

Keystone Little League Sponsorship Agreement

Keystone Little League shares a proud heritage of partnering with local businesses in the support of our baseball and softball programs. The success of Keystone Little League baseball and softball programs depend on the contributions of our sponsors and volunteers. Through sponsorship opportunities local businesses can advertise their product and service offerings directly to our baseball and softball community. Since Keystone Little League baseball and softball programs are managed by a dedicated team of volunteers this means 100% of the monies raised through our sponsorships go directly to purchase equipment, facility maintenance, uniforms and programs which support continuous player’s skill development while focusing on values such as; teamwork sportsmanship, fair play, respect and leadership.
