Experience a strength for XC teams

Both the Rosemount boys and girls cross country teams return five varsity scorers from a season ago

Matthew Steichen

Sports editor

The Rosemount boys cross country team is counting on consistent front-of-the-pack finishes from at least a couple of its returning runners.

The team's success is going to hinge on where the rest of the Irish's top five runners come in. Cody Sedbrook and Ryan Condon were both lost to graduation after serving as consistent varsity scorers and helping the Irish to their sixth top-five state finish in the last eight years, leaving two voids in the lineup that could be filled by any number of runners.

"All the points are scored with the No. 4 and 5 guys. You have to have your low cards up front and then it all comes down to solidifying the pack," Rosemount coach Chris Harder said. "Right now we have lots of competition to be in that varsity top seven, so that helps. We've got guys that are a year older. We just have to hope they're a year better."

One runner Harder expects to be even better is Alex Berhe. The senior won all-state honors with a 16th-place finish last fall at Northfield, placed 11th in the 3,200 at the state track meet, is currently 12th in the state's Class 2A rankings and is coming off the fastest Run for the Gold four-mile time ever run by an Irish high school runner.

"He's put in a lot of miles and is a regular at Lebanon Hills. He works and works," Harder said. "He's very dedicated and committed and passionate about what he does.... Our goal for

him is to be on the (state) podium both as a team and as an individual."

Also back is Sam Ivanecky, who led the Irish to the South Suburban Conference title in Berhe's absence last fall, running to a fifth-place finish at Eagan. This spring, Ivanecky ran legs on Rosemount's fifth-place 4x400 and 4x800 at the state meet.

Other returning letter-winners for the Irish, who are fifth in the state's pre-season rankings, are Ryan Brumm, Clayton Smith and Sam Karlson. The trio finished 16-19-29 at the conference meet and 14-16-33 at the section meet.

"We have more guys back than we normally do, but that doesn't guarantee anything unless they get to work," Harder said.

Also in the running for varsity spots, according to Harder, are returning JV runners Caden Hill, Travis

Lorch and Mason Grindland.

"We'll know a lot more Friday (after our alumni meet)," Harder said.

Like the boys, the Rosemount girls team also welcomes back five of its top seven scorers from a season ago. Gone are Briana Cleveland and five-time state qualifier Hannah Grim.

Sydney Hansen is back after earning all-conference honors with a ninth-place finish, as is 17th-place section meet finisher and three-year varsity runner Liz Evenocheck. Returners Sydney Regalado, Naomi Alvarez and Natalie Narloch are also

back in the fold after helping the Irish finish third at the section meet, just six points shy of a state meet berth.

"I think the girls are going to surprise a lot of teams this year," Harder said. "There's a lot of young talent that will be contending for varsity spots."

Thirty-four girls showed up for the first day of practice Monday, the most the program has ever had. Among those who could contend for varsity spots, according to Harder, are Dani Follett-Dion, Allison Peterson, Addie Westman and Ellen Stefanko.

"There is going to be some competition and that also means we'll be deeper and have a decent JV team," Harder said.

Rosemount Irish Cross Country Lettering Policy 2014

A varsity letter should be something special to an athlete. It should be earned through hard work and contribution to the team. Below are the ways that you can earn the varsity "R".

An athlete can earn a letter in one of two ways:

1. Varsity Letter Point System

- A. Earn 100 letter points **AND** B. Finish the season in good standing.

2. Coaches Discretion- An athlete who is close to lettering, but has not made the point standard. To be considered, an athlete is not allowed any unexcused absences and must have a positive contribution to the team through his/her work ethic. (Generally, this is only used in an injury situation)

One earns varsity letter points in the following ways:

1) Experience points

- A. 4th year of XC (9-12) = 40 pts. B. 3rd year (9-12) = 30 pts.
C. 2nd year of XC (9-12) = 20 pts. D. Freshmen who ran 8th grade = 10 pts.

2) Summer minute points.

For every 200 minutes that you run during the 9-week summer training period you receive one point. A record of your summer minutes must be on the online form.

3) Meet points

- A. Each athlete receives one point for each race they finish.

B. Our team's top ten performances (based on time) at each meet earn points based on their rank among our team. Top performance receives 10 pts, second best 9 pts, . until 10th best = 1 pt.

C) Place points

Varsity Races

- Top 1/3 = 7 pts. Top 2/3 = 6 pts. Top 90% = 5 pts.

Non-Varsity Races

- Top 1/5 = 5 pts. Top 2/5 = 4 pts. Top 3/5 = 3 pts. Top 4/5 = 2 pts. Top 90% = 1 pt.

4. Time points An athlete receives points based on their seas best time performance. Breaking the given time standard for each athlete results in the following points:

Time	19:00	18:45	18:30	18:15	18:00	17:45	17:30	17:15	17:00	16:45	16:30
Boys	5	10	15	20	25	30	35	40	45	50	55

Boys	60	65	70	75	80	85					
Girls	40	45	50	55	60	65	70	75	80	85

C. Placing in the top 40 at South Suburban Conference or Section 3 XC meet. (5 pts.)
D. Working at a middle school meet or Twin Cities marathon (1 pt.)
E. Completing a week of practice with no absences AND making Saturday practice. (1 pt. for each week)

13TH-ANNUAL IRISH INVITATIONAL CROSS COUNTRY MEET

Peterson, Berhe grab gold at invite

Berhe led the ninth-ranked Rosemount boys to 4th at their home meet Friday

Matthew Steichen
Sports editor

Lauren Peterson and Alex Berhe used different race strategies to achieve the same result at Friday morning's Irish Invitational.

The returning state qualifiers both finished first against fields of about 150 runners on the two-mile course around Carroll's Woods Park in Rosemount. Peterson, a Farmington eighth-grader, jumped into first place in the early stages of the girls race and never lost the lead, while Berhe, a Rosemount senior, hung with a pack 10 meters behind the leader over the first mile before surging ahead with a strong finishing kick.

Berhe's individual victory led the Rosemount boys to the highest team finish among area teams. The ninth-ranked (Class 2A) Irish finished fourth out of 20 teams behind No. 2 Edina, No. 6 Eden Prairie and No. 7 White Bear Lake, with 174 points. Meet champion Edina placed four runners in the top nine while scoring 46 points.

Berhe matched his time at the Rosemount alumni meet two weeks ago, completing the two one-mile loops in 9 minutes, 50 seconds to win by six seconds. Teammate Sam Ivanecky used a strong last half-mile to break into the top 10 with an eighth-place 10:13 and a third senior, Sam Karlson, placed 38th in 10:52.

Caden Hill (56th, 11:14) and Ryan Brumm (71st, 11:26) rounded out the Irish top five. Travis Lorch (84th) and Zaffer Hussein (88th) also competed.

The Farmington boys finished right in the middle of the 20-team field, placing 10th with 245 points. They were just 12 points off the pace of sixth-place Mounds View and two behind ninth-place Prior Lake.

Returning state track and cross country qualifier Justin Hyytinen ran with the leaders throughout the race and finished fourth in 10:05.

Alex Hart finished second for the Tigers and 30th overall in 10:46 and Derek Cole was 60th in 11:16.

Matthew Anderson (69th, 11:25), Josh Grimm (82nd, 11:39), Ryan Newton (108th) and Cole Stansbury (111th) also ran for the Tigers. All seven varsity runners improved

their times from the team's time trial two weeks ago.

"It was a great start to the season to finish ahead

of some conference teams and only two points behind Prior Lake," Farmington boys coach Lisa Lippold said. "The boys were able to see all of their hard work over the summer paying off and are motivated to keep getting faster and better."

Peterson clocked in at 11:57 in the girls race to win by three seconds. Her winning effort paced the 11th-place Tigers, who scored 303 points.

"Lauren Peterson ran a great race to start the season, and is much more comfortable and confident with a year of experience under her belt," FHS coach Heidi Revels said.

Another eighth-grader, Anna Palodichuk, placed second for the team and 64th overall with a time of 13:21. Senior Sofia Chadwick was eight seconds back with a 72nd-place 13:29.

Farmington's other four runners finished in a nine-second pack, led by Emma Schaffer in 82nd with a time of 14:15. Morgan Mach (84th),

Breana Sutter (85th) and Sami Hyytinen (87th) rounded out the varsity lineup.

