**HISTORY OF
RINCON VALLEY LITTLE LEAGUE
1959 – 2014
Our 55TH Year**

In 1959, the youth of Rincon Valley did not have a baseball field or a league of their own. A team was formed, named the Rincon Rascals, and for an entire season they traveled back and forth to El Verano to compete in the Valley of the Moon League.

The youth of Rincon Valley were so eager to play the game of baseball that the parent realized that something had to be done about finding a field and starting a league of their own.

In the Fall of 1959, a group of fathers headed up by Gordon Currie, Jerry Robinson, Bob Finnichio, Bob Taylor and Butch Rodgers set out to get the ball rolling.

A site near Montecito Shopping Center was finally found and leased for an amount that even a fledgling league could afford. Landlord Hugh Coddling, and later Ernie Thomas, generously leased the land to Rincon Valley Little League for One Dollar per year. The building of Coddling Park near the corner of Montecito Blvd and Benicia Dr. was underway. Construction of the field continued through the winter of 1959 through the spring of 1960.

In May of 1960 Rincon Valley Little League was born. RVLL opened their 1960 season with Four Major Teams and Four Minor Team with 120 enthusiastic Little Leaguers happy to have a place of their own. In 1961 the Peanuts Division and the Senior Division was added.

Natural growth of the valley and the love of the game by so many, we soon had outgrown Coddling Park. In 1968, a new facility was developed with the help of the Sonoma County Water Agency; the Sonoma County board of Supervisors and thousands of man-hours of hundreds of volunteers opened the facility we know today as the Rincon Valley Little League Park.

Today we have over 800 players amongst 68 teams, chartered in 7 divisions, playing on 5 fields. In this, our 55th year, RVLL is larger than ever and our facility, though always a work in progress, has and will continue to serve us well, so long as we our good stewards and continue to strive to make sure we leave it better for future generations than when we found it.

So many people, so many projects and so many resources have been responsible for the continued growth and improvement of RVLL Park and our Little League Charter we stand in amazement and look to our park as The Best Little League Park in Northern California.

Enjoy your time at RVLL. It will bring you and your family years of unforgettable memories. From 5 year old T-Ball players to 16 year old Senior Division players, it is our hope you join us in our endeavor to keep this park, a safe and happy place for all who come to watch and play.

Rincon Valley Little League
2014 Board of Directors

Meet Our President

He was born on November 11, 1966, **Bradley Steven Cannon**, the 5th of 7 children born to Billy-Bob and Shirley Cannon in Los Angeles, CA. Brad is a fraternal twin with his younger brother of seven minutes, Brent. Brad grew up in Eureka and graduated from Eureka High School in 1984 (Go Loggers!). Being born on Veterans Day it was only natural that he joined the service. Brad enlisted in the Air Force where he served as a Fire Protection Specialist from 1987 – 1991 and was Honorably Discharged as a Staff Sergeant.

In 1999 Brad and Lisa were married and soon Brady and Bryce were added to make the family of four complete. Both boys have played at RVLL since 2006 and continue to play this year (Brady in Junior's and Bryce in Major's Division).

Brad has served on the Board of Directors since 2006 as a member at large, then Peanuts Commissioner, 3 years on Fields and Facilities and now President. Brad has been instrumental in the beautification efforts at RVLL and was Project Coordinator for the 2007 Snack Shack Attack, which completely re-sided, painted and upgraded our snack bar structure. In 2010 he spearheaded the Memorial Wall project and created the Memorial Brick Program. 2011 he took on the Creeks and Culvert Project that now allows cars safe passage into the parking lot even in the wettest of conditions.

Brad has a long-term vision for RVLL and our Park and this vision is beginning to take shape. RVLL is truly one of the best Little League Charters in Northern California and in large part, thanks to Brad.

Brad could not do it alone. He relies on many who put in countless hours to make RVLL work for over 800 players on 68 teams in 8 Divisions across 5 Baseball Fields in what is without a doubt the Gem of League, our Park. Helping Brad make it all happen are:

RVLL Board of Directors

Shawn Bunyard – Vice President / Co-Commissioner, T-Ball Division
Joe Ruppe – Signs & Sponsors / Co-Commissioner, T-Ball Division
Sean Parsons – Corporate Sponsors / Fundraising
Ben Sturtavant- Treasurer

President's Message

It is my honor to be presiding as President and welcome everyone to Rincon Valley Little League's 2014 season. This season we celebrate with Little League International in their 75th Anniversary. From the very first game played back in 1939 to today where Little League can be found in more than 80 countries worldwide with more than 2.4 million children participating each year.

RVLL is proud of our own history in providing quality baseball to Rincon Valley families for a respective 55 years! As with any volunteer organization we are only as strong our volunteers. RVLL has a board of directors of 25 members who work tirelessly along with many other volunteers to get the job done. I salute the efforts of all our volunteers and appreciate all that they do.

