Fox Valley Hurricanes Amateur Hockey Association

Club Policies for All Players / Coaches / Parents

INTRODUCTION

This outline sets forth the basic policies of the Fox Valley Hurricanes Amateur Hockey Association (FVHAHA) concerning all participants in the organization. The fundamental goal underlying these policies is to give the best possible experience to the greatest number of children. While we hope that our teams will win their share of games, it is more important that the children have fun, develop hockey skills and learn the rewards of teamwork, dedicated effort and sportsmanship. This outline is a compilation of FVHAHA policies. Anyone with questions about these policies should contact a Fox Valley Hurricanes Amateur Hockey Association Board Member.

PLAYER CONDUCT

Players are expected to conduct themselves in a respectful and responsible manner at both home and away games, all tournaments and any team related functions. Any conduct deemed to not be in the best interest of youth hockey, will be viewed as a violation of the player code of conduct by FVHAHA.

On the Ice – Unsportsmanlike conduct (i.e. trash talking; swearing; disrespecting the referees, opposing team or your own teammates) or the intent to injure another player (kicking, slashing, checking from behind, high sticking, etc.) will not be tolerated. Any violation of the FVHAHA Zero Tolerance Policy will be strictly enforced (see below for minimum sentencing).

Off the Ice – In the locker rooms, corridors, lobbies, parking lots and elsewhere, you are a representative of your team and the Fox Valley Hurricanes Amateur Hockey Association. Players are expected to show the highest level of respect for their teammates, officials, opponents and spectators. This means no bullying, no teasing, no trash talking, no hand gestures, no demeaning locker room antics, no swearing, no hazing, no locker boxing and no fighting. At hockey games and practices, all coaches will be addressed as “coach”, “sir/ma’am” or the term “coach” preceding their first/last name (i.e. Coach John). Coaches are never to be addressed by their first name only. Coaches and league officials also command the respect of all players, regardless of team or level affiliation and will be treated as such. Under no circumstances will a player display disrespect of a verbal or physical nature towards a coach or league official when said coach or official gives a player verbal direction regarding inappropriate behavior.

Reporting – Reporting of violations can come from players, coaches, parents, and referees, league officials or FVHAHA Board Members. All reporting must follow the guidelines set forth by the Fox Valley Hurricanes Amateur Hockey Association.

Disciplinary Action – Any player exhibiting behavior described above or in violation of the FVHAHA Zero Tolerance Policy will be required to appear with his/her parents before the Fox Valley Hurricanes Amateur Hockey Association Rules & Ethics Committee (HREC). The HREC will examine the reported infraction/complaint and may assess sanctions against the player in the form of a “Three Strikes and You’re Out” policy outlined below:

Every player will be allowed a maximum of three (3) strikes. Each instance of behavior that is deemed to have violated the above code will result in at least one (1) strike. It is possible to earn all three (3) strikes for a single infraction. Player and parents will be notified in writing of any strikes assessed by the Chairman of the HREC.

- 1. Strike One – Minimum One week (minimum one game) suspension***
- 2. Strike Two – Minimum Two week (minimum two game) suspension***
- 3. Strike Three – Suspension for the balance of the regular season or expulsion from the Fox Valley Hurricanes Amateur Hockey Association***

Any violation of the Zero Tolerance Policy will result in an immediate minimum three (3) game suspension

FOX VALLEY HURRICANES AMATEUR HOCKEY ASSOCIATION

Appeals – Appeals may be made to a joint committee of no less than three (3) members of the Executive Committee and/or the General Membership, assembled on an ad-hoc basis by the President of FVHAHA.

Disciplinary Carry Over – Any disciplinary action taken by the HREC that remains unserved at the end of a season will carry over to the following season, whether it is Spring or Fall/Winter. If the suspended party chooses not to return to the Fox Valley Hurricanes Amateur Hockey Association and play elsewhere, the notice of suspension will be forwarded to AHAI and the new organization will be notified of the time remaining on the disciplinary action. It is up to said new organization to take enforcement and/or uphold the sanctions levied by FVHAHA. Should a player move to another organization and NOT serve said suspension, and returns to the Fox Valley Hurricanes at a later date, the pending, unserved suspension will be re-instituted and must be served in its entirety before resuming playing privileges.