"I am very pleased with how the girls performed," Revels said. "We have several new runners and this was their first race. It gave us a more competitive experience and a taste of the levels of our new conference."

The Rosemount girls finished second among the South Suburban teams at the meet and ninth overall with 237 points. Four freshmen cracked the team's top seven, and a pair of freshmen named Sydney supplied the Irish's top two finishes. Sydney Hansen placed 23rd in 12:33 and Sydney Regalado was 36th in 12:46.

Senior Liz Evenocheck placed third for the team and 54th overall in 13:13 and Dani Follétt-Dion was one second behind in 55th.

Alli Peterson (69th), Tess Grunklee (71st) and Natalie Narloch (79th) also ran for the Irish.

49TH ANNUAL APPLEJACK INVITATIONAL

Berhe, Hyytinen, Ivanecky and Peterson placed in the top 10 at Friday's meet in Lakeville

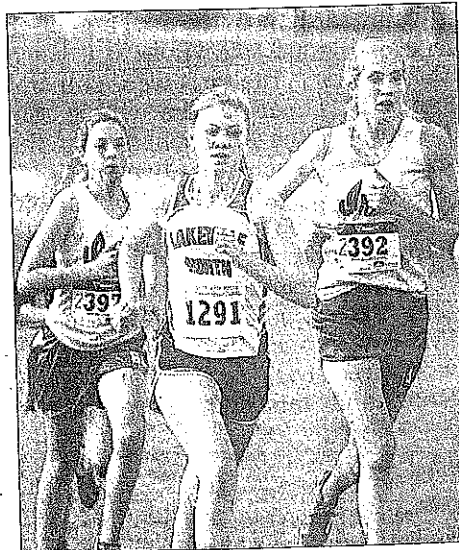

Matthew Steichen

The Rosemount boys cross country team couldn't capture its fourth straight team championship at Friday's Applejack Invitational, but the Irish did place in the top three for the 11th time in 12 years.

Senior Alex Berhe placed second out of 169 runners with a time of 15 minutes, 50 seconds on the 5,000-meter course at Aronson Park in Lakeville, leading the eighth-ranked Irish to a third-place total of 161 points. No. 10 Minnetonka was second with 156 points and No. 6 White Bear Lake won the boys portion of the meet with 97 points. Farmington placed 13th in the 20-team field.

Senior Sam Ivanecky gave the Irish two runners in the top 10 with a ninth-place time of 16:29.

"Alex Berhe ran a strong race up front. He nearly broke the field at two miles, but he couldn't quite shake Nick Wareham of Woodbury," Rosemount coach Chris Harder said. "Sam Ivanecky had another nice performance. Top 10 in this meet is excel-

lent."

Sam Karlson placed third for the Irish and 36th overall in 17:14. Ryan Brumm placed 46th in 17:21 and Caden Hill rounded out the team's top five with a 71st-place 17:39.

"We got some decent performances from other scorers, but we need to close up our 1-5 spread," Harder said. "I think we have the guys that can do it and we will continue to work in practice."

Mason Grindland (106th, 18:08) and Tanner Wenzler (140th, 18:49) also ran their first varsity races for the

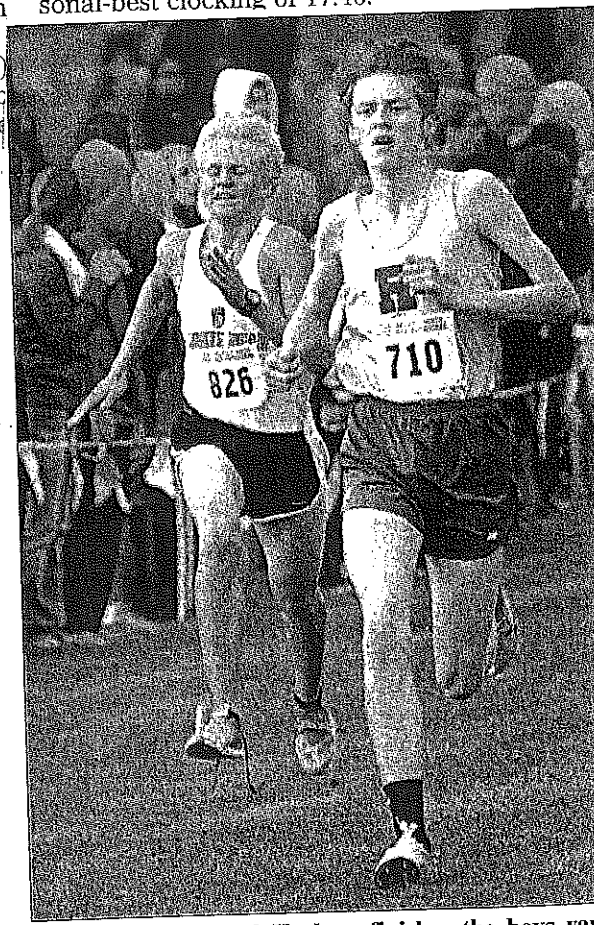

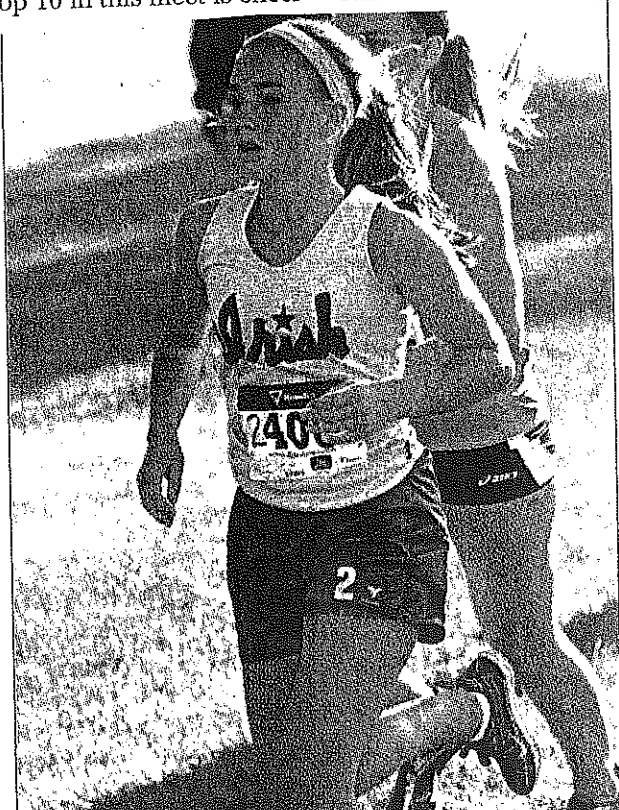

Irish.

"They didn't finish like they wanted to, but they gained valuable experience. A varsity race is much different than the other races," Harder said. "We have a lot of guys battling for varsity spots. Travis Lorch and Zaffer Hussein went 1-2 in the JV race with Jonathan Meaden providing a top 10 finish. Freshman Spencer Schultz look great with a third place finish in the C race."

Senior Justin Hyytinen, 11th in the state's Class 2A individual rankings, led the Tigers with a third-place finish. He completed the course in 16:11, just a few seconds slower than his time the previous week at the Faribault Invitational.

"Justin's race could have gone better but he is still battling some foot pain," Farmington boys coach Lisa Lippold said. "Justin was with the lead pack until about the two-mile mark and then the other boys started to make a move and he didn't go with them."

Alex Hart placed 18th overall with a personal-best time of 16:48. Derek Cole was 72nd in a personal-best 17:39 and varsity newcomer Noah Revels placed 86th overall with a personal-best clocking of 17:46.

Rosemount gears up for Griak

The Irish sat out some of their top runners, but still placed well at the Blaze Invitational

Matthew Steichen
Sports editor

The Rosemount cross country teams prepared for Saturday's Roy Griak Invitational by giving some of their varsity runners a break from competing at last Thursday's Burnsville Blaze Invitational.

The Irish girls still managed to place third out of nine teams and the eighth-ranked boys fifth out of 11 teams in action at Nicollet Junior High School.

"We didn't run six guys so we could amp up their training in preparation for the Roy Griak Invitational," Rosemount coach Chris Harder said. "It will be nice to run a solid 10 guys at that meet and then come back fully loaded for the Ev Berg Invitational in Owatonna the following week as a tune-up for the conference meet."

