Chapter 15 Game Protocol

15.1 BEHAVIOR OF COACH

Prior to the start of a game, each coach shall introduce himself to the referee and introduce or indicate his respective assistant coach, if any. Coaches may issue positive verbal instructions to their players on the field of play, but only to the point of not being disruptive to the game. This does not mean that the coaches in the younger age groups cannot position their players and issue tactical instructions. The older age players will require fewer instructions as their knowledge of the game increases. The referee will be sole judge of when a coach uses negative or derogatory statements, which in his judgment will bring the game into disrepute, and only positive or supportive comments will be allowed. Coaches must not allow any parent or spectator to do any coaching during the game and will be responsible for their conduct.

15.2 BEHAVIOR OF PARENTS AND SPECTATORS

Coaches shall be responsible for the behavior of the spectators and be advised to refrain from using abusive or offensive language, contesting

referee decisions or otherwise displaying displeasure with respect to actions on the field and to caution spectators regarding such behavior. Unsportsman-like conduct will result in penalties and possible abandonment of the game. Coaches are subject to be cautioned or ejected by the referee. When a coach is ejected for any reason, he must leave the vicinity of the game and will not be allowed at his/her team's next game.

15.3 CHOICE OF SIDELINES & COLOR CONFLICT

Spectators and fans of both teams will occupy one sideline with players on the other. With the exception of a parent tending to an injured child, spectators, fans, and siblings are not allowed on the players' sideline nor are they allowed to sit behind either endline. Home team is listed first on the schedule and must change jerseys in case of color conflict.

15.4 FIVE (5) FOOT TOUCHLINE RULE

All persons attending a game, including coaches, shall remain at least five (5) from the respective touchline. All persons not on the field of play shall remain in the area extending, in case of U-6, U-7, U-8, U-9 and U-10 League play, twenty-five (25) yards on either side of the midfield line.

15.5 PAID COACHES NOT PERMITTED

TSA will provide flags for all fields.

Chapter 16 Protests

16.1 GENERAL PROTEST RULES

All protests must be filed in writing within forty-eight (48) hours, exclusive of Sundays, after the incident, with the Registrar. A \$50.00 protest fee must be made at the time the protest is filed. The protesting coach must clearly indicate in writing that he/she is protesting, not merely making a complaint or suggestion to bring about some rule changes. Should the protest be upheld, the disputed game will be replayed in a fashion prescribed by the A&D Committee. And the protest fee shall be returned by the Registrar.

16.2 PROTESTING A JUDGMENT CALL

Protests based on judgment calls made by the referee will not be entertained, as judgment calls cannot be reversed. The only two acceptable reasons for protesting a game after it has been played are:

1. A team knowingly playing an unregistered, ineligible or suspended player; or
2. There were obvious errors made in the application of the Laws of the game that directly affected the outcome of the match, and the referee admits it.

A game cannot be protested because a player, team, coach, parent, or fan thinks the referee was incompetent. Complaints should be directed to the Tyler Referees' Association or the State Referee Committee.

16.3 CONFLICTS OF INTEREST

16.3.1 DEFINITION

A conflict of interest exists when a referee or lineman (or their spouse) is related to the coach, assistant coach or player on a team participating in a game he/she is to officiate.

16.3.2 PROCEDURE WHEN CONFLICT EXISTS

The referee assignor should maintain a current list of all conflicts of officials. However, an occasional conflict of interest may arise due to an oversight, an incomplete list or scheduling of games. If after arriving at a game an official or coach realizes that a conflict of interest exists, he/she should notify the referee who will call both coaches together to inform them of the conflict. If both coaches agree to play the game using the official(s) assigned, or using a fewer number of officials, then the outcome will be final. If one of the coaches cannot accept the official because of the conflict of interest, then an attempt should be made to substitute that official with another official of equal or similar qualifications, if one is available in the immediate area. If no alternate official is available, then the game will be rescheduled at the earliest possible date. Both coaches will sign the official's card on which has been noted "Abandoned Conflict of Interest."