COACHES CONDUCT

As a coach in the Fox Valley Hurricanes Amateur Hockey Association (FVHAHA) you are obligated to fulfill certain requirements mandated by the Amateur Athletic Union (AAU), AAU Hockey Illinois, Chicago United Hockey League (CUHL) and FVHAHA. As a Head Coach in the FVHAHA you will report directly to the Director of Hockey, FVHAHA. Assistant Coaches will report directly to the Head Coach and therefore fall under the direct supervision of the Director of Hockey, FVHAHA. Any conduct deemed to not be in the best interest of youth hockey, will be viewed as a violation of the Coaches Code of Conduct by FVHAHA.

Coaches are role models on and off the ice and are expected to exhibit quality leadership and enthusiastic behavior. Coaches will refrain from all forms of tobacco use within the arenas, and avoid alcohol consumption prior to taking the ice for practices or games. It is the intent of FVHAHA to enjoy a variety of coaching styles and techniques; however certain types of behavior will not be tolerated. The use of profanity or other verbal or physical abuse towards a player will result in the offending coach being banned from future coaching consideration.

In addition to the aforementioned stipulation regarding coaching conduct, all coaches will refrain from engaging in the verbal abuse of all players, on either team, or abusive remarks towards the referees. Such conduct will be considered a violation of the FVHAHA Zero Tolerance Policy and **shall** result in sanctions against the coach.

Disciplinary Action – Any violation of the Zero Tolerance Policy WILL result in an immediate minimum suspension of five (5) games!. During the period of suspension, the coach shall refrain from engaging in any and all coaching duties and responsibilities including participation in practices, pre/post game speeches and attendance of a game behind the bench. If the coach in question is also a parent of a player, the coach may watch the games during the suspension period from the spectator area of the ice arena.

Appeals – Appeals may be made to a joint committee of no less than three (3) members of the Executive Committee and/or the General Membership, assembled on an ad-hoc basis by the President of FVHAHA.

Disciplinary Carry Over – Any disciplinary action taken by the HREC that remains unserved at the end of a season will carry over to the following season, whether it is Spring or Fall/Winter. If the suspended party chooses not to return to the Fox Valley Hurricanes Amateur Hockey Association and play elsewhere the new organization will be notified of the time remaining on the disciplinary action. Should a Coach move to another organization and NOT serve said suspension and returns to the Fox Valley Hurricanes at a later date, the pending, unserved suspension will be re-instituted and must be served in its entirety before resuming playing privileges.

Responsibilities

Head coaches will arrive at the rink at least 45 minutes before games and 30 minutes before practices. They will be in the locker room with their players (not outside with the parents) at least 10 minutes before taking the ice. As a head coach in the FVHAHA you have responsibility for your team. Coaches, or their staff, are responsible for supervising and controlling behavior of your players during any and all hockey related events. During this time the head coach will be responsible for upholding the FVHAHA conduct policies. Coaches will remain in the locker room after games for any post game breakdown speeches. Coaches shall encourage sportsmanship, a hard work ethic and teamwork. Coaches will not allow bullying, hazing or any other misconduct by players. They are responsible for enforcing the Player's Code of Conduct. Any acts of vandalism related to a coach's team during the applicable playing season may result in the termination of their position, financial reimbursement or both, as determined by the FVHAHA Executive Committee. FVHAHA takes this responsibility seriously and expects the Head Coach and their staff to conduct themselves at all times in a manner that reflects youth hockey and the FVHAHA in the most positive way.

FOX VALLEY HURRICANES AMATEUR HOCKEY ASSOCIATION

Coaches Code of Ethics

Each coach with the Fox Valley Hurricanes Amateur Hockey Association will provide a positive team atmosphere both on and off the ice. Each coach will provide positive support, care and encouragement for all players. Each coach will encourage good sportsmanship and lead by example, show self-control and refrain from using profanity. Each coach will treat the on-ice officials with respect. Any formal complaint will be viewed as a Zero Tolerance Policy violation. Each coach will do their best to provide positive practice and game plans to develop the overall skills of each player. Coaches will be consistent with both praise and punishment – the rules apply to everyone. Each coach will be responsible to avoid participating in verbal disputes with parents/guardians in the public eye by strictly adhering to the 24 hour rule. Each coach will do their best to be empathetic towards the concerns and constructive criticism of parents/guardians, players, referees and FVHAHA officials.

