

# Know Who Is Interested

When a college coach views your profile and video, you receive a text message and email notification in real time. No-Excuse players are **never** guessing who is interested.

# Data + Analytics

No-Excuse players handle every aspect of their recruiting efforts on the LacrosseRecruits platform. Because of that, players enjoy a robust, easy to read dashboard, breaking down the data behind their recruiting efforts.

## Built In Messaging

With **every** DI, DII and DIII program on the LacrosseRecruits platform, No-Excuse players handle all communication on the LacrosseRecruits platform. Never again will you look for a college coach's email address.

# Tagging Functionality

No-Excuse players build a target list of favorite schools and No-Excuse Directors can seamlessly identify the schools they think the player should focus on. This complete transparency ensures nothing is left to chance.