16.3.3 PROCEDURE WHEN CONFLICT DISCOVERED POST-GAME

Should a conflict of interest involving an official become known within seven (7) days of the completion of the game, either coach or assistant coach of the opposing teams may petition the A&D Committee to replay the game. The petition must be delivered to the Registrar within seven (7) days, exclusive of

Sunday, of the date the game was played. No fee will be required to accompany the petition.

16.3.4 REPLAYING GAME WHILE COACH SUSPENDED

Should the game be replayed before game suspension resulting from caution points or ejections received by a coach has been served, the A&D Committee must decide if the coach can attend the game. The facts and circumstances surrounding the suspension should be weighed and reviewed to make the determination. The suspension cannot be abated; only postponed to the next scheduled game. In no event will a player's suspension be postponed.

16.3.5 CONFLICT OF INTEREST WITH COORDINATOR

Should a scheduler need to schedule a game which is a makeup game for a scheduled season game or a postseason game for a play-off challenge, or regulation and a conflict of interest exists with regard to the coordinator, the scheduler will notify both coaches that a conflict of interest exists before a game is scheduled. If both coaches agree to play the game as scheduled, the outcome of the game will be final. If either coach or assistant coach cannot accept the proposed schedule because of conflict of interest, the coordinator will schedule the game for the earliest possible time for which officials will be available.

16.3.6 CONFLICT OF INTEREST WITH COORDINATOR DISCOVERED POST-GAME

Should a conflict of interest involving the coordinator, or an alternate, become known within seven (7) days of the completion of the game, either coach of the opposing teams may petition the A&D Committee to replay the game. The petition must be delivered to the Registrar within seven (7) days, exclusive of Sundays, of the date of the game. No fee will be required to accompany the petition. Should the game be replayed before game suspension resulting from caution points or ejections received by a coach has been served, the A&D Committee must decide if the coach can attend the game. The facts and circumstances surrounding the suspension should be weighed and reviewed to make the determination. The suspension cannot be abated; only postponed to the next scheduled game. In no event will a player's suspension be postponed.

Chapter 26 Tournament of Champions

The first place team in the first division will go to the Tournament of Champions as long as no challenges are presented. If there is only one division in a league, no

challenges will be permitted. If a challenge is requested and the teams involved played head to head during the season, the results of that game will count for the challenge game. If they did not play head to head during the season, the challenge game time and date will be set by the Scheduler and Coordinator. The challenge game must be requested no longer than three (3) days after the end of the season. After league/division standings have been determined for the Fall Season, the first place team of the lowest division may challenge the first place team of the next higher division until Division I is reached. ALL MEMBER ASSOCIATIONS ARE CHARGED WITH THE RESPONSIBILITY OF SEEING THAT "CHAPTER 3 – DISCIPLINE" OF NORTH TEXAS STATE SOCCER ASSOCIATION PLAYER RULES IS DISTRIBUTED TO EVERY YOUTH AND SENIOR PLAYER, EVERY COACH, TEAM MANAGER, LEAGUE ADMINISTRATOR AND REFEREE. IT IS INTENDED THAT EACH PLAYER WILL MAKE KNOWN THESE CONTENTS TO HIS OR HER PARENTS AND SPECTATORS. In the event a team registered with two different associations (i.e. Tyler Soccer Association and their home association) qualifies for the Tournament of Champions representing both associations, the qualifying team shall represent their home association in the Tournament of Champions and the team registered with the TSA and placing second in their division will represent TSA in the Tournament of Champions.

Article IV

NTSSA CODE OF ETHICS/CONDUCT

This code of ethics has been developed to clarify and distinguish approved and accepted professional, ethical, and moral behavior from that which is detrimental to the development of the sport of soccer. (The term "Coach" shall include, but is not limited to Head Coach, Assistant Coach(s), Manager/Trainer and/or Team Representative.)

