

CONGRATULATIONS to our very own former Dodge County Wildcats now Lindenwood Lions, **Emily Gunderson** & **Darby Dodds** for their team's 5-3 victory over WCHA St. Cloud State University.

As part of the IIHF World Girls' Ice Hockey Weekend, nearly 50 Wildcat youth and high school players, parents and fans attended the October 11th game at the Herb Brooks National Hockey Center in St. Cloud to enjoy some great hockey and cheer on the former Wildcats.

As freshmen, both Gunderson and Dodds made the line-up with Gunderson receiving her first collegiate points for the season. The team will once again be back in Minnesota in late October as they take on the UMD Bulldogs.

The event brought a great sense of inspiration for young players, celebration for the more experienced players, and pride to Wildcat Hockey as a whole.
