-track grant approach designed to reward the most innovative, while continuing to fun/partially fund those replicated ideas which we have identified as being quite successful. By the December 31st, 2012, we received a total of thirty (30) "intent to submit" applications via our established on-line entry process. Twenty-five of those intents were received by the January 31st, 2013 deadline, and went on to final committee review. Of the final twenty-five grants submitted, the Cheever Grant committee voted to fund 45% of the ideas received. A total of $44,460 grant dollars were disbursed, and split among 11 awarded programs. These 11 programs represented many facets of hockey including disabled, inner-city, girls and women, as well as local town programs.

Through six years the Cheever Grant committee has reviewed over 150+ grants, and has dispersed a grand total of just over $300,000 to approximately 55 different programs in Massachusetts. Although we have seen a dramatic decrease in innovative ideas over the past 2-3 years, we continue to evaluate ways of maximizing funding across the state in a variety of different hockey program applications. Next year, the committee road map will continue to follow the two prong approach, innovative versus replicated, established this year. However, we will also plan to take a 5years retrospective review of each individual program across the State to see if we are able to identify "best demonstrated practices" of participation growth and/or retention

All of this year's award winners, and their guest(s), were treated to a special awards night at the Bruins game on March 25th, 2013. Before the game, Bob Sweeney and Tommy Songin greeted everyone in a specially arranged pre-game cocktail reception and photo shoot that was thoroughly enjoyed by all.

In closing, this year's committee has once again done a remarkable job in bringing added value to the kids of this state. The relentless effort employed by these folks has paid dividends every year. I cannot thank them enough for their efforts.

Sincerely,
Ellie Cheever
Cheever Grow Hockey Chair

COACHING EDUCATION PROGRAM
MASSACHUSETTS DISTRICT
2012 - 2013

Online Level 3 Recertification This year 957 Massachusetts coaches recertified online.

Our Level 4 was held May 17-18, 2013 at the Doubletree Hotel in Westboro with 181 coaches in attendance. (160 online and 21 off line).

Massachusetts had 6 instructors attend the Instructors Training Session in Minneapolis on July 29-31, 2012 and we are planning on attending the Instructors Training in New Jersey along with the Southeast District ad the Atlantic District in July.

We purchased 2 new laptops for the clinics to replace the 2 laptops sent back to Colorado.

The regional ADM Manager had spoken at many of our clinics and our staff filled in at the others.

Our clinics were set-up to have 60-70 or less coaches in attendance and we were able to maintain the numbers until the end of November and the December clinics when the demand to attend clinics spiked. It appears the coaches wait for the last minute to attend the clinics. We plan on adding clinics and holding attendance to 60 coaches or less in the upcoming season.

We have continued to add new speakers to our staff this year and will continue to seek out additional speakers for the upcoming season.

We have added Kip St Germain as our Associate Coach-In-Chief for the Disable.

In August we had the full 2012 clinic schedule confirmed and on the website and coaches started registering for the clinics. We are planning on doing that again this August.

I will be retiring on June 30, 2013 as Coach-In-Chief but I am confident the organization we have in place will make for a smooth transition.

SafeSport
Report to the Mass Hockey Board of Directors
June 2013

The SafeSport Program is the culmination of a 2010 US Olympic Committee study entitled "Working Group for Safe Training Environment." This study was established in response to current events with youth sports and religious organizations suggesting that physical, sexual and emotional abuse are issues that need to be addressed with the goal of PROVIDING A SAFE TRAINING ENVIRONMENT FOR YOUTH SPORTS. There should be zero tolerance for abuse and misconduct on and off the ice. There should be clear guidelines and training regarding on ice safety - including concussion training, HUDD emphasis, CPR training, and basic first aid preparedness.

Based on the results of the USOC study, the SafeSport Program was established. In January 2012, Ron Digregorio, USA Hockey President, appointed a task force to review the USOC SafeSport program and address the protection of USAH participants - both on and off the ice. That task force reported to the USA Hockey Annual meeting in June 2012 and adopted the SafeSport Policy and the USAH Safe Sport Program Handbook.

