A number will be selected by each Coach, which will determine the order of selection. A Coach will be able to select a child from the round being selected or one round below. At the end of each second round, a new number will be selected and the process will continue in this way until all the kids are drafted. The Coaches child will be that Coaches selection automatically in the round in which they appear. Siblings will be drafted together unless otherwise specified by the parents. At the discretion of the Basketball Board, coaches may freeze an additional player if that player's parent will serve as an assistant coach and has agreed in advance to serve as an assistant to that coach.
3. Any player allowed to sign up after the draft will be assigned to a team at the discretion of the Basketball Director.
4. Assistant Coaches, if desired, must come from the parents of the drafted team or may be someone without a player on the team. This is at the discretion of each Coach.
5. The Basketball Director and the Board of Directors reserve the right to disapprove registration of any player or Coach, who might cause concern regarding the purpose of the program.
