WE SUPPLY THE NAME, YOU SUPPLY THE GAME!

## NCAA Official Visit

No earlier than the Thursday following the NCAA Division I Women's Basketball Championship game of the PSAs junior year in high school.

WHAT is an Official Visit?

According to the NCAA, an official visit is when a prospective student-athlete visits a college campus paid for by the school. This includes travel / transportation to and from the school, room, meals, and entertainment expenses (three admissions to a home game). However, the school is not allowed to pay for your parent's visit too. All expenses are for the student-athlete. PSAs are only allowed to take five official visits total to different colleges. It is also very important that you have taken your (TEST) and complete your online registration at:

## Healthy and Ready...

The entire North Tartan staff has been working for months to set up the 2015 season. Gyms have been rented, contracts have been signed, uniforms have been ordered, tournaments have been paid for, hotels have been reserved, and the list goes on and on. The best part is there is an irreplaceable energy that continues throughout emails, tweets, phone calls and personal contact. Everyone is revving up for North Tartan 2015!

One of the most exciting changes that happened in the off-season was the enhancement in our web provider. Our [www.norhtartan.com](http://www.norhtartan.com) site is now a tool that will be depended upon to inform athletes and families of pertinent North Tartan news, practice schedules, tournament information, and travel accommodations. Along with up to date information will be added to our site and you will be able to access it from any of your hand held devices.

As the last few weeks wind down please make sure you have