The SafeSport Program is still a work in progress!
There will meetings at the USAH meeting in early June and I will update this report at the MH Annual Meeting.

Policies Within the SafeSport Program
USA and Mass Hockey are committed to creating a safe and positive environment for their participants' physical, emotional and social development and to ensuring that they promote an environment free from abuse and misconduct.

The SafeSport Program includes policies which address types of abuse and misconduct and sets forth the boundaries for appropriate and inappropriate conduct by addressing:
- Sexual abuse
- Physical abuse
- Emotional abuse
- Bullying, Threats and Harassment
- Hazing

The POLICIES implemented to reduce the risks of potential abuse include:
- Locker Room Policy
- Social Media, Mobile, & Electronic Communications Policy
- Travel Policy - local and overnight
- Parent communication

Effective for the 2013-2014 season, USA Hockey is requiring that all participants who...

1. have direct contact to or supervision over youth participants
2. are responsible for enforcing child abuse and misconduct policies
3. are in managerial or supervisory roles
4. are volunteers or volunteers having contact with youth participants

SHALL complete appropriate training about child physical and sexual abuse and other types of misconduct.

Each local program must have its participants as noted above complete the SafeSport online training on or before Nov 30 of each playing season.

The online training will be available through the USA Hockey website at no charge by the end of June 2013. If anyone wants to take the training prior to that time, please contact me and I will give you access to current training.

Also, USA Hockey is requiring that all affiliates do nation al screening on al participants. To date, Mass Hockey has performed background checks (CORI) only on a stat wide basis. This will be a project undertaken this year.

USA Hockey is still working on it on ice SafeSPort Program. Mass Hockey has gone ahead to promote mandatory concession education for coaches, parents and players, HUDD training at every practice, first aid awareness and preparedness, and CPR training for coaches and volunteers.

Effective implementation of the SAFESPORT Program will require effort and dedication at all levels of Mass Hockey. Ensuring that all aspects of the Program - implementation and enforcement of policies, training requirements, screening requirements, responding, and reporting - are being followed, and improved, is critical to the success of the program.

The result is participant safety - which is critical to the success & well being of our youth players!

Again, this program and committee is a work in progress. Volunteers welcome!

Christine Mayer

To All Members of Mass Hockey:

From Gloria Heerman

RE: Special Events.

I would like to thank all my committee members from the Special Events Committee, Hall of Fame Committee etc. Last season we had many good times and I had wonderful volunteers to help through the season and I'd Like to say a special thanks to Kerri Allan, President of Mass Hockey for all her support with setting up the and helping me through the Special Events.

The Hall of Fame went well and we had 245 people attendance for this event and it was a wonderful time for all that participated in this yearly event. The committee was there for me and Co Chair Joanne Federico, Greg Sophis and again Kerri for the support in putting this enjoyable event together. Thank you to all, we had a wonderful evening for those who were inducted in the Hall of Fame for Mass Hockey.

Award winners were as follows:
Dr. Alan Ashare
C. Thomas Lynch
William "Bill Kipouras
Charles "Mike" Tenney
Don Whiston
Joe Ferraro
Karen Kay
Rick Middleton
Ed "Butch" Songin
Tom "Red" Martin

We are looking forward to the upcoming Hall of Fame in November of this year coming up to make it another great event. Thank you all for your help in setting up and putting lots of time in to help make this a great event.

The annual Christmas party was another good event, for those who came had a great quiet and enjoyable evening with our co-workers and friends of Mass Hockey. Our new staff member Kevin Kavanaugh, Executive Director for Mass Hockey helped us out and we truly enjoy his being here with us in Mass now. He has done a great job and we look forward to his remaining here with Mass Hockey.

The Annual Meeting at the Radisson Hotel Plymouth Harbor another great event and all enjoyed the Awards Banquet to honor people from around Mass Hockey as winners in many categories. This is always a wonderful event for all in Mass Hockey. Special thanks to Terry Palmacci for the great job done to take care of all the spouses and keep them busy, the morning breakfast that Terry does is delightful and she will be doing the job again this season. Thanks Terry you are the best.