The Rosemount boys who did

compete in Burnsville turned in some solid performances. Clayton Smith returned after missing the last few meets and led the team with a 12th-place time of 17 minutes, 35 seconds on the slower 5,000-meter course.

"He showed that he is capable of bolstering our line-up," Harder said. "Clayton should show significant improvement in the next meet after being on the shelf for a few meets. He likes to compete."

Fellow senior Ryan Brumm followed in 16th place with a 17:43 clocking. Mason Grindland placed 19th in 18:04 in his second varsity race and Jonathan Meaden was 37th in 18:49 in his first career varsity meet.

Brandon Menne (55th, 19:31), Tanner Wenzel (56th, 19:35) and Spencer Schultz (57th, 19:45) also ran for the Irish.

The Rosemount girls used a balanced attack to place third at Burnsville. The team's top four runners all reached the finish line in a four-second span, led by Sydney Regalado's 14th-place time of 16:41. Dani Follett-Dion was one second back in 15th place, Liz Evenocheck came in

16th in 16:44 and Tess Grunklee gave the Irish three freshmen in their top four with a 17th-place 16:45.

"Our top four scoring girls finished as a pack, but they didn't run that way during the race. Sydney Regalado looked in tough shape with 1,000 meters to go, but then turned it in on down the stretch and finished strong. She brought Tess Grunklee with her the last half mile as they both finished well," Harder said. "Liz Evenocheck and Dani Follett-Dion ran solid races."

Senior Natalie Narloch rounded out the Irish's top five with a 25th-place run of 17:08. Freshmen Alli Peterson (28th, 17:18) and Sydney Hansen (29th, 17:19) also competed.

"I like our team at this point, but we still have room for improvement. We had some pick up the slack today when others were hurting, but the girls gave it their best shot on a tough course in warmer conditions," Harder said. "We need to consistently keep working and good things will happen in the championship portion of the season."

Irish boys 21st again at Griak

All four area teams took on the challenging course Saturday at Les Bolstad Golf Course

Matthew Steichen

There's nothing wrong with finishing 21st as a team when it's at the Roy Griak Invitational.

The high school boys Gold race at Les Bolstad Golf Course features 50 teams, including several No. 1-ranked squads from around the country, and at least half of the field consists of teams ranked in their respective states. Despite the talented competition and temperatures in the 80s Saturday afternoon, the 10th-ranked Rosemount boys placed 21st at the meet for the third year in a row with 575 points.

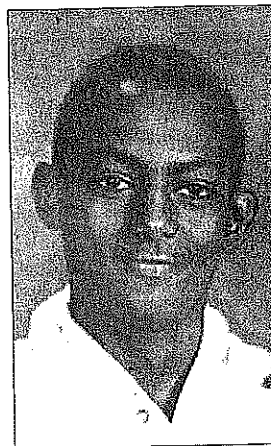

"The boys had a solid race, nothing spectacular, but a solid finish. We finished 21st the previous two years and we finished fifth and fourth in the state meet," said Rosemount coach Chris Harder, who was coached by Griak at the University of Minnesota. "If that holds true again, we will need consistent training and somebody to step up and bring the back of our pack closer to our second and third guys."

Senior Alex Berhe once again led the Irish, placing 12th out of 496 run-

Berhe, Hart, Hansen, Peterson lead area teams at one of nation's largest cross country meets

From 1B

ners with a time of 16 minutes, 30 seconds on the challenging 5,000-meter course. His finish was the highest by a Rosemount runner since Jordan Carlson came in third in 2007.

Berhe is now fourth in the Class 2A state individual rankings.

"Alex got out and ran a great race. He got himself into position and ran gamely from there," Harder said. "We expected him to be in the top 20, the final place was up to him. Alex managed that tough fourth kilometer well with four tough, sharp inclines. He is pretty tough down the stretch."

Senior Sam Ivanecky just missed breaking into the top 100 with a 108th-place time of 17:53. Senior Clayton Smith improved his time from a season ago, running an 18:01 to come in 127th, and senior Ryan Brumm placed 193rd in 18:28.

Caden Hill provided the team's fifth counting score with a 210th-place time of 18:38. Zaffer Hussein

(18:41) and Travis Lorch (19:14) also ran for the Irish.

With returning state qualifier Justin Hyytinen missing from the lineup, the Farmington boys finished 45th with 1,248 points.

Alex Hart paced the Tigers with a 205th-place time of 18:37. Twenty-one seconds later, seventh-grade teammate Noah Revels crossed the finish line in 259th.

Three juniors provided Farmington's other three counting scores. Derek Cole clocked in at 19:03, Ryan Newton ran a time of 19:33 and Josh Grimm completed the course in 20:27. Peyton Woller came in at 20:49 and Chris Erickson clocked in at 21:11.

The Rosemount girls landed just about in the middle of the talented 43-team field in the girls Gold race. The Irish scored 599 points to place 22nd, their best showing in three years.

Freshman Sydney Hansen bounced back from a disappointing run at the Burnsville Invite to lead the Irish with an 87th-place time of 21:08 for 5,000 meters. Fellow freshman Sydney Regalado was close behind, finishing in 93rd in 21:14.

"Hansen made her mind up and

kept moving up through the field. She beat some high quality runners by executing the race plan and a lot of toughness the second half of the race. She did not back down to the hills, especially that tough fourth kilometer," Harder said. "Sydney Regalado is running as consistent as her golf game. She is so steady during the race, but she can always close well that final kilometer."

Senior Liz Evenocheck ran third for the Irish and 149th overall with a 21:49 clocking. Dani Follett-Dion was close behind in 151st and Tess Grunklee came in fifth for the team in 22 minutes even.

Natalie Narloch (22:19) and Alli Peterson (22:32) also competed.

A trio of eighth-graders paced the Farmington girls to a 33rd-place total of 977 points.

Lauren Peterson once again set the pace for the Tigers, placing 89th with a time of 21:11. Anna Palodichuk was exactly one minute back in 176th and Emily Schaffer came in 241st in 22:56.

Morgan Mach (24:20), Abby Bollig (24:39), Breana Sutter (25:12) and Sarah Cummings (25:25) also ran for the Tigers.

Irish runners sweep races at Ev Berg

The Rosemount boys and girls teams both won team championships last Thursday at Brooktree Golf Course

Matthew Steichen
Sports editor

Something about Brooktree Golf Course brings out the best in the Rosemount cross country teams.

The Irish traveled to Owatonna for the Ev Berg Invitational last Thursday, and for the fifth time in the last six years the Rosemount boys, ranked 10th in Class 2A, came away with the team title. The Irish girls made it a clean sweep for the second year in a row, scoring 70 points to narrowly defeat Eastview (75) and an Austin (77) team that defeated them handily back in late August at the Irish Invitational.

"(The boys) had a nice team race that should prep us well for the conference championships... We are closing our spread between Alex (Berhe) and our fifth scorer," Rosemount coach Chris Harder said. "Our girls continue to progress as a team. They are

not satisfied with the win; they think they can do much better. I like their attitude. We had a nice team win."

Berhe, ranked fourth in Class 2A, also picked up an individual win. He gave the Irish a 1-2 finish, completing the 5,000-meter course in 16 minutes, 16 seconds, four seconds ahead of teammate Sam Ivanecky. Ivanecky ran the last mile in just over five minutes to separate from the rest of the pack.

Clayton Smith cut 25 seconds from his time last year at Owatonna

to come in 11th in 16:56. Sam Karlson was 16th in 17:22 and Zaffer Hussein gave the team its solid fifth score with an 18th-place time of 17:27.

Travis Lorch added a 29th-place 17:45 and Caden Hill came in 46th in 18:00.

The Irish girls posted a spread of just 48 seconds between their top five finishers in earning their team title.

Sydney Hansen led a strong lead pack with an eighth-place time of 15:26, two spots ahead of teammate Liz Evenocheck, who turned in a time of 15:35.

Sydney Regalado followed in 11th with a time of 15:41 and Dani Follett-Dion finished 16th in 15:57.

Tess Grunklee turned in the team's fifth counting score, completing the 4,000-meter course in 16:15 to earn 25th place. Natalie Narloch was right behind in 26th (16:16) and Alli Peterson placed 30th in 16:28.

"Our first through fifth spread is closing and moving up on the field. Our depth is improving as Naomi Alvarez won the JV race handily," Harder said. "We are looking forward to the championship part of the season to see what we can do."