Coaches Guidelines

Each coach will be responsible to ensure there is no trash talking of other players or coaches. Champions let their actions do the talking. No coach will encourage hitting from behind or intent to injure another player; this will be strictly enforced and **shall** result in disciplinary action by the FVHAHA Rules & Ethics Committee. Benching of a player may be done on all teams when there is a breach of discipline, integrity or effort. The last five (5) minutes of the game are reserved for the Head Coach in their belief to have the players on the ice they feel provides the team the best opportunity to be successful. In all other game situations it is the desire of the FVHAHA that all players on a team are given ample opportunity to participate during the course of a game and experience a variety of game situations.

TEAM OFFICIAL GUIDELINES

A Team Official is defined as ANY person who serves in an off-ice capacity, be it as a Team Manager, Game Score Keeper, Game Clock Operator or Penalty Box Tender. These positions are viewed by FVHAHA in the same capacity as a member of the coaching staff, and will fall under the same penalties should a Zero Tolerance Violation occur. The sentence for a Zero Tolerance violation by a Team Official will be a MINIMUM FIVE (5) GAME SUSPENSION. For additional information regarding these guidelines, please see the Zero Tolerance Policy outlined below.

The role of the Team Manager is to serve as the liaison between the coaching staff and the parents/guardians. Therefore, in order to maintain the integrity of this position and the duties/responsibilities thereof, no Team Manager will be allowed to serve in ANY coaching capacity for which they are also serving as Team Manager. By allowing this practice, it would jeopardize the ability for the Manager to fulfill their duties without bias or the perception thereof.

The Team Manager is also responsible for the submission of the game score sheets to the appropriate league upon completion of each game. It is the Team Manager, and only the Team Manager, who should take sole possession of these documents upon the completion of each game. Under no circumstances should anyone other than the Team Manager or member of the Team coaching staff be in sole possession of these documents, and at no time should the Team Manager or Coach allow a parent to review the game score sheet prior to submission to the appropriate league. Should there be a situation where the Team Manager is unable to perform the correspondence duties, arrangements will be made with the coaching staff to ensure the delivery (fax) of the score sheet to the appropriate league upon completion of the game and the score sheet will be returned to the Team Manager as soon as possible upon completion of said duties.

PARENTAL/GUARDIAN CONDUCT

The FVHAHA is a member of the Amateur Athletic Union (AAU), AAU Hockey Illinois, and the Chicago United Hockey League (CUHL). The FVHAHA adheres to the Parent's Code of Conduct of all leagues it is a participant of. Any conduct deemed to not be in the best interest of youth hockey, will be viewed as a violation of the Parental/Guardian Code of Conduct by FVHAHA. The FVHAHA Parental/Guardian Code of Conduct and Parent's Pledge are outlined below:

PARENT'S/GUARDIAN'S PLEDGE: As a parent/guardian of a young person in the Fox Valley Hurricanes Amateur Hockey Association (FVHAHA), I will do my part to help respect all participants.

- I will not participate in any name calling or undesirable acts that detract from the game of hockey; either in person, via telephone, via email or any other media.
- I resolve to conduct myself as a parent and adult even under the most trying circumstances.
- I will remember that all of our children are looking to us for guidance.

FOX VALLEY HURRICANES AMATEUR HOCKEY ASSOCIATION

- It is important to remember that through hockey we are building a solid foundation for future character development.
- I will do my part to make this season of hockey the best for my child and our team, welcome our guests at our home rink and recognize a good play regardless of who makes it.
- I will assure that my player is properly equipped to play the game of hockey including all safety equipment.
- Finally, I will remember that each game is for our young people, and win or lose; it's a stride in life for them.

