Camper's & Parents,

Our main focus at the OSA will be skill development and overall improvement in basic fundamentals in session 1-6. Our Monday through Thursday sessions will be spent developing footwork, ball handling, shooting, and perimeter and post breakdown moves. On Fridays we will combine groups then put our individual development work into live game & competitive type situations There will be no contests or awards given out at this camp. The emphasis is on player development!!!

**NEW THIS SUMMER:** will be two specialized sessions (7 & 8) for our high school athletes with an emphasis on perimeter and post development and the inclusion of a 1 on 1 and 3 on 3 league *if numbers allow*. Players may sign-up for both sessions regardless of their "position."

In order to give each camper a personalized experience we will limit the number of campers per session to 15 for grades 4-8 (sessions 1-6). It will be on a first come—first serve basis. If a session fills up you will have the option of joining a different session or have your money returned.

It is possible to sign-up for two sessions as well. If your son wants to do a combination of two different days/times please make note of that when you send in your registration. As an FYI...calls will be made in mid-June to verify sessions and times.

Once again this summer your son can sign-up for a two or three week session. If your son wants to participate for three weeks the cost will be \$75 dollars per session. If he can only be there for two of the three weeks the cost is \$50 dollars. If your son plans on doing the two week option please make note which of the two weeks he will be in attendance. A one week option will not be available.

Thanks and I am looking forward to working with your son this summer!

Coach Williams
