

Thank You For Supporting Forest Lake Ranger Baseball

Mission Statement

The "Dugout Club" has a goal of enhancing the overall baseball experience for players, parents, and fans – now and in the future.

Support

Forest Lake Ranger Baseball has been a source of community pride for many years. A winning tradition, loyal fans and one of the best high school baseball fields in the state makes the game day experience second to none. To maintain this experience, we need support for uniforms, equipment, field upgrades, etc. We have a variety of options to provide financial support to the program and gain visibility for your business. General donations are always appreciated as well. The players and coaches appreciate your support.

Ranger Success

Coach Gravelle is in his 5th year as the head coach, and has been a part of the program for the last 14 years. Those years have produced 5 State Tournament appearances, 5 Conference Titles, and numerous college players. Ranger Baseball will continue to strive for excellence on and off the field. Coaches and players will be committed to academics, teamwork, citizenship and consistent effort.
