WYHA is a 501(c) Non-profit organization that provides ice hockey instruction and league play in the Cedar Valley. This program is designed to help young individuals develop as athletes, leaders, and members of the community through a competitive hockey program that emphasizes excellence, commitment, discipline, teamwork, and sportsmanship. Our goal is to have every participant, whether it is a coach, player, or parent have the opportunity to improve their knowledge of the game of hockey and still experience the enjoyment the game provides.

Through the support of community businesses, friends and family, the Association is better able to provide good, clean, competitive interaction for the sport and the youth on our teams and for those that visit for local tournaments with their families from outside of the Cedar Valley.

We sincerely hope you will participate in our Sponsorship Program by completing the section below. Your support is greatly appreciated.
