Bruce Kruger Award Winners

In 2006 the Metro Hockey League began the “Made it Happen” award to recognize the enormous contributions of people who are not coaches, such as association Jr. Gold Directors and tournament directors. These are the local folks who work tirelessly behind the scenes to organize, recruit, expand, register and even “nurse” the teams in their associations.

In 2017 the Metro Hockey League renamed this Award the “Bruce Kruger Award” after Bruce’s untimely passing. Bruce was a founding father of the Metro Hockey League and remained active as its Treasurer along with countless other things he did to improve this league before he passed. His dedication, passion and selfless service embodies the very reason this award was created.

It is they who have “Made It Happen.”

The Game Reschedule page is located on the home page of the JGHSL web site.

2. GAME CANCELLATIONS DUE TO UNAVOIDABLE CIRCUMSTANCES (examples include inclement weather and arena closures)

These games must be rescheduled within 48 hours of the cancellation; otherwise a rescheduling fee of \$100.00 will be assessed against each team. If the coaches cannot agree to a rescheduled date, the MN Hockey District(s) involved with resolve the dispute.

3. GAMES NOT PLAYED FOR OTHER REASONS

- A. Shall pay the entire cost of the ice and of the on-ice officials
- B. Shall reschedule the game pursuant to the Junior Gold High School League’s reschedule procedure

If the coaches concerned cannot agree to a rescheduled date, the MN Hockey District(s) involved will resolve the dispute.

A. Team Participation

The purpose of the play down is to determine which teams will advance to the MN Hockey State Tournament. Teams are seeded in the play downs according to their final league standings.

B. Teams Tied For Position

League standings shall be determined based on the MN Hockey standings policy. Refer to MN Hockey Youth Playing Rules. In the event that the tied teams played an unequal number of games, the formula results from the MN Hockey Rules must be normalized for a common number of games. Where the goal differential is used in breaking ties, the maximum differential allowed per game is six goals. In calculating goals scored, the figure shall be reduced for the winning team if necessary to obtain the six-goal maximum differential per game.

XII. PLAY DOWN TOURNAMENT FORMAT

A. The play down format (number of games, single or double elimination, and consolation bracket) must be determined by the JGHSL Board as soon as possible after the number of teams participating has been determined. The format does not necessarily have to determine a final standing of the teams; it may be used in some cases to determine teams, which will participate in the MN Hockey State Tournament.

B. If ice is available and by agreement of the League Board, the final rounds of the play downs can be conducted using three (3) fifteen-minute stop time periods. Whenever a team has a six (6) goal margin in the third period, the game will be played in running time format.

C. Breaking of ties

In case of a tie at the end of the regulation playing time in play down games, the teams shall not change goals and sudden victory overtime play shall ensue using: Minnesota Hockey Handbook, Youth Rules and Regulations

D. The highest seeded team is the home team and wears light jerseys.

XIII. PLAYDOWN ADMINISTRATION

The JGHSL Board Chair is the director of JGHSL play down tournaments and he may delegate other Board members to supervise the tournament to ensure that they are in accordance with JGHSL format and staffing requirements.

Problems should be handled through the normal chain to the respective District Director.

A. Tournament Director Duties are as follows:

XIV.JR. GOLD A, B AND 16 TEAM SELECTION POLICY

The local hockey association is in the best position to determine the levels of fielding their Jr. Gold A, Jr. Gold B and Jr. Gold 16 teams based on the number of players, age and skill of the players in this group. The goal of all must be to encourage the continued participation in hockey for those who are not participating in the high school program. The following are criteria for making those decisions.

A. Every Association should strive to have a Jr. Gold “A” team.

- Some Associations will need to play at the “B” level because of numbers, increasing/decreasing, but their goal should be to field an “A” team.
- Associations are encouraged to field a Jr. Gold “A” and Jr. Gold “B” vs. two Jr. Gold “B” teams and no “A” team.
- Fielding two Jr. Gold A teams is not recommended—Jr. Gold A should be the association’s most competitive team.

B. Teams should be selected in the following order, with the objective of placing all eligible players on a team.

- Jr. Gold A
- Jr. Gold B
- Jr. Gold 16

C. Associations with multiple Jr. Gold “B” teams must have these teams selected equally.

D. Associations with multiple Jr. Gold “16” teams must have these teams selected equally.

Bruce Kruger Memorial

Bruce Kruger, age 76, passed away unexpectedly at home in Plymouth, MN on November 2, 2016. Bruce was instrumental in the creation of the Metro Hockey and was a significant leader in making the league as great as it is today. As the League Treasurer, Bruce provided leadership and guidance that will be greatly missed.

Bruce loved his family and friends, the outdoors, travel, history, music, photography, and the sport of ice hockey. He grew up in Faribault, MN where he met his life-long sweetheart, Patricia Kruger. He then attended Harvard University and the University of Minnesota Law School. Bruce worked as an attorney in private practice for many years in both Duluth and Minneapolis, MN, and then went on to work as a Probate Referee for Hennepin County for nearly two decades. Bruce's passion was helping and connecting with people, and he fondly collected life-long friends.

He enjoyed a good argument and had a dry sense of humor.

He was fair, firm and always kind. Bruce's passion, next to his children and grandchildren, was making the sport of ice hockey better, and he channeled this energy into volunteering for Minnesota's Metro Hockey League and serving as Risk Manager for USA Hockey for many years. On an ideal day, you might have found Bruce with his family or friends in the North Woods of Wisconsin at the cabin enjoying conversation, fishing, or boating. Bruce is survived by life-long love and wife of 54 years, Patricia Kruger; his three children and many grandchildren and great-grandchild.
