

AAU LACROSSE

Program Overview

The AAU Lacrosse program offers opportunities for athletes 18 years of age and younger, in all skill levels, to compete in tournaments, leagues, and National Championships throughout the country.

Why Play AAU Lacrosse?

Cost— Lower Fees allows for more opportunities to play Lacrosse.

Control— Event operators maintain control of their events. Create Leagues in your area.

Grassroots—Building from the bottom up. AAU is a grassroots organization that supports and empowers you at the local level. Our mission is to grow sport by creating more competition opportunities.

Start a League

The AAU makes it easy to start a program. One 'League Fee' covers all the games during the dates you establish for your League. Establish your season and set your event dates. Then have each participant go online to join the AAU. That one time low 'League Fee' will allow you to obtain third party certificates for the facilities where you hold your events. The AAU will assist in sending email blasts promoting your events to AAU Members in your League. You will have the support of the National AAU Staff to help make your League a success. The AAU looks forward to helping you grow AAU Lacrosse.