The Irish compete at the South Suburban Conference Championships tomorrow afternoon at Eagan. The varsity boys race will begin at 3:35, followed by the varsity girls at 4:45.

Individuals shine at SSC meet

Eight area runners earned all-conference honors Friday; Rosemount boys place second

Matthew Steichen
Sports editor

The Rosemount boys placed two runners in the top five, but Shakopee's 3-4-5 runners had the advantage as the Sabers dethroned the four-time defending South Suburban Conference champions in their first league meet.

The Sabers, 10th in the new Class 2A, rankings, won the meet 72-78 over the runner-up Irish Friday afternoon on the grounds of Eagan High School. Their third and fourth runners each defeated their Rosemount counterparts by two points and their fifth runner held a 12-point advantage.

Senior Alex Berhe once again earned all-conference honors, staying within range of winner Faysal Mahmoud of Burnsville while placing second in 16 minutes, 33 seconds on the hilly 5,000-meter course. Teammate Sam Ivanecky placed fifth in 16:45, two seconds behind Shakopee's No. 1 runner.

times from 17:13 to 17:20, and Rosemount's Clayton Smith and Ryan Brumm were right behind in 16th and 17th, with times of 17:20 and 17:21, respectively. Sam Karlson provided the fifth counting score with a 39th-place time of 17:49, which was less than one second behind the 38th-place runner from Apple Valley.

If three of Rosemount's 2-through-5 runners would have completed the course two seconds faster, the Irish would have won their fifth straight title.

"We gave it our best effort, but

came a little short. Shakopee was the better team today and we give them credit for their execution on the course. We hope to have another shot at them in the state meet," Rosemount coach Chris Harder said. "The first four guys in for us all talked individually how they could've done something to get another point or two. We win as a team and we lose as a team. We will regroup and get ready to defend our section title."

The Rosemount boys, now ranked 12th, were also represented in the varsity race by Travis Lorch (41st, 17:53), Zaffer Hussein (42nd, 17:53) and Caden Hill (56th, 18:13). The Irish also crowned the individual champion in the JV race for the fourth straight year, with sophomore Mason Grindland taking home the title.

The Farmington boys placed seventh out of 10 teams in their first South Suburban Conference meet, scoring 172 points.

Despite dropping a few spots late in the race, senior Justin Hyytinen once again earned all-league honors with a seventh-place time of 17:03. Teammate Alex Hart was awarded all-conference honors for the first time after placing 12th in 17:12.

The Tigers then had a gap of nearly a minute before Noah Revels

crossed the finish line 46th in 18:03. Ryan Newton was 51st in 18:08 and Joshua Grimm placed 62nd in 18:22.

Derek Cole (70th, 18:35) and Cole Stansbury (84th, 19:16) also competed.

The Rosemount girls posted a 47-second split between their top five runners while placing fifth out of 10 teams at Eagan.

Sydney Hansen landed all-conference honors with a 16th-place time of 15:29 on the 4,000-meter course. Teammates Liz Evenocheck (23rd, 15:38), Sydney Regalado (25th, 15:43), Dani Follett-Dion (28th, 15:50) and Naomi Alvarez (38th, 16:16) all earned honorable mention honors.

"We are where we want to be heading into the section meet. As a team we are solid. Our 1-5 spread was a little larger than we liked, but that will be closed considerably at the sections," Harder said. "Our girls team is working hard and is developing depth. Our JV team finished in the upper half of the conference as well for the second year in a row."

running a solid team race, which we are capable of doing," Harder said. "The girls always seem to run well as a team at Valleywood."

The Farmington girls finished second from last as a team, scoring 216 points, but individually Lauren Peterson was second from the front.

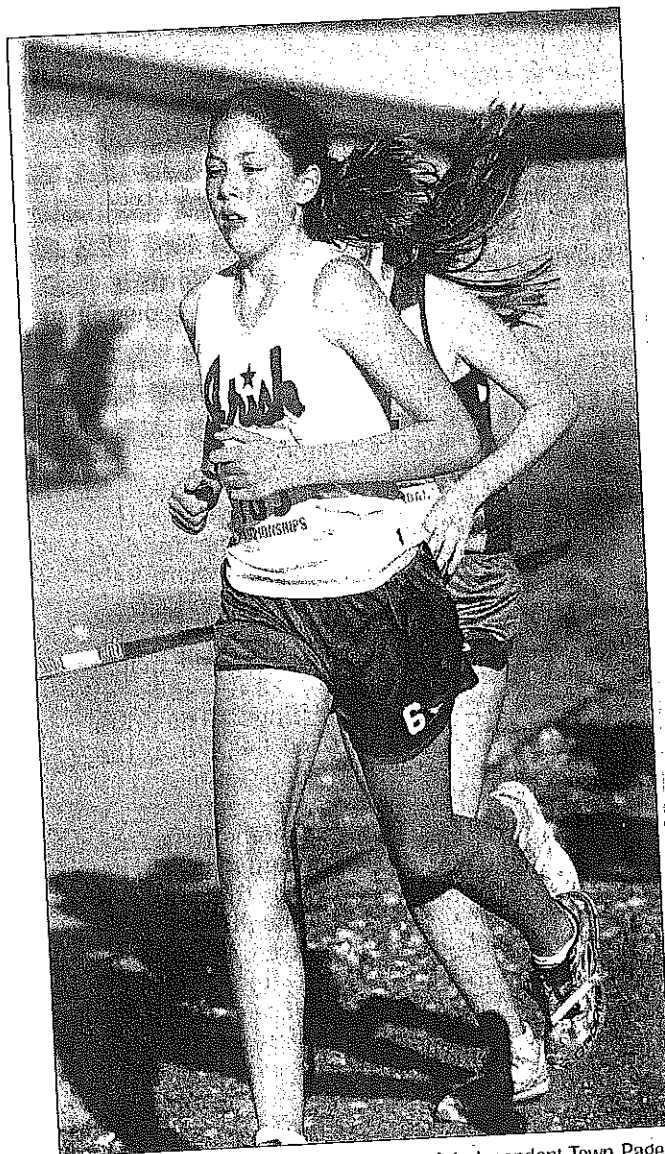

The eighth-grader, 11th at last year's Missota Championships with a time of 16 minutes flat, placed second overall in 14:40. She built a small lead by the first mile mark, but was eventually chased down and passed by Shakopee's eighth-ranked runner, Tess Misgen, who went on to win by 19 seconds. Eagan's Anna Van Wyk made up some ground in the last half mile and nearly took over second place, but Peterson came up with one final surge to edge the senior by two-tenths of a second.

Anna Palodichuk once again served as the Tigers' No. 2 runner. She placed just about in the middle of the pack, placing 45th out of 86 runners in 16:23. Senior Sofia Chadwick followed in 55th with a time of 16:43 and Emily Schaffer gave Farmington four runners under 17 minutes with a 62nd-place time of 16:56.

Teresa Grunklee (44th, 16:20), Natalie Narloch (49th, 16:27) and Allison Peterson (60th, 16:53) also ran for the Irish, who along with boys, compete again next Thursday at the Section 3AA Championships at Valleywood Golf Course.

"We like the matchups in the section meet. It will come down to us

Breanna Sutter (72nd), Sam Hyytinen (73rd), Morgan Mach (78th), Abigail Bollig (79th) and Sarah Cummings (86th) also ran for the Tigers, who will chase state berths next Thursday at the Section 1AA Championships in Owatonna. Hyytinen and Peterson each qualified for state as individuals a season ago.

DAKOTA COUNTY TRIBUNE

Lakeville South and Eagan swapped the lead back and forth before South pushed to the front to repeat at South Suburban Conference girls cross country champion.

In what was a two-team race for the championship, both schools placed five runners on the all-conference team at Friday's meet at Eagan High School. South finished with 52 points to Eagan's 57, and both were well in front of third-place Eastview (119).

Shakopee, Rosemount and Prior Lake battled for the boys team championship, with Shakopee, a new South Suburban member this season, winning by six points over Rosemount.

Tess Misgen of Shakopee and Faysal Mahmoud of Burnsville were the individual champions of the South Suburban varsity races.

Girls race

"They ran an amazing race last Friday," Lakeville South coach Jessica Just said of the girls team's performance.

Eagan coach Lisa Langenhahn couldn't find fault with anything her team did, either.

