

Anthony Ford Fund - Donate to the Cause

The Anthony Ford Committee is committed to helping find a cure for childhood leukemia and to help young hockey players realize their own dreams. Our core purpose is to raise funds for pediatric cancer research and to help make hockey affordable for youth hockey players.

The Anthony Ford Committee raises money for the Anthony Ford Fund primarily through two events, the annual silent auction and the annual outdoor pond hockey classic. Funds raised at these events provide research resources to the Therapeutic Advances in Childhood Leukemia.

The Anthony Ford Fund also provides resources for youth scholarships for disadvantaged kids through United Way's Connecting Kids program. We are also earmarking reserves for future hockey programs and equipment. Our long-term goal is to one day participate in building an ice arena for youth hockey.

The Anthony Ford Fund is a division of the Mankato Area Hockey Association which is a tax exempt organization under Internal Revenue Code §501(c)(3). As such, donations to the Anthony Ford Fund are deductible for income tax purposes under Internal Revenue Code §170.