Section 1

RESPONSIBILITIES TO PLAYERS

- A. The coach must never place the value of winning over the safety and welfare of players. Winning should be the result of preparation and discipline with emphasis placed on the highest ideals and character traits.
- B. Coaches shall instruct players to play within the written laws of the game and within the spirit of the game at all times.
- C. Coaches shall not seek unfair advantage by teaching deliberate unsportsmanlike behavior to players.
- D. Coaches should not tolerate inappropriate behavior from players regardless of the situation.
- E. Demands on players' time should never be so extensive as to interfere with academic goals and progress. Motivation for excellence should include academics as well as athletics.
- F. Coaches must never encourage players to violate **NTSSA** recruitment, eligibility, or guest player rules and policies.
- G. Under no circumstances should coaches authorize or encourage the use of medicinal or performance enhancing drugs, or supplements of any kind whether legal or illegal, prescription, or over-the-counter. Medication and supplementation of any kind should be the responsibility of the parents and/or legal guardian. Players should be directed to seek proper medical attention for injuries and to follow the physician's instructions regarding treatment and recovery. At no time should a player be put at risk by returning from injury prematurely or by being forced to play while injured.
- H. A coach's dealings with players and parents must be upfront, honest, and forthright. Coaches must always be honest and refrain from misrepresentations to players and parents.

Section 2

RESPONSIBILITY TO NTSSA AND MEMBER ASSOCIATIONS

- A. Adherence to all **NTSSA** and Member Association rules and policies, especially those regarding eligibility, team formation, recruiting, and guest players are mandatory and should never be violated. It is the responsibility of every coach to know and understand these rules.

B. Player development and the growth of the player through participation is essential to the growth of the sport. Additionally, the coach must behave in such a manner that the principles, integrity, and dignity of the sport are maintained.

C. Any problems that cannot be resolved between coaches should be referred to the appropriate **NTSSA** Commissioner, Member Association, or League Commissioner immediately.

D. A coach's dealings with NTSSA and Member Associations (including playing leagues) must be upfront, honest, and forthright. Coaches must always be honest and refrain from misrepresentations to NTSSA and Member Associations (including playing leagues).

Section 3

RESPONSIBILITY TO THE LAWS OF THE GAME

A. Coaches should be thoroughly acquainted with and demonstrate a working knowledge of the laws of the game of soccer. Coaches are also responsible to ensure that their players understand the intent as well as the application of the laws.

B. Coaches must adhere to the letter and spirit of the laws of the game. Those coaches who circumvent the rules to gain advantage have no place in soccer.

C. Coaches are responsible for their players' actions on the field and must not permit them to perform with the intent of causing injury to opposing players.

D. If coaches permit, encourage, or condone performance that is not in the letter or spirit of the laws, they are derelict in their responsibility to players, Member Associations, NTSSA and the sport worldwide. The coach must strive constantly to teach good sporting behavior.

Section 4

RESPONSIBILITY TO OFFICIALS

A. Officials must have the support of coaches, players and spectators. Criticism of officials undermines their purpose in the game. Coaches must always refrain from criticizing officials in the presence of players.

B. Coaches should strive to develop a line of communication with officials, giving each an opportunity to better understand the problems relating to their specific area. This section shall not be taken as an encouragement to debate referee decisions during the match.

C. On game day, officials should be treated with respect before, during, and after the game. Officials should be addressed as "Referee" or "Mr./Ms. Referee" and not by name. Professional respect should be mutual and there should be no

demeaning dialogue or gesture between official, coach, or player. Coaches must not incite players or spectators or attempt to disrupt the flow of play.

D. Comments regarding an official should be made in writing to the appropriate organization assigning the official.

Section 5

RESPONSIBILITIES REGARDING SCOUTING AND RECRUITING

A. It is unethical to scout any team, by any means whatsoever, except in regularly scheduled games. The use of videotape or motion picture equipment to scout an opponent's regularly scheduled games for the purpose of recruiting is unethical.

B. All NTSSA rules pertaining to recruiting shall be strictly observed by the coach, manager, or any team representative.

C. It is unethical to recruit player(s) actively playing for another team.

D. It is unethical for a player to be recruited or enticed from the Olympic Development Program (ODP) setting, either by his ODP coach or any other coach, manager, parent or team representative.

E. When discussing the advantages of his organization, the coach has an ethical obligation to be forthright and refrain from making derogatory remarks regarding other coaches, teams, and organizations.

