ERYHA Membership Registration Fee (Based on USA Hockey Age-Levels)

While Elk River Youth Hockey Association (ERYHA) has not increased any of the membership fees this year, it has changed its approach to now charge its **Registration Fees** based on age-specific participation levels. Skaters at every USA Hockey Participation Level (U8, U10, U12, U14) will pay different fees given the different participation-level guidelines. During the online checkout process at registration, parents will be presented with the option to either pay in full or to pay using an 8-installment payment plan with the **first-two payments due at checkout** and **6-additional scheduled payments due on the 1st of every month from August to January**. This new approach allows parents to optionally spread the overall costs of hockey throughout the season.

ERYHA Preseason & Tryout Fee (Based on Tryout Option selected)

During registration, you will be prompted to opt-in or out of certain tryout. You will be asked to select the starting tryout level (A, B) at which your skater will want to tryout. This fee accounts for the ice time costs provided during the tryout phases.

ERYHA Team Fees (Based on Rostered Team)

Upon team formation, and depending on the team level a player is rostered to (A,B,C), a skater may need to pay an additional ice fee accounting for the difference in ice-time cost that that level is allocated. During the online checkout process, parents will be presented with the option to either pay in full or to pay using a 4 month payment plan charged on the 15th of every month.

Fundraising Refundable Deposit

In order to offset the costs of hockey, Elk River Youth Hockey runs an annual mandatory fundraising initiative. Each player must sell 6 \$25 calendars which include raffle tickets. Each family must submit a postdated check for \$150 dollars.

Volunteering Refundable Deposit

As part of managing the operations side of our association, Elk River Youth Hockey counts on having volunteers involved in our hockey operations. Each family must submit a postdated check for \$500 which is returned or destroyed is a family's volunteer hours are completed.