This year we have added many new improvements to our already great league to include: a new website, online registration, a newly formed Booster Committee, new team pictures company and products, wooden treat coins, our very own apparel sales, new landscape company with improved turf management practices for better grass and playability, Halo pitching helmets, multi-use field improvements with a new scoreboard, a Hit-A-Thon fundraiser, hosting of District 35 All-Star tournaments and last but not least our "Opening & Family Barbecue Days" are going to be through the roof!

I look forward to a successful season and wish the very best for all our players and families.

Sincerely,

Brad Cannon
RVLL President

What's Cooking at the RVLL Snack Shack in 2014!

RVLL is going green! To start there will be recycling containers throughout the park. We will be composting food scraps, paper waste etc. Lastly we have new **reusable soda cups** that are \$25 initial purchase but let you buy refills for only 50¢ all season long!

The snack shack will have fresh hot popcorn with our new commercial popcorn maker!

We also will have oven baked pizza, quesadillas and all of the other ballpark staples.

We have a new "**Specials**" board that we will feature delicious specials on throughout the season.

Teen hiring info: All teens are coordinated by Rachel Kaufman, our teen coordinator. Please do not contact teens directly to cover your shifts. Please email Rachel at rvllsnackshack@gmail.com or you can text to 707-536-3970. Please do not call, just due to the sheer volume of kids we have playing ball this year at RVLL (over 800!)

Safety on the Baseball Fields

My name is Jeff May and I am currently serving on the Board of Directors as the League Safety Officer. Having worked in healthcare for the past 27 years as a hospital administrator and paramedic, I will be working with the RVLL Board of Directors in helping to ensure the safety of all our little leaguers and fans both on and off the baseball fields.

While little league baseball remains relatively safe compared with many different sports, here at Rincon Valley we take the safety of the players seriously and have worked very hard this year to minimize player injuries. A recent research study identified that 65% of all baseball injuries are from the impact of a baseball. One step RVLL has taken to minimize this risk is to provide pitchers with head protection using the new Halo head impact device. The Halo, by Unequal Technologies, is a military grade composite fortified with Accelleron and Kevlar that fits inside the player's hat. Despite being only 3mm thick, the Halo is capable of reducing the impact of a baseball hitting the pitcher's head up to 66% percent. More information can be found at www.unequal.com

Another safety device I recommend is the use of protective apparel such as the EvoShield.

Endorsed by the MLB, independent ballistic laboratories have tested this device as being able to stop a 97 mph fastball and reduces back face deformation by over 69%. Available with both chest/rib protection and optional kidney protection, this protective apparel will help to protect your child's heart in case of impact. More information is available at www.evoshield.com

In the event of a ball player or visitor suffers from a sudden cardiac event, Rincon Valley Little League is one of very few little leagues that have an Automatic External Defibrillator (or AED)

on site at the ball fields. Research has shown that chances for survival decrease 7% per minute but combined with CPR the use of an AED survival rates increase to over 75%. Trained lay first responders such as team coaches and Board Members have been specifically trained in using the AED and CPR.

If you have any questions regarding baseball safety or have any suggestions on how we can improve safety at RVLL, please feel free to contact me.

RVLL Has Stepped Up to the Plate!

Our Information & Technology Officer, Nathan Quarles is bringing RVLL into the 21st Century with exciting new tools that will keep you IN THE GAME!

FIRST – our website has been completely renovated with a whole new look and feel. Check us out at www.RVLL.net and we would like to thank Teresa Karg at Sonoma Foto & Design for her fantastic work on our new site.

SECOND – We are in the process of converting our league to be scored using the **GAME CHANGER** app. Game Changer allows for your Family and Friends to follow the game even when you cannot be at the game. Coaches can track stats, tendencies, spray charts and much more. Look for announcements integrating GAME CHANGER on our website.

THIRD - League One by Active Networks. We went online with our registration process and data management this year. Allowing parents to register their children online, accept payments and donations through our online system made it possible to more effectively control our league which this year has **more than 800 players**.

Using League One's online schedules and standings coupled with Game Changer scoring RVLL will soon be able to score, update and post results immediately after each game. Follow the action live or go back and review results – play by play, pitch by pitch, it's all at your fingertips (or will be soon) Go to RVLL.net to learn more

WELCOME TO RINCON VALLEY LITTLE LEAGUE

Rincon Valley Little League
OPENING DAY MAY 25, 1963

RINCON VALLEY LITTLE LEAGUE (RVLL) WAS FORMED IN 1959 WITH FEWER THAN 100 KIDS PLAYING ON TWO FIELDS BEHIND THE MONTECITO SHOPPING CENTER. THE LAND WAS (AND STILL MAY BE) OWNED BY ERNIE THOMAS. RVLL IS A CALIFORNIA 501C NON-PROFIT ORGANIZATION AND IS CHARTERED BY LITTLE LEAGUE INTERNATIONAL. RVLL MOVED TO IT'S CURRENT LOCATION, OWNED BY SONOMA COUNTY WATER AGENCY, IN THE MID 1960s, AT WHICH TIME THERE WERE OVER 500 PLAYERS. TODAY RVLL HAS CLOSE TO 800 PLAYERS WITH FIVE FIELDS OF PLAY FROM T-BALL DIVISION THROUGH SENIOR DIVISION (60-90).