CODE OF CONDUCT: In addition to the aforementioned guidelines, the FVHAHA also insists that parents/guardians adhere to the following conduct:

1. Parents/guardians will refrain from engaging in any physical altercation. Any physical altercation or unwanted physical contact with another will result in a thorough investigation and may result in extended suspension penalties or expulsion from the Fox Valley Hurricanes Amateur Hockey Association for life.
2. Parents/guardians will conduct themselves in a manner which will exemplify good sportsmanship and fair play
3. Parents/guardians will be supportive of all team players and coaches both on and off the ice.
4. Parents/guardians will refrain from negative or derogatory comments about players, coaches, referees, and FVHAHA or league officials; either in person, via telephone, via email or any other media.
5. Parents/guardians will be responsible to see that their child attends all skills development sessions, practices and games.
6. Parents/guardians will contact their Team Manager or FVHAHA Board Member if a problem exists on their team.
7. Parents/guardians will be aware that their conduct at games is a reflection on the Fox Valley Hurricanes Amateur Hockey Association, excessive, obnoxious or overbearing behavior which puts the FVHAHA in a negative light will not be tolerated.

Disciplinary Action - All parents/guardians are to be reminded that their behavior sets the example for both the player and the organization. Any parent/guardian found to be in violation of the FVHAHA Parental Code of Conduct may be subject to formal investigation by the HREC and could face formal sanctions including censure or suspension. Any parent/guardian found to be in violation of the Zero Tolerance Policy shall receive an immediate **minimum three (3) game suspension**. During the period of suspension, the parent shall not be allowed inside the rink to view the games. For detailed information regarding Zero Tolerance Policy, see the section outlining this policy below. The FVHAHA Parental Code of Conduct and the Zero Tolerance Policy are two (2) separate codes enforced at FVHAHA.

Appeals – Appeals may be made to a joint committee of no less than three (3) members of the Executive Committee and/or the General Membership, assembled on an ad-hoc basis by the President of FVHAHA.

Disciplinary Carry Over – Any disciplinary action taken by the HREC that remains unserved at the end of a season will carry over to the following season, whether it is Spring or Fall/Winter. If the suspended party chooses not to return to the Fox Valley Hurricanes Amateur Hockey Association and play elsewhere the new organization will be notified of the time remaining on the disciplinary action. Should a parent/guardian move to another organization and NOT serve said suspension and returns to the Fox Valley Hurricanes at a later date, the pending, unserved suspension will be re-instituted and must be served in its entirety before resuming playing privileges.

SPECTATOR CONDUCT

In order to achieve the objective of teaching good sportsmanship to our players, it is imperative that spectators conduct themselves appropriately. No spectator shall be permitted to participate in verbal abuse of the referees, players, coaches, team officials or other spectators. Failure to do so could result in removal from the viewing area of the game, team suspension or game forfeiture. Any

FOX VALLEY HURRICANES AMATEUR HOCKEY ASSOCIATION

conduct deemed to not be in the best interest of youth hockey, will be viewed as a violation of the Spectator Code of Conduct by FVHAHA.

Any spectator assessed a Zero Tolerance penalty will be required to appear before the Fox Valley Hurricanes Amateur Hockey Association Rules & Ethics Committee before attending any future FVHAHA activities.

REPORTING

In an effort to ensure the validity of a potential violation of the FVHAHA Code of Conduct, Zero Tolerance Policy or other FVHAHA Guidelines, the FVHAHA Rules & Ethics Committee (HREC) has an official complaint form that must be filled out in its entirety. This document must be completed and submitted to the FVHAHA Rules & Ethics Committee within one (1) week of the occurrence. This document can be found on the home page of the FVHAHA website and can be printed out for completion. Within the document there is room to give specifics of the alleged violation as well as listing of any witnesses who may be able to support the allegation. The reporting individual shall include their name, signature and a telephone number to be reached at for formal investigative purposes by HREC. Any person found to have filed a ***false and/or malicious report*** against another coach; player, parent or member of FVHAHA by the HREC shall be in violation of the Fox Valley Hurricanes Amateur Hockey Association Zero Tolerance Policy. ***This will lead to an immediate Step 2 violation and result in a minimum thirty (30) day suspension from all Fox Valley Hurricanes related events.***