"We ran well, ran as a team, did all the things you need to do to win a meet," Langenhahn said. "We had several girls who ran their best times on that course."

South's top finisher was senior Kaytlyn Larson, who was fourth overall in 14 minutes, 49 seconds in the 4,000-meter race. Senior Annie Brecken (15:00.90) and ninth-grader Patty Jo English (15:06.40) were eighth and ninth. Brianne Brewster (15:09.30) was 11th, and Lauren Geary (15:36.10) placed 20th. Bailey Brewster (29th) and Cassie Jenny (34th) earned honorable mention all-conference.

Eagan's top five runners finished in the top 18. Anna Van Wyk, a senior, was third in 14:40.20, and senior Kelli Praska was sixth in 14:56.20. Danielle Marshall, a junior, took 13th in 15:40.90.

The Wildcats' Katie Koprowski (15:30.60) and Aryn Embretson (15:31.20) were 17th and 18th.

A 16th-place finish

by ninth-grader Sydney Hansen (15:29.40) helped Rosemount to fifth in the team standings with 130 points. Elizabeth Evenocheck, Sydney Regalado and Dani Follett-Dion all placed in the top 30.

Farmington eighth-grader Lauren Peterson was individual runner-up in 14:40.00, 19 seconds behind Misgen. Peterson was the only runner in the top 40 for the Tigers, who finished ninth with 216 points.

Boys race

Rosemount had been the only team to win the South Suburban Conference boys team championship until Friday, when Shakopee broke the Irish's four-year streak. The No. 5 runners proved to be critical; Shakopee's finished 26th overall while Rosemount's was 38th.

Shakopee finished with 72 points to Rosemount's 78.

Four runners earned all-conference honors for the Irish: seniors Alex Berhe (second, 16:33.70), Samuel Ivanecky (fifth, 16:45.40), Clayton Smith (16th, 17:20.80) and Ryan Brumm (17th, 17:21.90).

Burnsville's Mahmoud, who finished eighth in last year's conference meet, took first this year's 5,000-meter race in 16:24.00, almost 10 seconds ahead of Berhe.

Senior Justin Hyytinen (seventh, 17:03.20) and junior Alex Hart (12th, 17:12.20) were all-conference runners for Farmington, which was seventh in the team standings with 172 points.

SECTION 3AA CROSS COUNTRY

Boys team, Hansen state-bound

The Irish boys team placed second and Sydney Hansen was 12th at the Section 3AA meet

Matthew Steichen
Sports editor

The surprising emergence of unranked Prior Lake kept the Rosemount boys cross country team from capturing its fifth straight Section 3AA team title last Thursday.

The Irish ran a better team race than they did while placing second a week earlier at the South Suburban Conference meet, but third-place league finisher Prior Lake placed five runners in the top 17 to end Rosemount's title streak,

49-83, at Valleywood Golf Course in Apple Valley.

Still, the Irish will continue their run of Class 2A state meet appearances as the top two section teams advance to Saturday's championships at St. Olaf College in Northfield. It will be Rosemount's fifth straight team appearance and seventh in nine years.

"There are 112 Class 2A teams that are staying home, so we are excited for this opportunity. I felt we competed a little below our ability level as a team, but when sport offers you another chance, we are ready to seize the opportunity," Rosemount coach Chris Harder said. "We have the guys to make another top five run and could challenge for medals if all breaks well."

Senior Alex Berhe, an all-state finisher a season ago when the team finished fourth, led the Irish with a second-place time of 16 minutes, 14 seconds, on the 5,000-meter course last Thursday at Valleywood. He was 17 seconds off the pace of Faysal Mahmoud of Burnsville.

Senior Sam Ivanecky also worked his way into the top 10, placing seventh in 16:52.

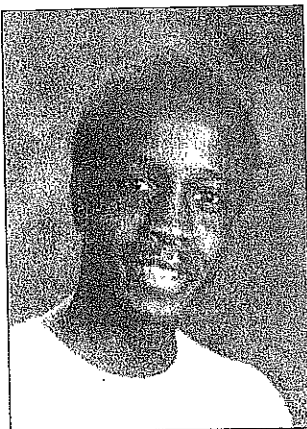

Clayton Smith came in third for the team and 22nd overall in 17:22 and teammate Ryan Brumm was two seconds back in 23rd. Zaffer Hussein closed the gap the Irish had between their fourth and fifth runners at the conference meet, placing 29th in 17:35.

"Zaffer Hussein had a breakout performance and appears poised to make another step next week," Harder said. "The potential he showed earlier in the season is starting show right now. He has learned a lot from this senior class."

Travis Lorch (41st, 17:50) and Sam Karlson (49th, 18:03) rounded out the varsity lineup.

The Irish girls just missed a state team berth with their second straight third-place Section 3AA finish last Thursday, but will be represented in Northfield thanks to a strong finish from Sydney Hansen.

The freshman, one of four in the young Irish lineup, grabbed the final individual qualifying spot with a 12th-place time of 15:39 at Valleywood. She will be the fifth-ever Rosemount freshman girl to compete individually at the state meet when the Class 2A races get under way Saturday afternoon.

"Sydney Hansen ran a great race from the gun.

Rosemount freshman Sydney Hansen runs to 12th place at last Thursday's section meet.

She kept herself in contention for an individual state spot while also keeping our team in the hunt for a spot," Harder said. "Sydney maintained good form up the final hill with just under a half mile to

go and with a 10-second cushion (on 13th place) was pretty sure she was in."

Eagan defeated Eastview 56-73 for the section title. The Irish scored 108 points to best

fourth-place Henry Sibley by 31.

Freshman Sydney Regalado just missed a state berth, running to a 15th-place time of 15:48, and freshman Dani Follett-Dion placed 23rd in 16:04.

Naomi Alvarez ran fourth for Rosemount and 25th overall in 16:07 and senior Liz Evenocheck closed out her cross country career with a 33rd-place time of 16:18.

"I was really proud of our girls team the way they hung together down the stretch of the season. Liz Evenocheck faded a little at the end, but she had a wonderful career for the Irish," Harder said. "You couldn't ask for a better person to help lead a young squad. She will be ready this winter to captain the basketball team, as well."

Senior Natalie Narloch (42nd, 16:39) and freshman Tess Grunklee (46th, 16:46) also ran for the Irish.

The state cross country meet gets under way at 10 a.m. Saturday when the Class A boys toe the line. The Class 2A boys run at 1 p.m. and the girls will follow at 2 p.m.

PUSHING TO IMPROVE

Never satisfied, Rosemount's Alex Berhe wants a top-three finish at the cross-country state meet.

By RON HAGGSTROM
ron.haggstrom@startribune.com

There isn't a gradual learning process for Rosemount senior Alex Berhe, whether it be on a cross-country trail, a running track or in the classroom. He is always living life in the fast lane.

The all-state distance runner is now focused on pushing himself to a top-three finish in the Class 2A boys' cross-country state meet Saturday at St. Olaf College in Northfield. It will be his third consecutive appearance in the event.

"I'm having an awesome season," Berhe said. He recently finished second to Burnsville senior Faysal Mahmoud in the Section 3 meet at Valleywood Golf Course in Apple Valley. "I'm having the most fun I've ever had."

Berhe enters the state meet ranked 11th in Class 2A. He took 16th a year ago, helping the Irish to a

fourth-place finish. He posted a time of 16 minutes, 2.4 seconds over the 5-kilometer course.

"I can always improve as a runner," Berhe said. "The one thing with running is there is always somebody better than you."

His 2013 time was more than 35 seconds faster than in 2012, when the Irish finished fifth.

"Alex is an extremely hard worker," Irish coach Chris Harder said. "He has a bright future."

Harder was able to grasp that from his initial meeting with Berhe. He walked into his classroom as a freshman.

"He came to my classroom during the winter and said he wanted to run the 3,200 [meters] in track," Harder said. "I have had other athletes stop by and say they are interested in track, but never did someone come right out and say the 3,200."

Berhe had just arrived in the United States that summer to live

with his father, Desbele. He moved to Rosemount from Eritrea, a country in the Horn of Africa.

"My father has been a big part of my transition," Berhe said. "He has helped me out a lot."

Desbele was instrumental in helping his son grasp the English language. They read books and watched television together.

"Alex is ELL [English Language Learner], but you would have a hard time knowing that during conversations with him," Harder said.

