- 3.2 **Meeting Location** - Each team must attend via a conference call for their respective division and region meeting at a time specified for each division and region. Please see the table at the end of this document for each team's regional assignment Tournament.
- 3.3 Teams in each division/region will meet as follows:

North/Central – Division I	2:30pm
North/Central - Division II	3:15pm
South/Central – Division I	1:00pm
South/Central – Division II	1:45pm

- 3.4.1 The OSLA Commissioner shall issue a conference call dial-in number and participant pass code for all divisions/regions. Participants may only use the conference dial-in number during their appointed time.
- 3.4.2 All participants must have a valid, accessible email account and active cell phone number posted to the OSLA web site.
- 3.4.3 Roll call will be taken at the start of each session and those not on the dial in for the roll call will be considered absent.

4.0 Rankings/Seeding

- 4.1 Schools/teams will be ranked and seeded using LaxPower (www.laxpower.com) as the sole ranking/seeding mechanism of schools/teams within each Division/Region. The column/rating labeled as “**Reg In**” is the rating used to seed teams as of **9:00 am** of the date of the seeding.
- 4.2 Each school/team is responsible for assuring the accuracy of LaxPower results throughout the season. All changes to LaxPower information needs to be finalized and updated in LaxPower prior to the day of the seeding meeting.
- 4.3 In the event of a tie in the LaxPower rankings, the following tie-breaker methods will be used to determine the higher seed.
- 4.3.1 Head to head competition- - the winning team in head to head competition will become the higher seeded team. If the teams did not play each other during the regular season or had an even record in head to head competition, move to tie breaker 4.3.2.

OHIO SCHOOLGIRLS LACROSSE ASSOCIATION (OSLA) 2016 Girls Tournament Regulations

4.3.2 A coin flip shall determine the higher seeded team.

5.0 **Bracket Placement** – After teams are seeded in LaxPower, placement of the teams on the brackets shall occur during the mandatory Bracket Placement meeting. The method for placement of teams on the bracket will be as follows:

- 5.1 Teams will choose their spot on the bracket based upon their seed/ranking.
- 5.2 The top line of each bracket/pairing is always designated as the Home Team and the second line is the Visitor. Home Team responsibilities are detailed in Section 7.0 of these Tournament Regulations
- 5.3 Team 1 (highest seed) will choose their spot on the bracket or they may “pass.”
- 5.4 If Team 1 places their name on the bracket or passes, move to Team 2.
- 5.5 Team 2 will have the choice to place their name on the bracket or “pass.”
- 5.6 Once a team chooses their place on the bracket, the round will restart with the highest seeded team yet to choose their bracket spot.
- 5.7 This process will continue until all teams have been placed in the bracket.
- 5.8 In the event no representative is in attendance from the school/team, the OSLA Commissioner or OSLA Representative shall place the team on the open line of the bracket after all other teams present have been placed on the bracket. If more than one team/school fails to have a representative present, the OSLA Commissioner or OSLA Representative shall place the teams on open lines of the bracket according to alphabetical order (A-Z). In odd-numbered years, teams will be placed on the bracket in open slots starting at line number 1 and working down the bracket to the last line. In even-numbered years, teams will be placed on the bracket in open slots starting at the bottom of the bracket and working up the bracket to line number 1.

6.0 **Tournament Sites –**

- 6.1 Tournament Rounds 1 through 3 and the Regional Finals will be played at the home site of the team placed on the top line of the bracket. These games will be played at the time and on the date as adopted by the OSLA. If the site of the team on the top line of the bracket is not available at that time/date then the team on the top line of the bracket shall obtain a neutral site. If a neutral site is not available the game will be played at the opponent’s field. If the proposed school does not wish to host the game based on the financial regulations, the OSLA commissioner’s office will assign the game to the opponent’s site or a neutral site. The OSLA commissioner’s office has the right to change the host site if a site has been negligent with their tournament financial reporting in the past.