Additionally, should any complainant, at their own voluntary discretion, choose to take a complaint to law enforcement, the FVHAHA Rules & Ethics Committee shall have the right to, but not the obligation, to bow to the higher authority and choose to NOT intervene or conduct a parallel investigation exposing the investigating body, its members, or any member of FVHAHA to involvement in a criminal investigation and possible future court proceedings. FVHAHA Rules & Ethics retains the right to determine if a follow up investigation conducted by, or on the behalf of FVHAHA is warranted. The severity and nature of the criminal complaint will be evaluated on a case-by-case basis to determine if FVHAHA Rules and Ethics Committee will intervene. However, the criminal complaint and subsequent investigation by law enforcement and any/all conclusions and outcomes of said criminal investigation will be considered final by the FVHAHA Rules & Ethics Committee and a subsequent investigation will not be initiated after the fact if the law enforcement conclusions are not in favor of the complainant.

Reporting of Violations From Outside Organizations

Should anyone witness an incident which is deemed to be a violation of the Parental Code of Conduct or Zero Tolerance Policy, and the offender is the member of a visiting club, said violation should be reported to HREC via the reporting guidelines outlined above. However, each complainant should understand that HREC has NO JURISDICTION over the alleged violation. As such, HREC will serve in the capacity as report taker for said violation and tender the report to the proper jurisdiction (Team R&E Committee). Should the violation require a more in depth investigation, HREC will work in conjuncture with the outside organization officials to ensure the matter is investigated to the fullest extent without bias or prejudice.

Zero Tolerance Policy

The Fox Valley Hurricanes Amateur Hockey Association (FVHAHA) adopts and adheres to all aspects of the USA Hockey's Zero Tolerance Policy. The Zero Tolerance Policy applies to coaches, players, parents and spectators. While the majority of the policy deals with conduct during a game, mostly directed at conduct towards the on-ice officials, the 24 Hour Rule also falls under this policy. For 24 Hour Rule Guidelines, see the section below.

Anyone found to be in violation of the Zero Tolerance Policy will receive the following ***minimum sanctions***:

1. **Step One** (First Violation) – Coach/Team Official (**5 games**), Player/Parent/Spectator (**3 games**)
2. **Step Two** (Second Violation) – All individuals **thirty (30) days**
3. **Step Three** (Third Violation) – **Lifetime Expulsion** from Fox Valley Hurricanes Amateur Hockey Association

Team Officials – The Fox Valley Hurricanes Amateur Hockey Association exists and thrives due to the gracious efforts of its membership, coaches, managers and volunteers. The vast majority of the positions held within FVHAHA are volunteers. While we understand that the efforts of our parents who unselfishly volunteer their time to make the Fox Valley Hurricanes Hockey experience a positive one, each parent who volunteers their time needs to be aware of the definitions of what constitutes a Team Official. A FVHAHA Team Official is **NOT** reserved for the coaching staff alone. Any parent who serves FVHAHA in an official capacity during any/all FVHAHA sanctioned events is representing both FVHAHA and their respective

FOX VALLEY HURRICANES AMATEUR HOCKEY ASSOCIATION

teams. Therefore, when serving as a FVHAHA Board Member, official Score Keeper, Time Keeper, Penalty Box Manager, Team Manager or in any other capacity which represents FVHAHA, you will be viewed as a Team Official while conducting those duties. Any infractions of the Zero Tolerance Policy while engaged in said duties will carry the mandatory minimum suspension of five (5) games.

It is possible to earn all three (3) strikes for a single infraction. Coaches, players and parents will be notified in writing of any Zero Tolerance Violations assessed by the Chairman of the HREC.

Locker Room Conduct

The use of the locker room facility at all ice arenas, both home and away is a privilege bestowed upon our teams, not a right. Therefore, when using a locker room (as a player, coach and parent/guardian) FVHAHA insists we treat these facilities with respect. This is our home and we expect to have the ability to have our guests use a clean and functional facility while they are here. Coaches, players and parents/guardians are expected to pick up after themselves (i.e. tape, bottles, wrappers, etc.). The intentional destruction or vandalism of these facilities can result in the offending player or team losing their locker room privileges. If there is intentional damage to the facility, the responsible person(s) may face prosecution for Criminal Damage to Property.