That hasn't slowed down Berhe. He is known to take classes more challenging than his academic level.

"He challenges himself academically," Harder said. "That determination can also get him into trouble."

An early glitch in the schedule couldn't keep him from developing into one of the state's top cross-country runners. He signed up for an accelerated geometry program, but the time of the class meant he could not train with his teammates over the summer before his sophomore year.

"Alex met with another runner

[Ryan Brumm] at 6 a.m. all summer, so they both could attend the program and follow the summer training program at Lebanon Hills," Harder said.

It was with that kind of discipline that helped form Berhe into the runner he is today.

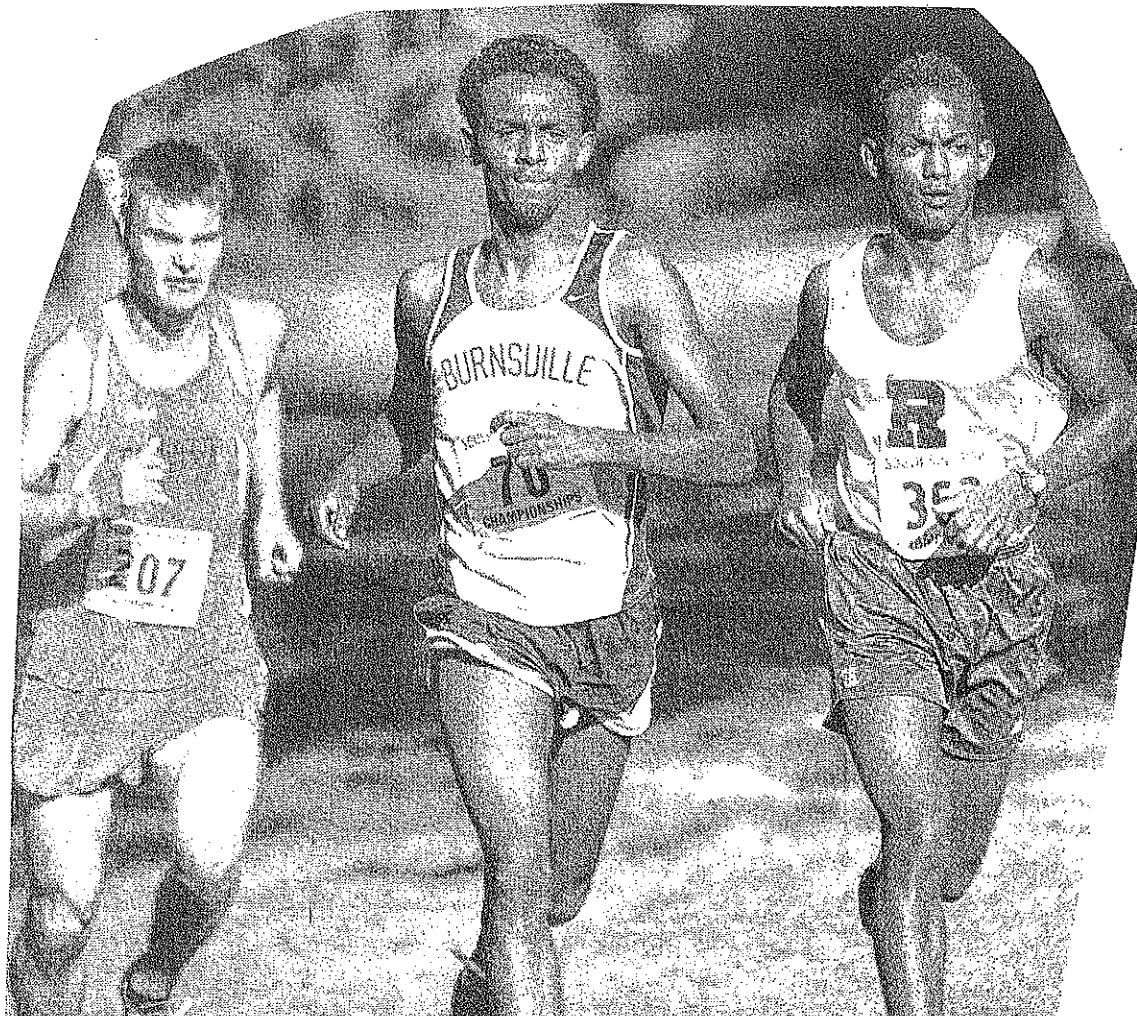

"Ryan helped me a lot," Berhe said. "He pushed me to limits that I didn't know was possible. If I wouldn't have run with him, I probably would have given up running. I wasn't very good."

In ninth grade, Berhe couldn't break a 5-minute mile. He quickly learned the importance of teammates, and how they could help him develop into one of the state's top distance runners. Berhe and his teammates will be making their fifth consecutive appearance in the state meet as a team.

"I think of cross-country as a team sport," Berhe said. "To finish in the top three at the state meet is the ultimate goal."

For both him, and his teammate:

Berhe leads Rosemount to 7th

Five out of seven Irish boys ran their best times of the season; Hansen placed 103rd for girls

Matthew Steichen
Sports editor

The Rosemount boys cross country team couldn't add to its streak of four straight top-five finishes at Saturday's Class 2A state meet, but the consensus among runners and coaches alike was that the Irish ran about as well as they could.

Five of the team's seven runners ran their best times of the season and senior Alex Berhe earned all-state honors for the second year in a row while leading the Irish to

seventh place in action at chilly, breezy St. Olaf College.

The Irish scored 196 points to avenge losses to South Suburban Conference rivals Prior Lake (8th, 202 points) and Shakopee (11th, 302 points) during the regular season. Wayata placed three runners in the top seven while winning the team title 47-87 over runner-up Hopkins and Stillwater (87), St. Michael-Albertville (153), Chaska (180) and Alexandria (189) rounded out the top six.

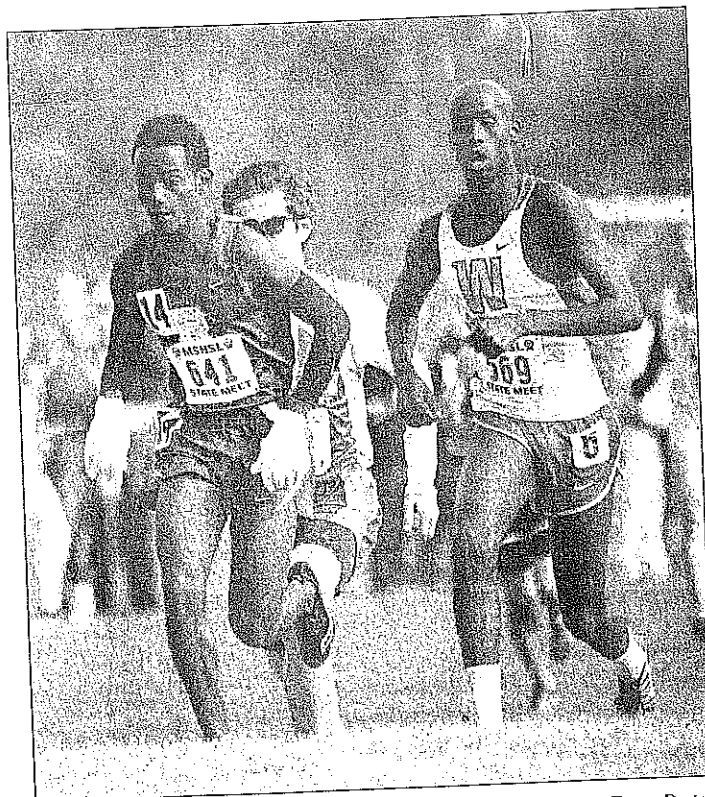

"We ran about as well as we could. I am really proud of the efforts we got from our guys at the meet. They came together at the right time to have their best team performance of the season," Rosemount coach Chris Harder said. "Our goal was to finish high

and get our fifth straight top-five finish and try to get on the medal stand. We didn't do that, but I felt we ran the best we could and I am proud of their efforts."

Berhe closed out his career with his best race of the season, running a time of 15 minutes, 54 seconds, that was eight seconds faster than his run at St. Olaf last season to earn 16th place for the second year in a row.

"The field this year was much deeper than last year. He was our leader all season on the course and he gave us a low card to keep us in the upper half," Harder said. "Personally he is always striving for more and wanted to be on the awards stand, but he had a great

race and a great season."

