

## 12U ROSEVILLE WHITE

### GOALS & EXPECTATIONS

- Have fun!!
- Work hard at practices & listen to your coaches. Be respectful to your coaches, the umps, and the other team & their fans.
- Be on time!! Get to practice on time & preferably 5 minutes early so you are ready to go at the beginning of practice. Throwing is one of the most important skills in the game. If you regularly miss throwing at the beginning of practice, you're not going to see the improvement & arm strength you'd otherwise see.
- Lisa Palermo (Logan's mom) has offered to be our team manager. Thanks, Lisa!!! She'll reach out if she needs help with anything during the season.
- Communication!! Let me know as early as possible if your daughter is not going to be at practice or a game, or if you know she'll be late.
- All practices & games will eventually be on our team page on the tri-county website. What is the preferred method of me/Lisa communicating updated info re: games/practices to everyone? E-mail? Text?
- Playing time: I'm going to do my best to make playing time as close to equal as possible. Girls who regularly miss practices and/or are regularly late for practice may sit on the bench more than the girls who are at practice regularly.
- I want to give the girls opportunities. If you want to play a position that I don't think is a good fit (for example, you want to play third base, but you can't throw the ball all the way from third to first), I'll talk to you about what you need to work on to play that position. If I put you in to pitch, and you have a hard time throwing strikes, I'll tell you to work on it at home, and we can try again in a couple of weeks, if you think you're ready.
- Who would like to help coach? We can get 3-4 coaching t-shirts. Need sizes.
- Tournaments: Weekends of May 30 & June 13
- Team bonding activities: U of M softball game next weekend. Other ideas?