Also Jeanne Nigro goes a day early to set up the Hospitality room for all the Mass Staff, she spends all day and evening getting things ready for pleasurable day and evening for all the our crew and they enjoy it, Jean-Ann alwalys make people happy. I'd like to say thank you to Peter Giuliano for his wonderful work setting up a wonderful buffet of Italian specialties. Can't thank you enough and all enjoyed. Thank you Peter.

All in all once again thank you all for putting your trust in me to run and oversee these events we have and great people to help me. I truly appreciate you all.

Next season should be a very special time for it is our 40th Anniversary year for Mass Hockey. Lots of Special people to attend and we the committee will make it a Night to remember. Looking forward to working with all the wonderful people we have to help. We will be starting to set the details for this 2014 Annual Meeting and Celebration..

Hope you all had fun at all these occasions and I thank you all for your support of my special events and the wonderful committees I have. I thank you all for your support in me and I look forward to Special Events. It is truly my pleasure to serve you all.

It was a great evening honoring at all events and I am looking forward to the next season as well Thank you all again.

The committee met only twice during the 2012 – 2013 season,

Several phone calls were received regarding proposed mergers of programs. One merger was presented to the Mass Hockey Directors for approval and was approved. But to date the committee has not received any other applications for merger..

The committee did receive another request for the split of the Gateway Youth Hockey from Cape Cod Canal Youth Hockey. This split was presented to the Mass Hockey Directors for their approval.

Finally, during the season several telephone phone calls were received regarding by-law questions.

Report of the Massachusetts Hockey
Medical Waiver Committee 2012-2013

The members of the Mass Hockey Medical Waiver Committee are
Dr. Alan Ashare, Chair, John Tobin, Chris Mayer, Steve Palmacci.
The Committee reviews all requests for medical waivers to play down.
Each request is handled on its own merits.

The following is the proposal related the Medical Waivers that was approved by the Mass Hockey Board of Directors at the June 2008 meeting.

Medical waivers are necessary because some players may need to play down one age level to give them a better chance to compete. Medical conditions that might indicate that a player should be allowed to play down include (but are not limited to) small stature, muscle disease, lung disease, cancer, and heart disease.
Restrictions on the waiver:

- The waiver will be for one year, but renewable.
- The waiver will allow the player to play down one level only.
- There will be no medical waivers for Division 1 (Select) players.
- There will be no waivers for Division 2 (top team in a program).
- Under some circumstances, there will be waivers for Division 3 (second team in a program).
- Waivers will be granted for Division 4 players.

Players will be allowed to play in leagues where the league supervisor and the league leadership is made aware of the waived player AND agrees with allowing the player to participate.
Waived players will be allowed to play in USA Hockey approved non-state tournaments with the approval of the tournament director.
Waived players will not be allowed to play in state tournaments going towards a national tournament.
Waived players will not be allowed to play in any state tournament going for a regional or state title.

Number of Medical Waivers requested for 2012-2013 season 62
Number of Medical Waivers denied for 2012-2013 season 0
Number of Medical Waiver requested for 2013-2014 season 27

2012-2013 38 for males, 24 for females
Females 1 to Bantams, 7 to PeeWees, 5 to Squirts, 2 to Mites,
1 to 14&U, 6 to 12&U, 2 to 10&U
Males 2 to Bantams, 17 to PeeWees, 13 to Squirts, 6 to Mites

2013-2014 20 for males, 7 for females
Females 3 to PeeWees, 1 to Squirt, 2 to Mites
Males 10 to Bantams, 8 to PeeWees, 1 to Squirt, 1 to Mites

The Release and Waiver of Liability, Assumption of Risk and Indemnity Agreement Form should be reviewed by legal counsel and risk managers to see if any changes are indicated, or if the form is even necessary.

This following is the information that the Medical Waiver Committee uses to consider a medical waiver for a player to play down.