Berhe wished he had started a little faster, but was still pleased with the end result.

"I fell back early in the race and had to spend a lot of the race catching back up. I felt pretty good, but just didn't have enough time to get up to the front," he said. "We had a good team race. I felt like everybody PR'd except me."

Rosemount No. 2 runner Sam Ivanecky represented the team at state for the fourth year in a row and came through with his best time yet on the St. Olaf course, placing 69th with a time of 16:36 in his final prep race.

The other five Irish runners all turned in their best times of the season. Senior Clayton Smith passed several runners in the final stretch to place 92nd in 16:49, senior Ryan Brumm came in 99th in 16:53 and senior Sam Karlson provided the fifth counting score with a 119th-place 17:09 clocking.

Zaffer Hussein was close behind in 134th with a time of 17:15 and Travis Lorch closed out his sophomore season with a 152nd-place time of 17:30.

"A big part of our team was we packed our guys together," Harder said. "They gained valuable experience. We graduate

another strong class, but we will work hard to get back to St. Olaf."

Also looking for a return trip to St. Olaf next year will be Sydney Hansen, who capped off her freshman season with a 103rd-place time of 15:37 on the 4,000-meter course in Northfield Saturday.

"Sydney had a solid finish in her first state

appearance. She maintained form that last half mile and had a strong finish," Harder said. "Sydney really wants to do well and it showed in her determination this season. She was very consistent this season, which should lend itself to making a jump to the next level next year."

Harder also thinks the Irish girls have a shot at qualifying as a team next

year, considering the strong runners they have coming up through their JV and middle school programs.

"Next year, (Sydney) wants to come with the whole team. With the returners we have plus some from a strong RMS program, we should be in the thick of things next season," Harder said.

Hasz twins of Alexandria again dominate Class 2A field

NORTHFIELD, Minn. — Winning really wasn't an option for most of the Class 2A girls Saturday at the cross country state meet at St. Olaf College. Not with Alexandria junior twins Megan and Bethany Hasz in the field.

"Those two are absolutely phenomenal," Forest Lake junior Emma Benner said. "You just know that one of those two is going to win any race they are in. For everyone else, it really becomes a race for third place."

The Hasz sisters did their thing, breaking away together like they were on a training run just before the one-mile mark. They were nearly shoulder to shoulder a mile later before Megan made a strong move en route to winning the 4,000-meter race in a state-record 13 minutes, 40.9 seconds. Bethany, the big-school champion last year, was four seconds behind.

Megan Hasz said she and her sister had not made any deal on how things would turn out.

"Definitely not," she said. "We will always race each other to win. We are super-competitive with each other."

Megan Hasz, runner-up to her sister by 20 seconds last year, said it isn't a difficult situation for the two to be ultra-competitors yet the other's biggest fan.

"It's not that tricky," she said. "We always want to win, but if we don't, we are always happy for the other."

Said Bethany: "(When she made her move,) I tried to go with her, but I don't have quite the same kick as she does."

Meanwhile, in the back of the pack, Benner adjusted her strategy.

Benner, who finished 30th in last season's state meet, was hoping for a top-10 finish, and at the mile mark she was in that top 10.

"At the first half-mile, there was a pack of us with the twins," Benner said. "Then, they just really blasted away. There was a little bit of temptation to go with them, but I know my racing style is differ-

ent compared to them. They go out from the start and lead. I like to build up to a strong finish. I don't want to waste anything and then be in trouble on the course."

Good move.

With a mile remaining, Benner made her move from 10th to third.

"You still run and push like you are trying to get first or second, but at some point, you know that it isn't going to work out that way," Benner said. "You still have to try for it."

When Benner worked her way into third, she could see the twins, but they were a

ways ahead.

"It would have wrecked me if I had tried to make a move to catch the twins," she said. "I would have nothing at the finish."

Benner appeared poised to hang on to that third position until she was caught at the finish line by Shakopee's Tess

Misgen, who finished in 14:13.5. Benner was fourth, a heartbeat behind in 14:13.6.

"I am a little upset about that, but finishing fourth is so much more than I imagined," she said.

Wayzata won the girls title for a third consecutive season. The Trojans finished with 65 points, 29 fewer than runner-up Edina.

Saturday's state meet likely was the final time the girls' race will be 4,000 meters.

The cross country advisory committee has submitted a proposal to the Minnesota State High School League to join most other states in lengthening the girls' race to 5,000 meters, matching the boys' distance.

"I would love the change to 5,000 meters," Benner said. "Most of the country runs that distance. When you go to national races, everyone else is used to 5K, and we are not. The change is no big deal. It will work out best for all of the runners."

Wayzata's Olson wins

Wayzata's Connor Olson improved one spot from his runner-up finish last year,

winning the big-school race in a time of 15:17.1. Chaska's Joey Duerr put on a huge finishing kick in the chute to be second in 15:23.3. Joe Klecker of Hopkins, who dueled throughout the race with Olson, was third in 15:26.2. Woodbury's Nick Wareham was fourth in 15:28.

It was Olson's second victory over Klecker this season, his first coming in the Lake Conference meet. Klecker beat Olson for the section crown.

"He whapped me at sections; that speaks for itself," said Olson, who has committed to run at Minnesota. "We kind of have a back-and-forth rivalry. We are good friends outside of cross country. It all works out perfectly."

Wareham said he was with Olson and Klecker at the 1.5-mile mark.

"When they took off, I had to be careful," Wareham said. "I didn't want to make a pricey move into that headwind. It was a little early for me in the race to be doing that."

Wayzata won the team title for a third consecutive year, compiling 47 points. Hopkins and Stillwater tied for second with 87 points each.

NORTHFIELD - As the state cross-country meet runner-up a year ago, Wayzata senior Connor Olson did not need motivation. So coach Bill Miles gave Olson the gift of liberation.

"We talked about being less conservative," Miles said. "We were good enough where he could take a chance and if he staggered in at 20th or something, the team was still going to do OK."

Both got what they desired. Olson won the 5,000-meter race in a time of 15 minutes, 17.1 seconds as the Trojans defended their Class 2A title Saturday at St. Olaf College.

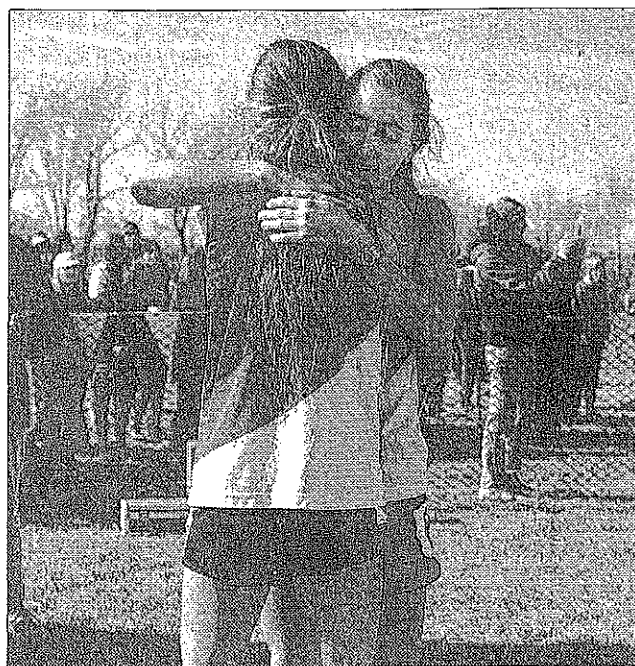

Sheer dominance set apart career championship No. 8 for Miles at Wayzata. Olson, junior Jaret Carpenter (seventh overall) and senior Ian Eklin (10th) paced the Trojans' score of 47 points — lowest in school history. Second-place Hopkins scored 87 points.

Olson's drive set the tone. He missed the state track and field meet last spring with an injury and missed running alongside such competitors as Joe Klecker of Hopkins. The duo paired up ahead of the field Saturday, running stride-for-stride until Olson surged with 500 meters remaining.

"That kid is one tough racer," Olson said of Klecker, who finished third behind Chaska senior Joey Duerr. "I'm just happy I could pull it off at the end."

Wayzata teams repeated as champions for the third time in Miles' career. He set the bar for next season by pointing out, "We've never gone three in a row."

