

How to update contact information on your team page.

1. Log into your Sport Ngin account.
2. Go to your team page on the NYBA website.
3. Make sure the switch in the upper right corner is set to Edit mode. If you do not see this switch, then you do not have rights to the page and cannot edit the content.

4. Click the 'edit' icon on the Contact page element

5. Replace 'First' and 'Last' with your first and last name. Please add at least an email address and phone number.

6. Click 'Save Changes' when finished.