1. name of the player
2. date of birth of the player, age of the player, and sex of the player
3. the age level at which the player should be playing
4. the age level for which the request is being made
5. height and weight of the player
6. any medical condition that might suggest that the player should be allowed to play down
7. names of the player's parents
8. addresses of the player and parents
9. e-mail addresses for the parents
10. request from the parents for the player to play down and the reason(s) for the request
11. name of the program in which the player will be playing
12. request from the program for the player to play down
13. the name of a contact person at the program including address and e-mail address

For females, it is probably better for a girl to play on a girls team, rather than playing on a boys team at a lower age level. (Girls teams do not allow body checking.)
Another possibility for girls is to play on a boys team in a non-checking program, but there are very few non-checking leagues around.

If a player does not have the skills to play in his or her age group, it may be better for that player to play in an intramural program (Division 4) program where skill and body checking may not be as important as on a Division 2 or 3 team.

At some point in time, size does matter.
If a player is too small, some people feel that it may be best for that player to play down an age group so that the other players will be the same size, and we will consider medical waivers based on this premise.
However, if players are normal size for their age group, then these players may be too large (weight and height) to play in the lower age group because there might be potential for injury to the smaller players.

To the Board of Trustees of

Massachusetts Hockey, Inc.

We have audited the financial statements of Massachusetts Hockey, Inc. for the year ended June 30, 2012, and have issued our report thereon dated February 12, 2013. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter to you dated September 18, 2012. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Massachusetts Hockey, Inc. are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during fiscal year ending June 30, 2012. We noted no transactions entered into by the Organization during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no estimates affecting the financial statements that are materially variable.

The financial statement disclosures are neutral, consistent, and clear.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated February 6, 2013.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Organization's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

This information is intended solely for the use of the Board of Trustees and management of Massachusetts Hockey, Inc. and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

QRGA, LLP

Independent Auditor's Report

2012
Audit

To the Board of Directors
Massachusetts Hockey, Inc.
Whitman, Massachusetts

We have audited the accompanying statements of financial position of Massachusetts Hockey, Inc. as of June 30, 2012 and 2011, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provided a reasonable basis for our opinion.

In our opinion, the financial statements referred to above presents fairly, in all material respects, the financial position of Massachusetts Hockey, Inc., as of June 30, 2012 and 2011, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

MASSACHUSETTS HOCKEY, INC.
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2012

NOTE 1 – NATURE OF ACTIVITIES

Massachusetts Hockey, Inc. was founded in 1973 as an affiliate of USA Hockey. Massachusetts Hockey, Inc. (Organization) is a nonprofit 501(c)(3) organization whose purpose is to foster the advancement, development and encourage participants in the sport of ice hockey within the Commonwealth of Massachusetts. The programs include both boys and girls generally within the ages of 5 to 19.

The Organization represented 10 districts and 3 specialty groups throughout the Commonwealth of Massachusetts and ran 5 programs for the fiscal year ended June 30, 2012 and 2011.

The Organization operates on an all-volunteer basis. The Organization's primary support comes from various dues and fees received from USA Hockey and participants.

NOTE 2 – SUMMARY OF SIGNIFIGANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Organization are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosure of contingent assets and liabilities, at the date of the financial statements, and the reported amounts of revenue and expense during the reporting period. Actual results could differ from the estimates.

Financial Statement Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board (FASB) in its Accounting Standards Codification (ASC) No. 958-205, *Not-for-Profit Entities Presentation of Financial Statements*. The professional literature requires the Organization to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Temporarily restricted funds relate to unexpended funds from the "Bruins License Plate" income received from the Commonwealth of Massachusetts and from the "USA Hockey Foundation", which by donor designation is to be used for specified programs. There are no funds permanently restricted.

Revenue Recognition

Revenue from programs, fundraising events, and unrestricted contributions are recognized as unrestricted revenue and net assets when earned or committed. Revenues from restricted contributions earned or unconditionally committed in the same year that the funds are used to satisfy the restriction are transferred to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Deferred revenue of $118,290 and $117,085 represents registration fees received in advance as of June 30, 2012 and 2011, respectively.