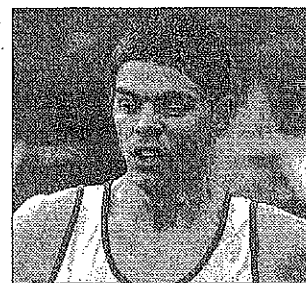

A model of such consistency isn't hard to find. The Wayzata girls' team, a

rebuilt group of tough, talented runners, captured its third consecutive state title. The Trojans (65 points) placed well ahead of Edina (94) and Willmar (96).

Graduation losses meant last year's "dream team" gave way to a group of wide-eyed youngsters.

"We had girls asking if we do our warm ups in spikes," senior Anna French said. "It's been cool to see the girls' progress so far."

A Trojans team title wasn't the only familiar result. Alexandria juniors Megan and Bethany Hasz went 1-2 overall, a reverse of last season. Megan, born 29 minutes before her twin sister, upheld her No. 1 rank in the coaches' poll with a time of 13:40.9 in the 4,000-meter race. Her winning time was a state meet record, breaking the previous mark of 13:42.0 set by Maria Hauger of Shakopee in 2012.

No deals were struck to share the glory.

"Definitely not," Megan said. "We will always race each other to win."

Bethany said: "Right before the 2-mile mark she started to pull away. I tried to go with her but I don't have quite the same kick as she does. I'm proud of her. She definitely deserves it."

Class 1A

Third as a sophomore. Second last year. Only one spot remained for Waseca's Shane Streich to conquer.

Mission accomplished. Streich won in a time of 15:46.4, executing his strategy to start smart and finish with a flurry.

"My goal was to break them in the second mile and if not then, then the third mile," said Streich, who listed Minnesota among five colleges in contention for his services. "I've been shooting for this since I was a seventh-grader. It's really exciting to fulfill that goal."

Mora edged Martin County West by four points (104 to 108) to win the team title.

On the girls' side, Trinity School at River Ridge, located in Eagan, won its first-ever state title. Senior Theresa Mueller paced the victory but the Tri Hawks' fourth-place runner, junior Rebecca Wilkin, provided inspiration.

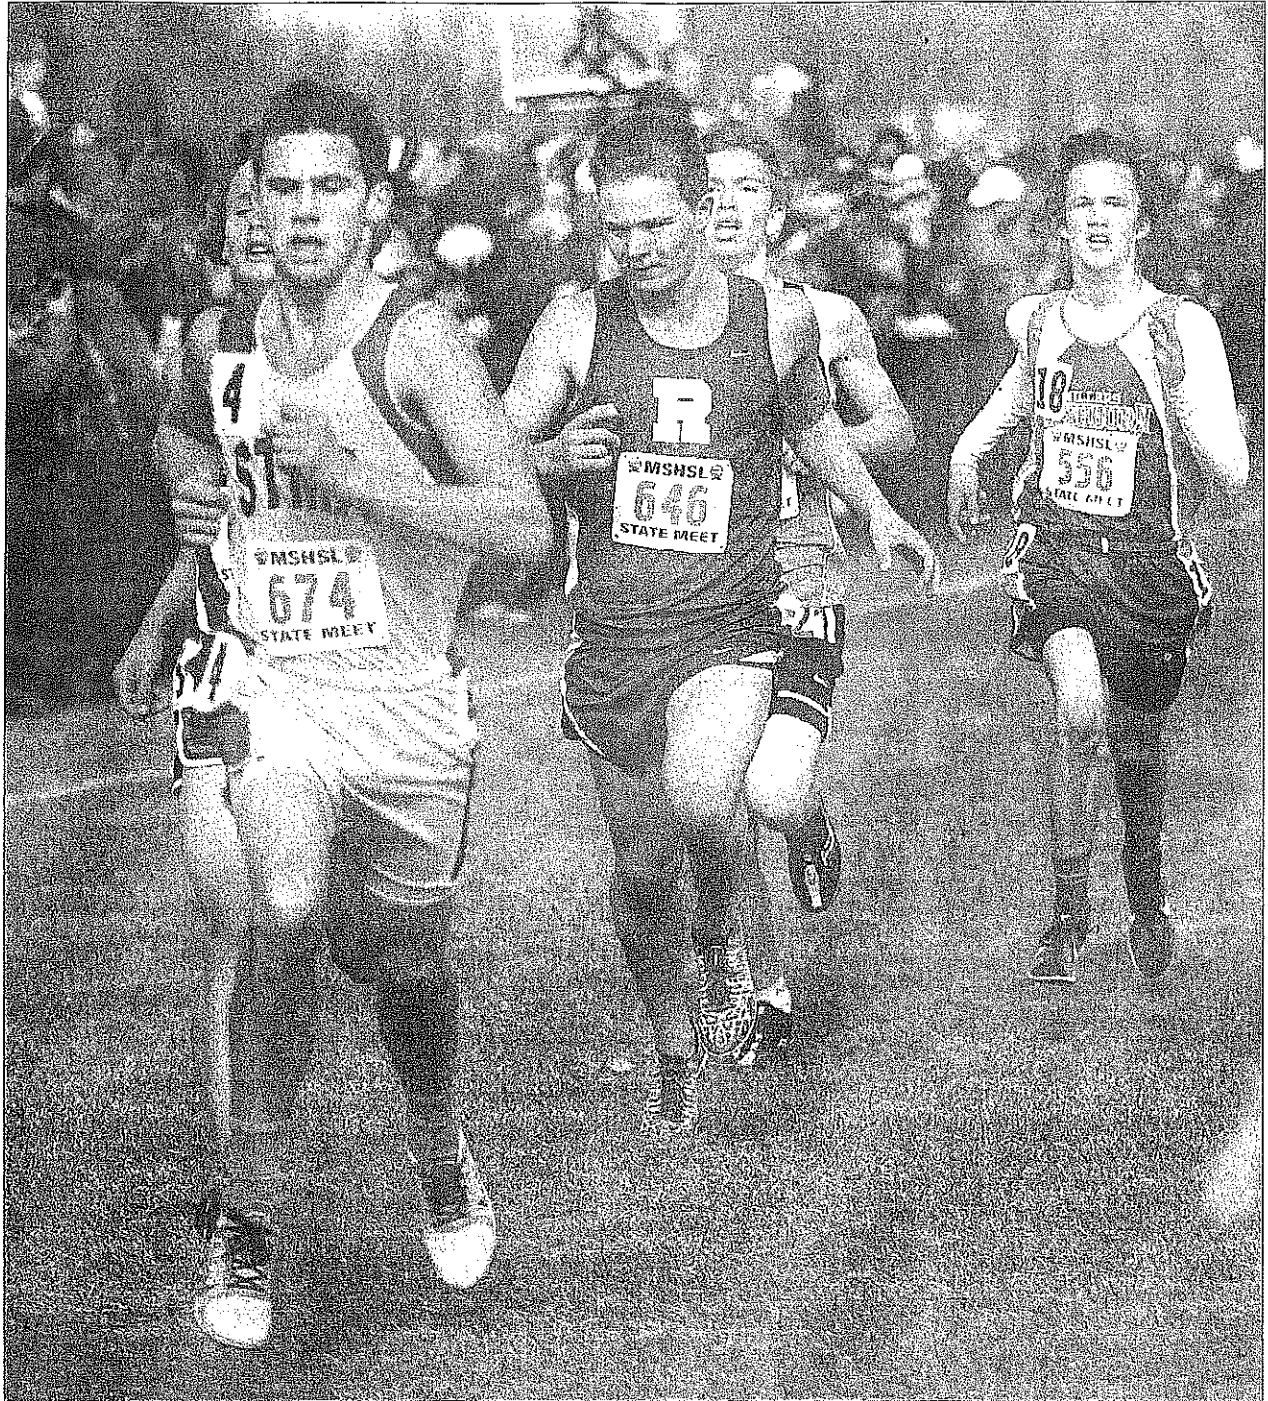

Diagnosed with a small hole in her lung, Wilkin missed nearly a month of the season. Third at the state meet last fall, Wilkin accepted a slower pace this season.

"We wouldn't have been able to pull it off without her," coach Jesse Schoen said.

Emily Donnay, a senior at Eden Valley-Watkins/Kimball Area, won the race with a time of 14:27.5, 30 seconds and two spots ahead of her sophomore sister, Anna.

Donnay said she "didn't run much in the summer," but built her strength with a clean-up construction crew, as well as helping on a farm.
