

**Cypress Youth Baseball  
Pool Player Request Form**

To reduce the likelihood of possible game forfeitures, CYB allows a team manager to request one or more pool players from the Division immediately below, if the team will have **9 or fewer** players available to play. **Complete this form if in order to request that your child be approved as an official "Pool Player" for the 2024 Season.**

I, the undersigned parent of Cypress Youth Baseball player \_\_\_\_\_  
print child's first and last name

request that my child be considered as a pool player for the \_\_\_\_\_  
division above your current level

division for the 2024 season. If approved by my team manager and Division commissioner, I

understand that the following guidelines apply to pool player participation:

**If contacted, Pool players may not accept an invitation to play if it will result in a conflict with a scheduled game for that player's regular team.**

- Pool players must only play outfield positions and bat at the end of the line-up after all regular members of the team.
- Pool players must play the minimum number of defensive innings required
- My team manager and the Division Commissioner must both must support this request under the premise that my child is able to demonstrate sufficient baseball skills to participate at the level indicated above.
- Pool players that accept an invited to play and arrive for a game, **must** be allowed to participate in the game even if the requesting team subsequently has 10 or more players arrive for the game.