AGO

NOTE 2 – SUMMARY OF SIGNIFIGANT ACCOUNTING (continued)

Cash and Cash Equivalents and Concentration of credit and market risk

The Organization considers all highly liquid investments with a maturity of three months or less at the time of purchase to be cash equivalents. Financial instruments that potentially expose the Organization to concentrations of credit and market risk consist primarily of cash equivalents. Cash equivalents are maintained at high quality local financial institutions, which may from time-to-time exceed federally insured limits. Management believes that the Organization is not exposed to any significant credit risk on cash and cash equivalents and no losses have been incurred to date. The nature of the financial instruments precludes significant market risk.

At June 30, 2012 and 2011, the Organization had restricted cash of $288,400 and $169,302, respectively, which is restricted by the donors as to its use.

Functional Allocation of Expenses

Expenses have been charged directly to program or general and administrative categories based on specific identification. Indirect costs have been allocated among the program and the supporting services in reasonable ratios determined by management.

Income Taxes

The Organization is organized under Section 501(c)(3) of the Internal Revenue Code and is generally exempt from taxation. The Organization has adopted Topic 740, *Income Taxes*, of the FASB Accounting Standards Codification (ASC740) relating to the accounting for uncertainty in income taxes. The Organization does not believe it has done anything during the past year that would jeopardize its tax exempt status at either the state or federal level. The Organization reports its activities to the IRS in an annual information return. These filings are subject to review by the taxing authorities and the federal income tax returns for 2011, 2010 and 2009 are subject to examination by the IRS, generally for three years after they were filed.

NOTE 3 – DONATED SERVICES

The Organization receives a significant amount of donated services from unpaid members who assist the Organization's hockey program. No amounts have been recognized in the statement of activities because the criteria for recognition have not been satisfied under the accounting guidelines for measuring and reporting contributions.

NOTE 4 – RISK AND UNCERTAINTY

The game of hockey like all sports carries a certain risk of injury. By registering as a member of USA Hockey, the Organization is automatically enrolled in the USA Hockey insurance program. The general liability coverage provides Commercial General Liability Insurance with a $1.000.000 limit of coverage, per occurrence, with no general annual aggregate limit. However, there is no certainty that injuries will not occur or that coverage limits may be adequate.

NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2012

NOTE 5 - RELATED PARTIES

During the year ended June 30, 2012 and 2011, the Organization paid Board Members or members of their family for the following services provided: approximately $2,000 and $7,100 for awards, $7,300 and $9,100 for coaching expenses, and $3,800 and $4,400 for stipends, respectively.

Board members are not compensated for their services as Board members.

NOTE 6 – DISTRICT SEPARATION

On July 1, 2010, the following three programs were separated from Massachusetts Hockey, Inc.: WM Blades, 495 Stars and Selected Leagues. As part of this separation the following accounts were transferred to separated programs: $224,378 of cash accounts and $159,076 of deferred revenue. The net adjustment of $65,302 was recorded as a reduction to net assets at July 1, 2010.

NOTE 7- SUBSEQUENT EVENTS

Management has evaluated events subsequent to June 30, 2012 and through the date of this report, the date on which the financial statements were available to be issued.

AGENDA

First order of business was the 6/30/12 financial audit exit conference. We were joined by Tom Quinn and Marena Reitman, of the CPA firm of QRGA, LLP of Norwood, MA

We received an **unqualified report**, which is an audit that is reported in good standing and no material comments. This CPA firm, only a year ago could not give an opinion on our financial situation. The audit committee would like to recognize Greg Sophis for the efforts he has made with the finances of MA Hockey. As our Treasurer, Greg has been the driving force behind new policies which most notably included the consolidation of accounts. Internal controls and policies in regards to our bidding process have helped in making our financial transactions as transparent as possible. QRGA, found our records to be in good standing and easy to follow through due to this transparency. The auditors also commented on how close our fiscal year budget was to the actual expenses, again showing them that we understand and have control of our expenses. We do still have some areas to work on, most notably the timeliness of information. Those of us with financial transactions on behalf of MA Hockey need to work on getting all receipts, expense reports, and deposits to Greg and his bookkeeper more timely. A motion was made and accepted to retain QRGA for our 2013 financial audit. Once posted, our financials will be available on the Guidestar website, www.guidestar.org .

