

RED/BLACK SPRING HIGH SCHOOL PROSPECT'S LEAGUE

The Minnesota Magicians and Exceed Hockey are excited to announce the **expansion** of the *Red/Black High School Prospect's League*.

The Highly successful league for high school aged players will now be offered in the **spring and fall with 2 separate divisions**. The RBEMHL (Red Black East Metro Hockey League) will be played at East metro rinks, while the RBSMHL (Red Black South Metro Hockey League) will be played at South metro rinks.

The League is designed to prepare high school athletes for the season with high tempo, skill-based games. It uses modified checking rules to decrease the chance of injury during the heavy training times leading up to the high school season.

Last fall, 180 prospects from 43 different Minnesota high schools competed in the league.

Tryouts will be held **March 9th** at Bielenberg Ice Arena in Woodbury for RBEMHL players, and Richfield Ice Arena for RBSMHL players. Richfield also serves as home to the North American Hockey League's (NAHL) Minnesota Magicians franchise.

Athletes in grades 9-12 who plan on playing high school hockey during the 2015-2016 season will be eligible to participate. Games will begin April 10th after spring breaks conclude. The Championship will take place on May 31st with the champions of the East taking on the champions from the South for the Top Hat!
