NIVERVILLE/STE. AGATHE CLIPPER ICE SPORTS(CIS) 2015-2016 Player Evaluation Information

September 14, 2015

Dear CIS member,

Thank you for registering your child with Clipper Ice Sports for the 2015-2016 hockey season. Our registration numbers will dictate the following teams in your age group as per eastman guide lines:

- Novice A, B, & C
- Atom A, B, & C
- Pee Wee A & C

These teams will be formed as a result of skills based performance evaluation at a selection camp scheduled between September 28-30. This camp will consist of 3 sessions of skills and scrimmages, which will be led by an on-ice volunteer.

These performance sessions will be evaluated by two

professional evaluators who are not a part of the proposed teams' coaching staff, or related to any on-ice players. Clipper Ice Sports has recruited evaluators from outside of the Niverville/Ste. Agathe catchment to conduct the evaluations.

All evaluations will be primarily based on the "Criteria for Player Selection" as found on the Hockey Canada website. Any player wishing to be evaluated must be present at the majority of the skates, i.e. 2 out of 3 sessions to be considered for team placement. A player is not required to participate in evaluations, but may choose to be placed on the lowest of the teams stated above.

Any appeals regarding player placement may be made as per the CIS appeal process and are subject to the fees as outlined in the constitution.

Thank you and have a great 2015-2016 season!

Sincerely,

Clipper Ice Sports