We next went through the check registers of both the Operating account and the Player Development Account. These accounts are open to the audit committed for scrutiny and explanation. There were no findings of significance and the audit team was satisfied with the backup provided. A request was made by the audit committee to have another set of eyes on the monthly bank reconciliation. It was decided that Kevin Kavanagh will be asked to review the bank rec's once a quarter

Finally, a review of 1099 policy was made and again the process was to the satisfaction of the audit committee.

Respectfully Submitted,

Dave Moses

February 7, 2013

To the Executive Board of Directors of
Massachusetts Hockey, Inc

In planning and performing our audit of the financial statements of Massachusetts Hockey, Inc. (the Organization) for the year ended June 30, 2012 in accordance with auditing standards generally accepted in the United States of America, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

However, during our audit we became aware of several matters that are opportunities for strengthening internal controls and operating efficiency. The memorandum that accompanies this letter summarizes our comments and suggestions regarding those matters. A separate letter dated February 7, 2013 contains our communication of significant deficiencies or material weaknesses in the Organization's internal control. This letter does not affect our report dated February 7, 2013, on the financial statements of Massachusetts Hockey, Inc.

We will review the status of these comments during our next audit engagement. We have already discussed many of these comments and suggestions with various Organization personnel, and we will be pleased to discuss them in further detail at your convenience, to perform any additional study of these matters, or to assist you in implementing the recommendations. Our comments are summarized as follows:

General Findings:

As is common in an organization of this size, there are a limited number of people available to truly achieve a proper segregation of duties. During the audit, we noted that the volunteer Treasurer and the hired bookkeeper constitute the chief preparers of all accounting functions. Of chief concern are: the policy, procedures and controls surrounding the safeguarding of checks; the signing of checks; the timely performance and subsequent review of monthly bank accounts; the timely bank deposits; the control of cash receipts until deposits are made in the bank; and, ensuring all such transactions are appropriately captured in the general ledger. Due to the size and staffing, alternatives are limited; we suggest the audit committee review all policy and procedures in the areas of cash receipts and disbursements now that the bookkeeper has been operating within the system. Mindful of the size and scope of the accounting function, we make two recommendations. First, you consider having wherever possible a system of direct deposits, such as from the Bruins or from USA Hockey registration; or from the districts. Second, the practice of the treasurer utilizing his credit card and being reimbursed by the organization by check should be changed. We tested several transactions and found adequate support; however, as a minimum such checks should be reviewed by another board member and signed when they are satisfied as to the support.

While conducting our audit, there were no personnel files for currently hired employee. Maintaining current personnel files is an important internal control. Complete and current personnel files should be established and maintained for each employee. Files should include the following information:

- Job description for the position
- Job application and/or resume

- Offer of employment
- IRS Form I-9 (Employment eligibility verification) – Required by law
- IRS Form W-4 (Employee's withholding allowance certificate)- Required by law
- Forms relating to employee benefits (ie. Vacation, SEP enrollment)
- Form providing next of kin and emergency contact
- Reference checks and responses
- Management authorization of all personnel changes

As a result of our audit procedures in the cash disbursements area, we noted for a few disbursements supporting documentation was missing although the nature, timing, and amounts appeared normal. Checks in excess of de minimis amounts should not be cut without adequate support.

We noted that bank reconciliation are often a month to two months behind in reconciliation. Further there is no evidence such reconciliations when performed are being reviewed. We recommend timely bank reconciliation should be prepared and reviewed by the Treasurer or the Board. A similar recommendation was made in the previous audit.

While conducting the audit of cash we noted Massachusetts Hockey, Inc. had cash on deposit in excess of the federally insured limit in a financial institution. This presents a potential for losses to Massachusetts Hockey, Inc. in the event of bank or institutional failure. We strongly suggest that management closely monitor cash balances and transfer excess balances to other banks, where possible, to reduce the potential for loss of monetary amounts in excess of the federally insured level.

