

NEW OFF ICE TRAINING FACILITY

- 100 x 45 concrete pad in the lower parking lot
- Surrounded by fencing
- This area can be used prior to games or practices for off-ice shooting and drills
- Project has started and should be completed by the end of this summer

To help with the cost of this project we are building a patio leading into the concrete pad, and we will be selling bricks for that patio with your family's name on it. Any bricks purchased before August 17th will be installed with your family's name on it in the initial patio construction. All bricks purchased after August 17th will be installed on a month to month basis.

4x8 Brick \$200 _____

8x8 Brick \$400 _____
