

CYHA Cleaning Schedule 2023-2024

Hello Chippewa Youth Hockey and Figure Skating Parents,

Below is this year's cleaning schedule. When it is your week to clean you are responsible for **BOTH RINKS**. The CYHA Board has approved the hiring out of a cleaning company for after all Chi-Hi Boys games and all Steel games. So, if you're cleaning during a week with Chi-Hi Boys or Steel games, you do not have to worry about the South Rink. When the high school girls play, you are responsible for cleaning after those games. In addition to the cleaning company, the Chippewa Steel Hockey team is volunteering to clean the rinks on Thursdays when they are in town. There are cleaning check lists in each rink's cleaning supply rooms.

Remember, our rinks are run by volunteers. Please take pride in your rinks and help out over and above your scheduled cleaning weeks. If you see a mess, clean it up. If a garbage is full, take it out. In addition, if needed please assist in shoveling out entrances and sidewalks of the buildings.

Thank you!