While conducting cash disbursements testing, we noted that many checks were missing and some written out of sequence. Cash disbursements control procedures should be designed to be practicable and to provide reasonable assurance that no unauthorized payments are made, all liabilities are timely paid, and payments are accurately recorded. These controls include accounting for the sequential ordering of checks as they are released for use, prior to preparation. We recommend that strict numerical control be kept over all checks issued and that checks be issued in sequence as much as possible. A similar recommendation was made in the previous audit.

During our search for unrecorded liabilities, we noted that the Organization does not record payables in the proper period. Proper cutoffs are critical for the accuracy of the accrual basis of accounting. We suggest that Treasurer prepare written instructions to be included as a part of the Organization accounting policies and procedures manual that indicates basic concepts of proper cutoffs and the individuals responsible for accruing payables at the year end. A similar recommendation was made in the previous audit.

During our audit procedures, we noted that the Organization does not allocate Revenues in the proper period. Proper revenue cutoffs are critical for the accuracy of the accrual basis of accounting. We suggest that Treasurer prepare written instructions to be included as a part of the Organization accounting policies and procedures manual that indicates basic concepts of proper cutoffs and the individuals responsible for deferring revenues at year end. A similar recommendation was made in the previous audit.

Based upon our audit procedures it was disclosed that no review of the quarterly payroll reports (Form 941) is being done by the Treasurer/ Board Member. In order to provide greater control over this area, we suggest that a review of the quarterly payroll reports (Form 941) be done either by the Treasurer or Board Member. We also suggest that documentation of the review of these reports be made on the reports and maintained.

During our audit procedures, we noted that the Organization is covered under USA Hockey umbrella for its insurance needs, however, we recommend Massachusetts Hockey, Inc. to obtain additional coverage (rider for Officer and Director, E&O insurance that would cover over the $200,000 which is provided by USA coverage).

During our audit, we noticed that one donation came from the Board member soliciting the funds on behalf of Massachusetts Hockey, Inc. without prior approval of the Treasurer or the Board. We recommend for the Organization to institute additional procedures to control solicitation of funds requests. As a result of our audit procedures and discussion with the Treasurer, we noted that some of the internal control procedures included in Accounting Manual had unreal expectations. Per Greg Sophis, Treasurer, unreal timing expectations related to same date deposits of the funds were not utilized by the Organization. We suggest for Organization review and update Accounting Manual to reflect more reasonable expectations.

Management letters are intended to be critical of accounting processes or internal control features that do not provide adequate safeguards for a company's assets, or they address areas that could be operationally more efficient. We made numerous suggestions for improvement in last year's management letter. However, we would like to use this letter for an additional purpose and congratulate you on the significant accomplishments made in the last year. While there is still room for improvement, as the above comments indicate, substantial progress has been made and we commend you for it.

We would like to thank Treasurer of Massachusetts Hockey, Inc. for his support and assistance during our audit. We appreciate the opportunity to continue to be of service to Massachusetts Hockey, Inc.

This report is intended solely for the information and use of management, of Massachusetts Hockey, Inc. and others within the Organization and is not intended to be and should not be used by anyone other than these specified parties.

CORI ANNUAL REPORT/2012-2013 SEASON/INTRODUCTION PAGE 1

This report covers the 2012/2013 season, the first using the new screening system set up by the state in May, 2012. While the process works well and is easy to use, our use of same is still a work in progress and will continue to be so. There are many variables that make it impossible to draw conclusions about the comprehensiveness of our screening efforts. The numbers reported below do not necessarily reflect whether a good or bad job is being done in our screening to protect our members. That being said, it is important to continue this work as we have a legal obligation to screen because we/our programs deal with youth participants. We never thought we would have a system that had 100% coverage but this needs to be kept in the forefront of all we do. I am not recommending any program suspensions for non compliance at the present time.

I would like to thank Carol Champagne again for all her efforts over the years in executing the screening program as she steps down from her position as Secretary this season. She spent more hours than anyone knows on this and has the boxes of paperwork to prove it. We have not had any committee meetings during the season as I tried to get a handle on the new state system. I would very much like to plan a committee meeting with the newly appointed committee sometime in the early fall to review where we stand and how we coordinate and work with the Safe Sport initiative.