F. It is unethical for any coach to make a statement to a prospective athlete which cannot be fulfilled; illegal to promise any kind of compensation or inducement for play; and immoral to deliver same.

G. Allegations of illegal or unethical recruiting are very serious and should be based on concrete facts rather than hearsay and innuendo. While documentation of recruiting violations is essential, the use of videotape and other electronic equipment is discouraged.

Section 6

RESPONSIBILITY OF PUBLIC RELATIONS

A. Coaches have a responsibility to promote the game of soccer to the public. Comments and critiques of governing bodies, teams, coaches, players, parents, or the media should be positive and constructive, never prejudicial or inflammatory.

B. When asked to give a recommendation concerning team, camp, coach or organization, it is in the best interest of all concerned if no less than three referrals are given in order to provide a professional unbiased source of information.

- C. Coaches have the responsibility to assist their players in conducting themselves properly when in public while representing their team, Member Association, and NTSSA.
- D. Publicly predicting a win is folly and serves no useful place in a coach's public image.
- E. Comments stressing injuries, team, personnel conflicts, or disciplinary problems as an excuse for a loss or unsuccessful endeavor are detrimental and should be avoided.
- F. It is unethical for a coach to solicit alumni, parents, booster club or managers to pressure organizations, Member Associations or NTSSA to alter established rules. The coach must not attempt to influence these organizations in political or financial dealings outside the framework of their own rules and bylaws.
- G. The media should be allowed access to the players for comment. Players should be instructed in how to conduct themselves during an interview.

Section 7

GAME DAY AND OTHER RESPONSIBILITIES

- A. A coach's behavior must be such as to bring credit to himself, his organization, and the sport of soccer. This is never more evident than on the day of the contest.
- B. Rival coaches should meet prior to the game and exchange friendly or professional greetings. While the concept of rivalry is wholly embraced, it cannot take precedence over exemplary professional conduct.
- C. During play, coaches have a responsibility to be as inconspicuous as possible. Coaches shall exhibit a respectful attitude towards players. The coach must confine him/herself to the coaching area. The attitude of the coach towards officials, spectators, opposing players and coaches should be controlled and undemonstrative.
- D. It shall be unethical for a coach to have any verbal altercation with an opposing coach or bench during the game. Hostile physical contact with a player is considered highly unethical.
- E. The coach's foremost post-game responsibility is his/her team.
- F. Coaches should use their influence on unfriendly spectators that demonstrate intimidating behavior towards officials and opposing teams.

G. Coaches must act in a professional manner at all times when in the presence of players, whether at games, practices, or in any other setting. A coach demonstrating behavior that could be considered by a reasonable person to be irrational, inappropriate, or unbecoming an adult will not be tolerated. Examples of such behavior include, but are not limited to, the following:

Lewd gestures or remarks
Overly critical remarks
Ranting and raving
Snide or demeaning remarks
Threatening behavior or remarks
Physical confrontations
Temper outbursts

Section 8 ETHICS COMMITTEE

All Member Associations are directed to form their own ethics committee and to hold hearings--WITH THE PARTIES HAVING THE RIGHT TO BE PRESENT--on alleged violations of the Code of Ethics when properly submitted.

Section 9 NTSSA PARENT'S CODE OF CONDUCT

- A. Children have more need for example than for criticism.
- B. Attempt to relieve the pressure of the competition, not increase it. A child is easily affected by outside influences.
- C. Be kind to your child's coach and officials. The coach is a volunteer, giving of personal time and money to provide a recreational activity for your child.
- D. The opponents are necessary friends; without them your child could not participate.
- E. Applaud good plays by your team and by members of the opposing team.
- F. Do not openly question an official's judgment and honesty. Officials are symbols of fair play, integrity and sportsmanship.
- G. Accept the results of each game. Encourage your child to be gracious in victory, and to turn defeat into victory by working towards improvement.
- H. Remember your child is involved in organized sports for their enjoyment, NOT YOURS!
- I. Encourage your child to always play by the rules.

J. Teach your child that honest effort is as important as victory so that the result of each game is accepted without undue disappointment.

