Discussion came up if P&P should be reviewed but as of now HDC is not in favor of moving kids up and would use that as last resort with no other options.

- Puck Shooting – Discussion around the puck shooting came up again and Brent is looking at web options again to get tracking going and promote it.
- Shooting Area – Updates were asked on the shooting area. BCA board has developed potential plan to finish second sheet shell and shooting area starting in July. That is focus to get done at this time.