The Fox Valley Hurricanes Amateur Hockey Association adheres to the State of Illinois Compiled Statutes regarding eavesdropping violations (720 ILCS 5/14-2) and unlawful videotaping (720 ILCS 5/26-4). Therefore, **NO VIDEO EQUIPMENT WILL BE USED IN THE LOCKER ROOMS OF ANY RINK AT ANY TIME.** This will include cameras, video cameras, cell phones or any other media collecting format. It shall be the responsibility of the players and parents to ensure that these devices remain unused. Any intentional and unauthorized video taken within the confines of any locker room at any time shall be viewed as a Zero Tolerance Violation. Any unlawful video will be reviewed by the Fox Valley Hurricanes Amateur Hockey Association Rules & Ethics Committee (HREC) and if warranted, the matter may be referred to Law Enforcement for formal criminal investigation and prosecution.

It shall be the policy of FVHAHA that all players and coaches are in the locker room 10 minutes before taking the ice (game or practice) and for up to 10 minutes thereafter. ***During this period of time, no parents, siblings, relatives, friends, etc. shall be allowed in the locker room.*** This will give the coaching staff the necessary time to prepare/debrief after a game or practice. Any infraction of this policy will be viewed as a Zero Tolerance violation. Sanctions against the offending individual will be enforced by the HREC and ***shall include a minimum three (3) game suspension.***

24 Hour Rule

Each year 2.5 million people volunteer their time to help coach kids. These coaches are the vehicle that provides organized youth athletics an existence. As parents/guardians we will not always agree with a coach's decision. However, it is important to recognize that a coaches role is to make decisions for the team first and player second. Often, we tend to recognize our coaching staff's decisions through our player first and team second. Also, we need to understand that most players are not aware of any problems until we, as parents/guardians, bring it to their attention.

Many sports throughout the United States have adopted the 24 hour rule in an effort to address significant concerns, while attempting to remove the emotional concerns, particularly in the presence of the youth athlete.

The Fox Valley Hurricanes Amateur Hockey Association subscribes to the 24 Hour Rule.

Briefly, this means that parents/guardians are not allowed to **confront** a coach, team or league official to discuss any "negative" game or practice situation with the coaching and management staff until at least 24 hours has passed from the completion of the game or practice. A confrontation shall consist of any conversation, which is elevated from a normal speaking tone and demeanor to one which involves yelling, profanity or derogatory comments toward said coach, team or league official. After 24 hours have elapsed, the parent/guardian may address their concern with the coach, team or league official however the following protocol must be followed at all times:

1. The parent/guardian will contact the team manager and report their issue or concerns to be addressed; the Team Manager is responsible to document the complaint.
2. The Team Manager shall forward the complaint to the Level Coordinator.

FOX VALLEY HURRICANES AMATEUR HOCKEY ASSOCIATION

3. The Level Coordinator shall meet with the coach and obtain a documented, consensus recommendation. The coach or coach's representative as directed by the coach will respond to the issue of concern to the Level Coordinator.
4. The Level Coordinator shall respond to the parent/guardian with the coach's reply, unless the coach chooses to respond directly. In this situation, the Level Coordinator or Team Manager may accompany the coach during any meeting between coach and parent/guardian. The coach is encouraged to NOT engage in this meeting without a third party being present.
5. If the parent/guardian feels the issue of concern remains and has not been appropriately addressed, the parent/guardian may schedule a meeting with the Fox Valley Hurricanes Amateur Hockey Association Director of Hockey and/or Rules & Ethics Committee Chairman.

Please respect the significance of the 24 Hour Rule Policy. If we all honor this concept, concerns will be moved away from an audience with our children, a possible ill-timed discussion, and issues will be viewed in the proper perspective.

Violation of the 24 Hour Rule will be addressed as a Zero Tolerance Violation by the Rules & Ethics Committee and result in an immediate elevated Step 1 violation and a minimum suspension of five (5) games!

Social Media Policy

It is the position of the Fox Valley Hurricanes Amateur Hockey Association (FVHAHA) that ALL participants and family members of FVHAHA shall refrain from participating in any form of electronic cyber communications that are deemed by FVHAHA to be negative, threatening, harassing, derogatory, defaming or otherwise interpreted as cyber harassment as defined by Illinois Compiled Statute 720 ILCS 135/1-2. These forums include, but are not limited to Facebook, Twitter, Instagram, internet blogs or any other public online forum.

