Season begins 4th-8th grade August 1st

- Practice 4 times a week for the first 3 weeks due to heat acclimation, then can adjust to 3 times per week typically on M/T/TH, Wednesday is also open, but church starts when school starts

Season begins 1st-3rd grade August 8th

- 3rd, practice 4 times a week for the first 2 weeks due to heat acclimation, then can adjust to 3 times per week typically on M/T/TH, I would not practice more than 3 times a week after heat acclimation
- 1st-2nd, M/W practices/games with some games also on Saturday typically in the am. Please do not practice on Tuesday or Thursday unless weather forces a M/W cancellation. Quite a few kids play soccer potentially baseball as well on Tuesday/Thursday. Once the season is going strong, practice on Monday, games on Wednesday, or vice versa.

First Games grades 3-8 weekend of August 20-21

- Some organizations might not be ready and will start weekend of August 27-28
- That can affect some of our teams if they were scheduled to play week 1

CGMS Reserved 8/1-10/27

- High school has the two west football/soccer fields (grades 5/6) reserved till 6:30, but they never use it until that time. Just FYI if teams show up and a soccer game is finishing. Just practice to the side.
