

## **S.A.A. SOFTBALL CALL-UP SHEET**

All managers **MUST** complete this form and return to your League Commissioner by May 1st. Please select 3-4 players from your team that you feel would be able to compete at the next level in case there is a need for call-ups from that level. It is important that you check with the girl's parent(s) prior to listing them as call-ups.

Nobody is allowed to call-up players except the commissioner from the league needing the call-up (ie., Intermediate commissioner calls up from the Junior league call-up list).

Place a check mark in the parent approved section. If this is not checked, the player will not be called up during the season.