In this era of social media, FVHAHA believes its membership needs to be held to the highest standard of integrity. Participation in negative, or defamatory online chat room discussions, "tweets", and/or postings as defined by 720 ILCS 135/1-2 by ANY member of FVHAHA or their family members will not be tolerated. Violations may be reported to law enforcement with formal criminal complaints to follow.

Anyone found to be in violation of the Social Media Policy will receive the following **minimum sanctions**:

1. **Step One** (First Violation) – **Three (3) game suspension**
2. **Step Two** (Second Violation) – **Thirty (30) day suspension**
3. **Step Three** (Third Violation) – **Lifetime Expulsion** from Fox Valley Hurricanes Amateur Hockey Association

Take notice that it is possible for an individual to accumulate three (3) or more violations in the course of a single investigation that may result in a Step-Three violation and lead to a lifetime expulsion from FVHAHA.

Physical Abuse Policy

There shall be no physical abuse of any sanctioned programs, Tournaments or events, Training Camps, Hockey Clinics, Coaches Clinics, Referee Clinics, District and National Tournaments, or other events by an employee, volunteer or independent contractor.

Physical abuse means physical contact with a participant that intentionally causes the participant to sustain bodily harm or personal injury. Physical abuse also includes physical contact with a participant that intentionally creates a threat of immediate bodily harm or personal injury.

FOX VALLEY HURRICANES AMATEUR HOCKEY ASSOCIATION

Physical abuse does not include physical contact that is reasonably designed to coach, teach or demonstrate a hockey skill. Permitted physical contact may include, but is not necessarily limited to, shooting pucks at a goaltender, demonstrating checking or other hockey skills, and communicating with participants during the course of a game or practice, by touching them in a non-threatening, non-sexual manner.

Sexual Abuse Policy

There shall be no sexual abuse of any minor participant involved in any sanctioned programs, Tournament s or events, Training Camps, Hockey Clinics, Coaches Clinics, Referee Clinics, District and National Tournaments, or other events by an employee, volunteer or independent contractor.

Sexual abuse of a minor participant occurs when an employee, volunteer or independent contractor touches a minor participant for the purpose of causing the sexual arousal or gratification of either the minor participant or the employee, volunteer or independent contractor.

Neither consent of the player to the sexual contact, mistakes to the participant's age, nor the fact the sexual contact did not take place at a hockey function are defenses to a complaint of sexual abuse.

Upon proof of violation of this policy, the violator will be permanently banned or suspended by FVHAHA sanctioned programs and/or the programs of its Affiliate Associations.

FVHAHA reserves the right to notify the appropriate authorities and recommend criminal charges are brought against anyone found in violation of either of these abuse policies.

Consumption Abuse Policy

Consumption/use/abuse of mood altering substances is detrimental to the healthy state of mind, body and spirit of an athletic participant. This is especially true of those participants aspiring to develop their talents in the furtherance of their playing, coaching, or officiating careers in the sport of ice hockey.

Therefore, with the best interests of its participants in mind, FVHAHA prohibits the use by any participant of mood altering substances during active participation in its programs, and upon discovery of any violation, shall take action to remove the participant from participation in its programs for a reasonable period of time.

For the purposes of this policy, mood altering substances shall include the following;

1. Intoxicating beverages, including but not limited to alcohol.
2. Non-prescription or prescribed controlled substances.
3. Prescription or prescribed controlled substances when used to an excess in violation of doctor's orders or to produce the state of intoxication in the participant.

Further, a participant shall include players, coaches, referees, and all persons involved in the conduct of an ice hockey contest.

Player Equipment Policy

It is the policy of the FVHAHA to support and enforce the proper use of all player equipment that is required by leagues that FVHAHA teams participate in. **This includes the mandatory use of neck guards for ALL players, regardless of position.**

FOX VALLEY HURRICANES AMATEUR HOCKEY ASSOCIATION

Uniform Standards

All skaters will be encouraged to wear a navy blue or black helmet, navy blue or black pants and gloves with a predominant color of navy blue or black.
