PARTNERSHIP INFORMATION

Dear No-Excuse Families,

As part of our ongoing efforts to offer exceptional value to our student-athletes, No-Excuse Lacrosse has entered into a strategic partnership with LacrosseRecruits.com to support your college recruiting and selection process. It is our goal to equip you with the best tools and resources available, and this partnership provides you a discounted one-year membership to LacrosseRecruits.com - The Official Recruiting Service Provider for US Lacrosse.

Normally, a membership to LacrosseRecruits.com costs \$200 per year, but through your affiliation with No-Excuse this opportunity will be offered to all players in our program for \$150.

We take the college recruiting and selection process very seriously, and Lacrosse Recruits.com will offer us a long needed ability to manage the process for all our players. We have had great results already with lacrosserecruits.com and most importantly it has become the go-to source for recruiting. The ability for us to monitor all information from one centralized point is a huge upgrade to the standard service for our club.

Many of you are already using LacrosseRecruits.com, your account will be extended a year from its current expiration date with your registration. We will submit your initial information after our registration closes.

With early recruiting, we highly encourage all players in classes 2016-2019 to register. Whether you would like to play Division 1, Division 2 or Division 3, there are opportunities out there and I'm confident this tool will help us find the best fit for you.