K. Remember that your child learns by example. Children mimic what their parents say. Criticism of the coach, officials, teammates, and/or opponents fosters bad attitudes and can only lead to a negative experience for your child.

L. Parents should remember that a coach has an entire team of players to consider when making decisions regarding position, playing time, substitutions, and strategy. The team does not revolve around one player.

Section 10

M. I furthermore understand that I may be disciplined, to include being placed on probation, suspended, or refused referee registration for significant or repetitive breaches of this Code of Conduct or any of its articles or provisions.

Section 13

NTSSA CODE OF ETHICS FOR EXECUTIVE COMMITTEE, STATE COMMITTEE MEMBERS AND MEMBER ASSOCIATION ADMINISTRATORS

- A. None of us arrives at any administrative level, volunteer or not, without spending some “grass roots” time somewhere. We are appointed or elected to our positions because enough people had confidence in us, appreciation for what we had done in the past and assurance that we could lead them in a positive, productive future. This responsibility of accepting such a challenge, especially in a volunteer capacity, must have some guidelines.
- B. It is important to remember that as board members we are very high profile. It is equally important that we remember that we are primarily a service organization and that we treat fellow volunteers as partners with a common goal--the organization, development and promotion of soccer. We should maintain high standards and serve by example.
- C. Have respect for the game, players, officials, parents, coaches, member association volunteers and fellow board members and deal with them in a patient, courteous and consistent manner.
- D. Criticism channeled through the proper quarter should be educational, constructive, balanced and positive. Under no circumstances should it be demeaning or detrimental to the self-respect of the individuals involved.
- E. Administrators should be informed and available. As facilitators they should know the right questions, have the ability to elicit the right answers and foster creativity with accountability within their committee or area.
- F. Regarding committeemen and other volunteers: they should be praised for time spent and jobs well done; their suggestions welcomed, evaluated and conclusions communicated to them. Abilities should be recognized and encouraged.
- G. Above all: courtesy, self-control and loyalty. We are role models for the youngest players to the newest association. Our responsibility is to serve them well as we work toward our common goal.

APPENDIX ONE

TSA Weather & Lightning Policy

The safety of the players, parents, coaches, and referees is the number one priority for TSA and shall be the main reason for making decisions about suspension of play. The board member on duty is responsible for monitoring weather conditions while working their shift. The board member on duty should monitor lightning and extreme weather to make a judgment call of what actions should be taken. Field conditions shall be monitored by the second vice president (fields). He or she shall make a judgment call to allow play, suspend, or cancel games based on the City of Tyler's recommendations and field conditions. If field or weather conditions are determined to be unsuitable or too dangerous for play, it is the responsibility of the board member on duty and/or the second vice president to cancel or delay games and to notify the participants at the fields of what actions they should take. Notification shall take place by sounding the air horns and/or the use of the loud speaker. He or she will then contact the third vice president (web site) to update the web site and the coordinators to notify the teams. The following guidelines should be used to determine if play should be cancelled or delayed:

Field Conditions

The Second vice president of fields shall assess the field conditions for standing water or mud. Judgment should be made taking into consideration the field conditions, time of season, and field grass conditions (seeding/time of year) regardless of current weather conditions.

Dangerous Weather

The use of a lightning detector, phone apps, and any other weather monitoring devices should be used along with monitoring the actual visual and sound conditions at location to determine distance of lighting and other extreme weather.

- a. Generally accepted protocol for suspension of play is any lightning within 10 miles. Thunder is audible to about 10 miles. If using flash to bang anything under 30 seconds requires immediate evacuation (flash to bang distance is 1 mile for every 5 seconds. 30 seconds would only be 6 miles). **If lightning is within five miles, with or without hearing thunder, the game(s) should be suspended and shelter sought.**
- b. In the event of evacuation, all participants should retreat to their vehicles until notified of an all clear.
- c. Generally accepted protocol is to wait 30 minutes after the last lightning strike that is accompanied by thunder.
- d. The referee will have priority to call/postpone games based on field conditions while a game is in progress.

Notice

These are only guidelines and some exceptions to them will occur. The second vice president and/or the board member on duty shall make the final decision on game play. **Protecting the safety of all participants should be the number one priority.**