OHIO SCHOOLGIRLS LACROSSE ASSOCIATION (OSLA) 2016 Girls Tournament Regulations

- 6.2 The OSLA Commissioner will select the sites for the State Semi-Finals, and the State Finals. The site of all tournament games will be based upon the best site available and, when feasible, in a general area between the two schools. The State Semi-Finals and State Finals will be played in Central Ohio.
- 6.3 The Commissioner retains the authority to assign any tournament game to the home site of a competing team, but, except for State Final games, consideration is given to a site not used as a home site by either team during the regular season.
- 7.0 **Home Team** - All brackets shall designate date and time of game. The first-named team (top line of bracket) in each game is always designated as the **Home Team**. The second team named (bottom line of bracket) in each game is always designated as the **Visiting Team**.
- 7.1 Clarification – The seeding process determines the order of choice for the bracket placement process, but does NOT necessarily determine the contest location. Home field is determined solely by the team’s position in the TOP slot of the bracket structure in each round.
- EXCEPTION:** For the state semifinals and finals, the team with the highest seed from the seeding meeting within its region will be considered the home team. If two teams have the same seed from their respective region, in even numbered years, the team from the South/Central region will be considered the home team and in odd numbered years, the team from the North/Central region will be considered the home team.
- 7.2 The state semi-final and final games in Division I and II shall be played at neutral sites to be determined.
- 7.3 Visiting Teams shall wear contrasting dark colored uniforms. Teams that are unable to comply with the above must notify their opponent to coordinate necessary adjustments before the day of the game. If both teams have uniform shirts of the same or similar color, the home team shall be obligated to change or wear numbered pinnies or vests of a contrasting color.
- 7.4 The Home Team as designed on the bracket shall also be the **Tournament Game Manager** until the Semi-Finals. The **Tournament Game Manager** shall be responsible for all contest arrangements, except the selection of contest officials. Please review the **Tournament Game Manager** duties in Section 8.0 of this document.
- 7.5 Home team shall confer with the opposing team and establish a start time, if different from Standard, after considering all known factors (i.e. school dismissal times, travel distance/time, etc.). In the event the two teams cannot agree on the start time, the standard, published start time shall prevail.
- 7.6 Home team shall report the game results on the OSLA Commission via email upon the conclusion of the game, but not later than 8:00am the day following the contest. It is also necessary to e-mail/call the Commissioner **and** the local assignor for officials regarding postponed contests.

- 9.0 **Failure to Appear** - If a team fails to appear or is not ready to play within 30 minutes of the scheduled starting time of a tournament game, the space on the bracket may be declared vacant. A "no contest" will be declared, and the opposing team will advance into the next round of competition. Teams will be permitted to take the field for this warm-up no sooner than 45 minutes prior to the contest start time, provided the field is available. Any activity performed on the contest field by a team constitutes part of the warm-up. Any pre-game inspections/meetings performed by the game officials should take place during this 30-minute warm-up period.

11.2 Tie Break Procedures

11.2.1 When the score is tied at the end of regular playing time for a **OSLA Tournament**, both teams will have a 5-minute rest and toss a coin (visiting captain calls) for choice of ends. The alternate possession shall continue from regulation. The game will be restarted by a center draw. The winner will be decided by “sudden victory.” The team scoring the first goal wins the game. The overtime period will be six minutes in length of stop-clock time (clock stops on every whistle). The clock will be stopped after 3 minutes of play in order for teams to change ends with no delay for coaching. No substitutions may occur at this time. The game will be restarted by a center draw

11.2.2 If the teams are still tied after six minutes, the teams will have a 3-minute rest and change ends. Substitutions may occur at this time. Play will continue with “sudden victory” stop-clock overtime periods of six minutes in length (two 3-minute halves) with 3 minutes in between and change of ends until a winning goal is scored. OSLA tournament games cannot end in a tie.

11.3 Interrupted Tournament Games

11.3.1 When a girls’ lacrosse tournament game is interrupted for any reason, the game shall be resumed from the point of interruption. The OSLA, in collaboration the OSLA Board, and the Tournament Game Manager, may delay or reschedule a lacrosse tournament game provided it is **practical** to delay or reschedule such a game. Notwithstanding the foregoing, Regional Finals, State Semi-Finals, and State Finals cannot be delayed, relocated or rescheduled except for events beyond the control of the responsible administrative authority (e.g., mechanical failure or weather). Requests for adjustments to game starts times will be considered, if practical and the host site, as well as both teams involved in the game, can accommodate such a change. All decisions relative to this regulation shall be made by the OSLA Commissioner.

OHIO SCHOOLGIRLS LACROSSE ASSOCIATION (OSLA) 2016 Girls Tournament Regulations

- 11.3.2 Once an OSLA Tournament contest is 80% complete (40 minutes have been played) it will be considered an official contest. While all reasonable efforts should be made to complete the contest on the scheduled date, the on-site officials and the host school administrator will have the authority to suspend or postpone play. If the contest officials and host school administrator determine play cannot resume by no later than 9:30 pm, the contest will either be declared official or suspended.
- 11.3.3 If a contest has not reached 80% complete or is tied, and it is determined that play will not be able to continue on the current day, it shall be declared suspended.
- 11.3.4 Both schools and officials must agree on rescheduled contests. Rain dates are on the official OSLA Tournament Schedule. OSLA tournament contests take precedence over regular season contests. The Commissioner and official's assignor will assist in the rescheduling if necessary.

12.0 Admission and Admission Policies -

- 12.1 Tickets for admission will be used and provided to each person paying an admission charge. Tickets will be issued and torn with half provided to the spectator and the other half kept for auditing purposes. The Host site must supply its own tickets for all OSLA Tournament games.

OHIO SCHOOLGIRLS LACROSSE ASSOCIATION (OSLA) 2016 Girls Tournament Regulations

- 13.1.3 All Host site expenses are paid in a lump sum, excluding the game fees for officials and, if any, officials travel expenses. The lump sum is based on the admissions collected per game as defined in the table below:

Admissions (tickets sold)	Round 1-3	Regional Final	State-Semi Final	State Final
< = 50	\$ 225	\$ 425	\$ 625	\$1,000
